Political Announcements
FOR COUNTY TREASURER
I hereby announce myself as a candidate for the office of County Treasurer, subject to the will of the Republican electors at the primaries, August 17th.

FOR COUNTY CLERK
I hereby announce my candidacy for the office of County Clerk, subject to the will of the Republican electors as expressed at the primaries, August 17th next.

Fusion Aspirants
FOR COUNTY TREASURER
I hereby announce myself as a candidate for the office of County Treasurer on the democratic ticket subject to the action of the Democratic electors at the primaries, August 17th next.

FOR SUPERINTENDENT OF SCHOOLS
I hereby announce myself as a candidate for the office of County Superintendent of Schools, subject to the will of the voters of the People's Independent and Democratic parties, as expressed at the coming primaries, August 17th next.

FOR COUNTY JUDGE
I hereby announce my candidacy for the office of County Judge, subject to the decision of the voters of the People's Independent and Democratic parties, at the primaries, August 17th next.

The time for filing by candidates, according to the primary law, will be up this week Saturday, being the 17th of July, and thirty days prior to the date of the primaries, Aug. 17.

The action of the supreme court in administering knock-out drops to the non-partisan law does away with the non-partisan ballot and causes all candidates for the judiciary and educational interests to be placed upon the regular ballot.

The time is short for the boys to make decision as to whether they wish to go after the offices.

Among the new announcements of candidates for the various county offices this week will be found that of Mr. Joseph Daddow of Clay township, who is out for the republican nomination for treasurer.

M. L. Fries of Arcadia is said to be wanting the republican nomination for governor. Ex-Gov. Sheldon is said to be looking for another term in the executive's chair.

It is a matter of course that the Democratic nomination, as also is said to be the purpose of Berge, who has always wanted the office.

Shallenberger is said to be casting sheep's eyes at the senatorship, as also is the case of perennial candidate Little Giant Thompson, while the Bryan worshippers say William J. has a mortgage on the same for all time to come.

We this week place among the announcements that of Mr. Walt Weare of Litchfield as asking the support of republicans of Sherman county for the office of county clerk.

Mr. Weare's candidancy is the result of a spontaneous desire of the people of the western part of the county for a county officer from that section, which it seems has not been the case for many years.

In casting about for a suitable man they selected one of the brightest representatives of the young republicans of the west end, one who is thoroughly capable and efficient, a thorough business man, and who is at present manager of the Deirks Lumber Co. at Litchfield.

This is much more the case of the office hunting the man, than of the man hunting the office, as Mr. Weare had not the remotest idea of entering the list of candidates for public approval until solicited to do so by a number of the representative republicans of his portion of the county.

That he will prove a good officer is attested by the fact of the business ability and the confidence placed in him by the great Deirks Co., and the further confidence of the people who know him best.

He is a product of Nebraska, first seeing the light of day in Valley county, and is a son of Barney Weare one of the best known men of Valley, and well and favorably known by many of our people.

The Northwestern believes Walt Weare is the coming county clerk of Sherman county and will honor the office to which he aspires.

Dastardly Deed.

Complaint was filed with County Attorney Mathew last Saturday by Henry Reiland of Bristol township against some half dozen boys of that township, names of whom were given but we refrain from publishing same at present, for the defacing of tombstones in the Bristol cemetery, and the trial will take place before County Judge Pedler some time next week.

The boys named, with the aid of a hammer or other iron instrument, chipped off and defaced the tombstones, destroyed the inscriptions, and caused to be destroyed all but about four of the over sixty tombstones in said cemetery, and the good people of that section are thoroughly aroused and angered over the wanton work of the boys, which if proven will undoubtedly place them in the reform school.

The boys are from 10 to 15 years, and one could hardly conceive that boys of that or any age could be guilty of such an outrage against the finer feelings of those who have loved ones resting in that sacred place.

Intense excitement was occasioned last Thursday afternoon when a runaway team with a little girl clinging to the buggy, dashed through our streets, but which fortunately ended without serious results.

The matter of paying the claim of W T Gibson for building ice breakers and Reinertson bridge in Scott township in 1906 amounting to \$1078.30 was called to the attention of the board by Attorney R P Starr and the following resolution was presented to the board for adoption:

Whereas, on the 9th day of January, A D 1907, there was filed with the county supervisors of the county of Sherman, state of Nebraska, the bill of W T Gibson, in the sum of \$512.24 for work and labor and material furnished, rendered and delivered to the said county of Sherman, state of Nebraska, which said claim or bill was by the then board of supervisors allowed in the aforesaid sum, and warrants ordered drawn in payment thereof, which said warrant was thereafter duly drawn, signed and countersigned by the proper officer of said county, and which warrant was thereafter withheld and not delivered

to the said W T Gibson, by operation of the laws of the state of Nebraska, as announced in an action had in the district court of said county, wherein the said W T Gibson was plaintiff and the county of Sherman, state of Nebraska, a party defendant.

And whereas, thereafter the 31st session of the legislature of the state of Nebraska, there was passed and enacted into law a bill entitled "An Act for the Relief of W T Gibson," wherein the county supervisors and officers of the county of Sherman were authorized and empowered to pay to said W T Gibson the said sum out of funds belonging to said county.

And whereas, the county supervisors of said county are desirous of paying said claim, or sum previously allowed on said claim, in the sum of \$512.24. Now therefore, be it resolved—That the county of Sherman, state of Nebraska, by its Board of Supervisors and other officers pay to said W T Gibson the sum of \$512.24, and be it further resolved that the county clerk of said county of Sherman, state of Nebraska, ex-officio clerk of said board, be and hereby is directed to draw, issue and deliver to the said W T Gibson, a county warrant for the sum of \$512.24 upon the general fund of said county, and be it further resolved: That the chairman of the board of county supervisors is hereby directed to sign or countersign said warrant in the manner provided by law for the signing of county warrants; and be it further resolved: That a copy of these resolutions be spread at large upon the minutes of said board together with the vote thereon.

A similar resolution was introduced as the above in regard to the payment of \$560.00 for the ice breaks, and after considerable discussion a motion was made by Brown, seconded by Thode, that the above resolution be adopted and the said claims of W T Gibson be paid. Whereupon the chairman ordered roll call, which showed Brown and Thode voting yes, and Rowolinski, Peters, Jakobs, Allen and Dewep voting no, and the resolution was declared not carried.

The application of Chas. Jamrog for a license to sell retail malt, spirits and vinous liquors at Schaupp's, on the northwest quarter of southwest quarter section seven, township 15, range 13, was received and the petition accepted and ordered advertised.

Henry Thode was on motion instructed to have the prairie dogs killed on the poor farm.

The board went over the fee books of the County Treasurer, Clerk, Sheriff, Superintendent and Judge and the following shows the fees collected for the six months ending July 1st, 1909: County treasurer, \$1165.40; county clerk, \$1228.51; sheriff, \$95.90; county superintendent, \$48.00; county judge, \$444.05.
