#### McMullen-Dolling

Mr. William Dolling of Loup City and Miss Maud McMullen, daughter of Mrs. McMullen of the B. & M. hotel, were united in the bonds of wedlock this morning at 10:30 at the First M. E. parsonage by Rev. Bartle. Mr. Dolling is a baker at Loup City, where the young couple will make their home.—Grand Island Independent, July 6th.

The young couple came up from Grand Island Tuesday evening and will make their home in this city, where Mr. Dolling, who is a son of Henry Dolling, is employed in Jung's bakery. The Northwestern wishes the happy pair every success, prosperity and happiness.

Some unfeeling human being turpentine a pup on our streets Tuesday morning and the untold agonies of the canine caused many a comment to the effect that one who would do so despicable an act would be served right were the act to be repeated on him.

The late rains seemed to have it in for many of the good farmers up the valley. E. E. Tracy, when in to the celebration Monday, said everything was dry in his section and had been so for some time, and he lives within four miles of this commonwealth, too.

Alfred Bailman and family were up from Howard county with his new auto to attend the celebration, Monday, and took occasion on that day to give our people a chance to ride in the beauty to and from the park. Owing to the rain in the evening, he was not able to make the run home till Wednesday.

Mr. and Mrs. Henning Clausen were down from Washington township attending the celebration Monday. Henning says they have had no rain in his section for over four weeks and oats will be nearly a total failure. We could have spared a portion of the piteous rains here of late and helped them out most beneficially.

The lovers of the National game will be pleased to learn that Henry Jenner contemplates making a base ball park just to the south of the pavilion, putting in good substantial buildings and making it up-to-date in all respects. He has plans for a good sized amphitheatre and grand stand and if he undertakes the enterprise we may rest assured Loup City will have a ball park second to none in the central part of the state. Jenner does things that way.

Rev. J. O. Hawk of the M. E. church left last Saturday morning for Seattle, where he will attend as delegate from Kearney district the International Epworth League to be held three days in that city, commencing with yesterday, the 7th inst. Spokane and other points on the coast, returning by way of Salt Lake City, where he will stop over for a few days and also visit a short time in Denver. He expects to be absent some three weeks.

The section men all along the U. P. from North Platte east as far as Grand Island, and up the Ord and Loup City branches struck last Thursday for higher wages. The men have been receiving only the paltry sum of \$1.35 per day and to support a family on that is simply impossible and live as one should. It is a pity the section men do not have such an organization as have the engineers, firemen and other railroad employes and could force the road to give them a decent financial return for their work.

Last Thursday night, about midnight, C. T. Keynon, Jr., a young man of about 22 years of age, living at Keynon Siding, about half way between Boelus and Dannebrog, committed suicide by drinking carbolic acid. He was the son of C. T. Keynon, a wealthy farmer of Howard county, and a nephew of L. W. Callen of Washington township, of Mrs. E. H. Kittell of Rockville township and of Mrs. M. H. Mead of Fallon, Nevada. Ill-health and disappointment in a love affair are given as the reason for the rash act. Mr. Callen was called to attend the funeral, which was held the following day, stopping off in Loup City for a few hours on his return.

Loup City is putting up good ball this season. The boys are winning much favorable comment over the way they do neat work. At Austin last Saturday the Loup City kids went up against the Wiggle Creekers and it took them eleven innings to show the Loup City boys how it was done and then the score stood 1 to 0, our home boys holding the Wiggle Creekers down to goose eggs for ten straight innings. On Monday here in Loup City the home team gave Arcadia one score in nine innings, pocketing seven themselves. In fact, the home nine is putting up a fine quality of work and with a little encouragement from us all would eat up anything in sight.

The many friends of Myron Gilbert here will regret to learn that on the 27th of last month he met with a severe accident resulting in breaking one of his legs just above the ankle and pulling the tendons and ligaments loose from the ankle. From letters received by Grandma Gilbert, it seems that while Myron was walking into Ewing, on the Northwestern road, and when about a mile and a half from town he became ill and lost consciousness and when he recovered was lying by the side of the track injured as above. It is thought he fell unconscious on the track or so near it that he was struck by a passing train causing the accident. However, he was unable to give any account of what happened save that given above. It is to be sincerely trusted Mr. Gilbert will speedily recover.

Monday was a big day in Loup City on the occasion of the celebration of the glorious Fourth at Jenner's Park. Notwithstanding the fact that big rains had come the day preceding, and the further fact that the day opened dark and forbidding and continued so all day, with mist and occasional sprinkles of rain, the day was celebrated here with unprecedented crowds and all seemed to enjoy the day as much as if it had been sunny and pleasant. The train from Sargent, Comstock and Arcadia was crowded to the guards, while every conceivable vehicle that could be obtained in the latter place was brought into requisition to bring the crowd to Loup City. It was estimated that over 200 were present from Arcadia alone, while some 81 tickets were sold at Sargent for Loup City, and Comstock also sent a goodly delegation, while from all over the county were large delegations. At Jenner's Park, where the celebration proper took place, was the Mecca for all. The park was in beautiful shape, its well kept and shady greenwards being clean, cozy and inviting, and everything done to make it a joy to those in attendance. The program of the day was carried out nicely and fully till the evening's heavy rains came, which put a quietus on further events. Had it not been for that, the evening at the park, with the fine display of fireworks prepared, would have rounded out a day and night more enjoyable and with greater crowds present than ever seen there before. The most exciting and interesting event of the day was the basket ball game between the girls of our high school and the young ladies of the alumni, the score being 23 to 7 in favor of the former. It was one of the most interesting games of basket ball witnessed in our city and the friends of both teams vied with each other in encouragement to their favorites. In the pulling contest between horse and men, the latter won easily, but the weight of the men, 400 pounds over that of the animal, made the contest too unequal. The Arcadia Cornet Band furnished the music of the day and in a word did well. For the lovers of the dance the pavilion was a most pleasant attraction and from 3 o'clock in the afternoon till 2:30 in the morning, in spite of the heavy rains, presented a lively appearance and the hundreds of young people who tripped the light fantastic there gave evidence of a most enjoyable time. All in all, Monday's celebration at Jenner's Park was all that could be asked and reflected much credit on the Jenner brothers and their most beautiful park in central Nebraska.
