OBITUARIES. Grandma Smith. The funeral of Grandma Smith occurred last Thursday afternoon from the residence of her son, George W. Hunter, the services being conducted by Pastor James of the Baptist church, a goodly number paying their last sad respects to the departed and accompany the remains to their final resting place in our Silent City of the dead, Grandma Smith, whose maiden name was Phoebe N. Fowler, was born in Salem, Mass., Aug. 5, 1812, passing away Sept. 24, 1908, at the advanced age of 95 years, 1 month and 19 days. In her early years, she was married to Chas. Hunter, and to this union were born two sons and one daughter, husband and daughter preceding her to the spirit land. Mr. Hunter's death occurring in 1894. She was married in later years to Mr. Jno. Smith, and to them were born three sons and two daughters, husband and one son passing on before. None of the sons and daughters from a distance were able to be present. The Northwestern, with the entire community, sympathize with those who mourn the loss of a loving mother.

Mrs. Hans Petersen. Last week we mentioned the sudden death of Mrs. Petersen of Boelus, mother of C. Petersen of the Loup City Flouring Mills which occurred last week Wednesday. The saddest thing about her death was that it occurred while attending the funeral of a friend at Cairo, when she was seized with an attack of paralysis, her death occurring a few hours later. Mrs. Hans Petersen was born in Stobberup, Denmark, March 16, 1844, and came to America in 1872, and in November of the same year was married to Mr. Hans Petersen, to whom 6 children were born, 3 of whom are living, 2 sons and a daughter. She lived in Chicago a few years and later moved to Nebraska, and at the time of her death was living at Boelus. The funeral was held last Friday at the M. E. church in Boelus and was largely attended by neighbors and friends. The many friends of deceased in this and Howard counties will deeply sympathize with the bereaved husband and children in their hour of sorrow.

CARD OF THANKS. We desire to thank our many friends and also the D. S. and Brotherhood who assisted us during the illness and death of our loving wife and mother. HANS PETERSEN and CHILDREN.

Narrow Escape. A narrow escape from serious injury and possible death occurred on our main business thoroughfare Tuesday afternoon. While Baby Margaret, the infant daughter of John W. Long, and Baby Hazel, infant daughter of the editor of this paper, were crossing the street, the Conhiser's and Chase's drug store, and nearly across the reckless driver of a two-seated carriage going at a brisk trot beat down upon the hapless little tots and in spite of the warnings of horrified spectators, one of the horses threw little Margaret over her head, and both right and left passing over her form while little Hazel just barely missed the other horse's hoofs and escaped to the sidewalk. The injured little tot was driven hurriedly home, and upon examination by Dr. Longacre was found not to be hurt internally, though badly bruised over the body. Luckily the wheels passed over the lower part of the body instead of over the chest, which might have proved fatal as she is a frail little 4-year-old and the carriage weighs fully 600 pounds. This should be a great warning to drivers of vehicles to be more careful in the future lest fatality be the next result of such work.

Majestic Demonstration. The demonstration all this week at the Hayhurst & Gallaway store of the great Majestic stove cooking exhibition is a most marked success. H. S. Campbell, the demonstrator, has proved to the entire satisfaction of throngs of Loup City and vicinity ladies that the Majestic is the king of cookers, and to last evening nine of these stoves were sold as a result of the exhibition the following persons being the lucky purchasers: Mrs. Stanley Carter, Mrs. Claus Eggers, Mrs. Lloyd Bly, Conger Bros., Mrs. E. E. Tracy, Mrs. W. T. Gibson, Mrs. H. Dietz, Mrs. B. M. Thompson and Mrs. S. Youngland. The exhibition yesterday afternoon wherein a dozen ladies stood on a plank over a cake baked in one of the ranges, mashing the six-layer cake to the thinness of a single layer, after which the cake resumed its former shape immediately released from the left of some fourteen hundred pounds of angelic weight, was witnessed by a large number of people, and the cake afterward eaten by the people gave ample evidence that anything can be made anything cooked upon the perfect Majestic. The demonstration lasts all this week and crowds of people daily eat of the dainty biscuits baked upon the same, to which are added elegant cups of coffee prepared by the ladies of the Hayhurst and Gallaway households. You should not miss going at least once to see the demonstration.

Mrs. Mary A. Gardner returned last week from Shelton, where she had been called by the serious condition of her little grandson as a result of drinking a quantity of lye water. On Wednesday evening, September 30, 1908, at the home of Mr. and Mrs. Henry George in this city, occurred the marriage of their son, August George, to Miss Theresa Delling, the ceremony being performed by Rev. L. C. McEwen in the presence of the immediate families and a few intimate friends, after which a bounteous wedding supper was served. The bride is the daughter of Mr. and Mrs. Henry Delling and has grown to young womanhood in this community, while the groom has resided here for some time. Both young people have a host of friends and will receive the hearty congratulations and best wishes of all.

Baby Goodwin Dead. Frank Goodwin was called up from Grand Island last Friday on account of the serious illness of his infant daughter, Mrs. Goodwin and baby being here at the home of her parents, Mr. and Mrs. M. C. Mulick. Mr. Goodwin's mother and brother also arrived here last evening. Later—the little one passed away this morning at 10 o'clock. The bereaved family have the heartfelt sympathy of all in their great sorrow.

Mr. Elsner informs us he runs the plant each evening, the necessary three or four hours, at a cost not exceeding ten cents for gasoline, and that the saving in one year over the old cost of lighting will pay for the cost of putting in the plant.

Jim and Ashley Conger, Frank Foster and Ernie Milburn finished their hunting and fishing up on the lakes, our boys returning Friday night. They brought us some juicy samples of their fishing in the shape of a nice mess of bull head. The Conger boys returned by wagon, but Mr. Foster visited a day at Ord and bringing his wife and baby home from there by train. Thursday evening a reception was given Mrs. Foster at Ord by her cousins, the Misses Brust, and a most delightful time was the result.
