TRADE SCHOOLS ARE URGED

Industrial Education Is Advocated in Report Made to Federation of Labor Convention.

Toronto, Ont. - Organized labor's attitude on the vital question of industrial education was set forth in a report to the convention of the American Federation of Labor by the special committee appointed by authority of the Denver convention to investigate the subject.

The committee, of which John Mitchell is chairman, held three meetings during the year in New York, Washington and Toronto.

Toronto, Ont.-If President Samuel Gompers, Vice-President John Mitchell and Secretary Frank Morrison of the American Federation of Labor eventually have to serve jail sentences for contempt of court it will not be due to lack of support from trades unionists. The executive council of the federation recommended to the annual convention that an appeal be taken to the United States supreme court, both in the Bucks Stove & Range Company's injunction case and in the contempt proceedings growing out of it. That the convention will ratify the recommendation seems certain, and that the three labor leaders and their fellow officers will be re-elected for another JAMAICA CABLE IS CUT OFF year is predicted. Eudora, Kan. - Driven to bay by an armed mob, Earl Bullock, the 17-year-old bandit of Lawrence, has robbed the Eudora State bank, murdered a policeman and shot another man, probably fatally wounded himself in an attempt to commit suicide near here.

Bullock attempted suicide following his second robbery of the bank here and his shooting of Fred Starr, cashier of the Kaw Valley State bank of Eudora, who was in the Eudora State bank with his day's clearings. Accompanied by William McKay, 15 years old, of Jacksonville, Fla., Bullock held up the bank. Although Starr offered no resistance to the hold-up, Bullock shot him through the jaw. Snatching more than \$800, Bullock fled, followed by his companion. Each youth had
