this field. In language and grammar he has explained common sense methods of teaching the correct use of language and devices to illustrate the proper teaching of grammar. Each afternoon, lively discussions of school problems occur in the round table. On Monday problems of the first day of school were discussed and this was followed by discussions on the teacher's relation to the community. A question box stands on the desk in the lecture room and every teacher has the opportunity to raise any question for discussion.

Prof. Searson has especially emphasized the general survey in history, also the study of biography, story telling, map work and topic of exercises on how to assign the reading lesson properly, and then
