nas the following on Senator Millard's rate position:

braska senator is a candidate for re- skoe Selo election and there would be absolutely no chance in the world of his coming back to the senate if he should go astray on the rate proposition. The peror actually had been attacked and Nebraska republicans last year started | that a grand duke had been wounded the habit of indorsing candidates for while defending him; but the Assostate convention, to be held next sum- true. mer, probably will make an indersement for a successor to Senator Millard. Even in case he stands by the administration on the railroad rate proposition Senator Millard will have a hard time coming to the senate again. Among those who will oppose him are Norris Brown of Kearney, present attorney general of the state; Ross Hammond, a well known editor Omaha.

Hinshaw Sees President.

Representative Hinshaw saw the president for a few moments. On emerging from the cabinet room Mr. Hinshaw said it was his positive conviction that a rate bill in strict accord with the president's policy would pass are unralmous in support of the president's position as to rate legislation.'

Senator Dolliver of Iowa, a member of the committee on interstate commerce, talked with the president brief-After his interview the senator remarked when asked about rate legislation: "We are now moving along toward a practically uranimous stand for the president's policy.'

President Silent Until Message.

It developed today that the subject under discussion at the White house conference which was participated in by the president, Secretaries Root, Taft and Bonaparte, Senator Knox and Commissioner of Corporations Garing freight rates. It has been positively decided that there shall be no further expression of the administration's views on this subject pending ing statement: the publication of the president's message to congress in which it is treated

A COPY OF RATE BILL.

It is Submitted by the Interstate Commerce Commission.

WASHINGTON-The senate committee on interstate commerce received a copy of the rate bill prepared by the interstate commerce commission to be submitted to congress for amendment to the interstate commerce law. The members of the committee who were present at the session read the bill, but took no action and adjourned until Friday. The bill is very extensive, covering twentyseven pages of typewritten sheets, and it proposes to amend very materially the present law.

LORD ROBERTS HAS RESIGNED.
