Wedding.

There will be a quiet wedding at the court house in the early part of November. W. C. Dieterich and C. F. Beushausen will be united for two years, John Minshull tying the knot that will make these two hearts beat as one. But it is our private opinion, publicly expressed, that this wedding will never take place, as Walt Wear will be elected county clerk by 117 majority. - CONTRIBUTED.

Of course, Sheriff Williams will be re-elected by a larger majority than ever. That's a cinch.

Next Tuesday will be election. Every voter in the county should go to the polls and express his preference.

The farmers will see that Joseph Daddow is elected treasurer. They always elect a farmer for treasurer, and they will elect Farmer Joe.

Farmer Geo. Holmes for county judge. That is the slogan of the farmer voters, and why should not the farmer voter, with his great majority vote take the cake?

Vote for Walt Wear for county clerk. If you vote for Dieterich, the pop-demo candidate for county clerk, you vote for Beushausen for deputy clerk. Do you want two to four more years of Beushausen in the county clerk's office?

We see by the Lincoln Star of the 22nd instant, that Clifford Rein, who is attending the State University, has been selected as one of the debating squad of the university for the coming season. We believe Clifford will make good, and his host of friends here will watch with pride and satisfaction and with full belief in his forging to the front.

Beushausen and his Times-Independent has been playing all during the campaign the game of prejudice, with the view to cause the defeat of the republican ticket, or part of it, by arousing the anti-Gibson sentiment. He has played the game for all it is worth, but we do not believe republicans will play into his hands by any such dishonest campaigning on the part of the Times and its editor. The republican candidates are such by every honest impulse and belong to no faction, but are the candidates of the party at large. Shame on Beushausen and his organ for such unfair work. Elect the republican ticket and put to rest such tactics on the part of the would-be future deputy clerk and his mouth-piece.

Wiggle Creek

The Ladies Aid met with Mrs. Ernie Bell last Thursday. They will serve oysters in the afternoon and evening of election day. Charley Haller sent them word to have eight stews for him and he would eat them all and pay 25 cents apiece for them. Turn out gentlemen, so you can help take Charley home.

Fred Johnson has been doing some good work on the valley road near Fred Daddow's.

Corn husking has begun on the Creek and we will soon hear of the 100 bushel a day men. Corn is of good quality and the yield is good.

Wiggle Creek has not been able to secure a machine to do their threshing yet, but Mr. Beccard of Austin is to be here soon.

Frank Casteel's brother-in-law from Iowa is here on a visit.

The box supper last Friday night was well attended and enough was realized to start a library, which should be in every school, and could be if they would give a supper and the people in the vicinity would turn out as they do on Wiggle Creek and help them. A Literary society was organized after the supper and if the young people on the creek will take hold and help we can have the most interesting literary we have ever had.

Austin News

Everything seems to be moving along finely, everybody being well as far as your scribe knows.

Threshing and corn husking seems to be the order of the day. Potatoes are not a large yield but of good quality. Corn is making 25 to 50 bushels per acre, wheat 15 bushels and upwards.

Wm. Couton left last Monday for Dakota and Wyoming with land-seekers. Billy is getting to be quite a real estate dealer.

Mrs. Emma Maak returned today from the hospital at Grand Island, where she had been nursing a broken toe and strained knee which she received in a runaway accident.

George Lewis of Boelus spent Sunday with his father-in-law, Willis Fulliton.

H. A. Beccard of Austin is west of the river threshing and Pete Ogile is cleaning up the bottom on this side.

Last Sunday morning Willis Fulliton received a phone message from Ravenna that his old friend and neighbor, Mrs. Chas. Grim, was dead, and with his wife drove to the home four miles south of Ravenna to attend the funeral. Mrs. Grim was one of the pioneers of Nebraska, coming to Butler county in 1868 and settled near Ullysses, moving to their present home some three years ago. Mrs. Grim was a kind neighbor and a loving wife and Christian woman. Her door was always open to the stranger and she was loved and respected by all who knew her. Mrs. Grim was 47 years of age, was married to Chas. Grim in 1880 and was the mother of eight children, one dying in infancy, four daughters and three sons still survive to mourn her loss. The remains were taken to the old family burying ground at Ullysses and laid by the side of her parents. Mr. Grim has the sympathy of his friends and neighbors in his great loss.
