TERMS OF THIRTY-ONE MEM-BERS EXPIRE MARCH 4TH.

# SCRAMBLE FOR KNOX'S SEAT

All Eyes on Ohio, Where Several Candidates are Anxious to Succeed Mr. Foraker.

Washington.-While the terms of thirty-one senators, more than onethird of the entire membership, expire on March 4 next, eighteen of this number already have been re-elected or assured of re-election, either through successes in primary contests or pledges of a majority of the membership of the several state legislatures charged with the duty of electing senators before the begin-

ning of next congress. In addition to the vacancies occuring by reason of a provision of the constitution there will be a vacancy in. Pennsylvania on account of the forthcoming resignation of Senator Knox to accept the portfolio of secretary of state in the Taft cabinet. There will be a scramble between prominent republicans of Pennsylvania for Mr. Knox's seat, which will cause public interest equal to the contest now going ou in Ohio for the seat of Senator Foraker and in Connecticut for that of Senator Brandegee. That Secretary Root will be given the New York seat now held by Senator Platt is believed and a contest is not expected.

The republican secators whose terms expire at the end of the present congress, but who are sure of being returned, are Cummins of Iowa, now serving out the unexpired term of the late Senator Allison; Senator Dillingham of Vermont, Gallinger of New Hampshire, Heyburn of Idaho, Hopkins of Illinois, Penrose of Pennsylvania, Perkins of California, Smoot of Utah and Stephenson of Wisconsin. Democratic senators who will be returned are Clark of Arkansas, Clay of Georgia, Gore of Oklahoma, Johnston of Alabama, Mc-Enery of Louisiana, Newlands of Nevada, Overman of North Carolina, Smith of Maryland and Stone of Missouri.

By reason of defeat in primary contests Senator Ankeny of Washsentative Wesley L. Jones, Hansborough of North Daketa by Johnson, Kittredge of South Dakota by Governor Coe I. Crawford, and Long of Kansas by Joseph Bristow, former'y fourth assistant postmaster general.

All of these men are republicans, and in addition Fulton of Oregon probably will be succeeded by Covernor Chamberlain, democrat, who was victorious in what is known as the double primary system of the state. If pledges made by certain republican members of the Oregon legislature are kept. Chamberlain will come to the senate, but if they are violated as many leading republicans of the state are demanding, it is possible, in fact probable, that Fulton would be chosen to succeed himself.

The eyes of the country are on Ohio because of the candidacy of Charles P. Taft, brother of the president-elect, for the seat of Foraker, one of the most vigorous and picturesque characters in the senate and one who has declined to abandon his place without a fight.

The relationship between Mr. Taft and the president-elect, and the fact that the Cincinnatian has been prominent in the councils of the republican party in Ohio for many years, are powerful factors in the contest he is waging for the senator-
