ROBERT J. STARR, J. F. BRUSMUSSEN,  
Secretary. Acting Chairman.

The call for our county republican convention will be found at the head of the editorial page this week. Sherman county is early in the field this year, not waiting for others to lead. Sherman republicans have well defined ideas of what they want and will make a fast pace for their favorite in the gubernatorial race. The NORTHWESTERN has interviewed a large number of the leading republicans of Sherman county, and they are in unanimous accord for our former townsman, Hon. John Wall, for governor, and without the least doubt will give ringing, enthusiastic instructions to their delegation to the state convention in his interest. Mr. Wall needs no introduction at our hands. His life, his principles, his honesty of purpose, and his successful business career mark him as a safe man to place in the office of chief executive of the great state of Nebraska, and the people of Sherman county knowing him as they do, and feeling that he more than any other will conduct the duties devolving upon him in that place of sacred trust to their satisfaction, will do their utmost to see that the convention gives him the right-of-way to lead the republican hosts to victory this fall.

### Rockville Graduation.

The evening of Friday, June 1, witnessed the second 8th grade commencement of the Rockville schools. Under direction of Miss Bessie Coulter and Mrs. H. B. Lay the graduates had been carefully decorated and the stage being prettily draped with laces and an improvised proscenium arch bore the class motto, "Rowing, not Drifting." In front of the stage and immediately below the center of the arch was a large bank of roses and carnations, the latter the class flower within which a tiny fountain played, lending it's liquid music to the enchantment of the scene. All Rockville and vicinity were in attendance to listen to the closing efforts of the class of bright-eyed girls who were neatly attired in white and were, of course, the center of interest. Each rendered her part in an excellent manner, the class history and class prophecy being excellent examples of humor and heartily enjoyed by the audience. Excellent vocal music was rendered by Mrs. Peterson, Mrs. Hill and Miss Shandy of Boles, assisted by Messrs. Shanmelt and Davis of Rockville. Miss Gladys O'Driscoll of Loup City presided at the piano and rendered several numbers in most excellent style. Her performance was highly creditable to herself and a treat to lovers of music. The diplomas were presented by Rev. Mr. Powers of Ravenna, who made a few very appropriate remarks. Five of the Rockville pupils receive 8th grade diplomas, viz: Misses Mary Butts, Ruth Ann Brascomb, Andrea Peterson, Annie Larsen and Mildred Hantsch. The work done in the Rockville schools the past year by Miss Bessie Coulter and Mrs. Anna Lay cannot be commended too highly. The schools were under the best of discipline and the character of the teaching equal to that of any of the schools in the county. Neither of these ladies will teach next year, but the school will, we understand, be in the excellent hands of Miss Marie Coulter and Miss Ida Buss. Rockville is and may well be proud of her school and we hope for a long continuation of such excellent teachers as have been employed for the past three years.

### Rockville Items.

Several car loads of grain were shipped last week from Rocktown. The ball game last Sunday turned out to be rather a sad affair. A few of the boys got hurt and Frank E. Hedglin, the Boelus foot-racer, got a rib broken. The game was in favor of Boelus more than 2 to 1. Quite a number of Rockville people took in the celebration at St. Paul Tuesday. The school picnic last Monday was a grand affair and everyone reports a splendid time. The M. W. A. blow-out last Saturday evening was a grand success and a large crowd in attendance. The Rockville Cornet band furnished the music and supper was served at 12 o'clock. Our camp is coming right to the front. Dan Beushausen is hauling corn to town this week. Andy Wilson was up from St. Paul last week. Chas. Sundstrom rode the M. W. A. goat Saturday night. Frank Sundstrom and Tad Knyi who went to Alliance, returned last Friday because Frank has been sick with the appendicitis.

### Ex-Senator W. H. Conger Dead

The Conger boys received a telegram Sunday that their father, ex-Senator W. H. Conger, was dangerously ill with bronchitis at his home in Edmonton, Canada. On Monday morning, Stewart left for his father's bedside, but when he arrived at Grand Island he received a telegram that his father had passed away Sunday. He went on to Minneapolis where the body was to meet him and will accompany the remains to Loup City, where they will be placed at rest in our cemetery. On the arrival of the body, appropriate ceremonies will be had, notice of which will be given later. The NORTHWESTERN deeply sympathizes with the relatives in their deep affliction in the loss of a loved father, a fellow feeling making humanity wondrous kind, and having lost a dearly loved father, and the passing years failing to lessen our sorrow, the writer can mourn with the boys as one who has suffered a like trouble, and our tears mingle with their's in these sad days. Later—Information comes that the body will arrive in this city Saturday evening of this week, accompanied by Mr. Stewart Conger, who meets the remains at St. Paul, Minn., and that funeral services will take place Sunday, time and place not determined.

### Robert Reimann Killed.

August Reimann received a telegram last Friday from Omaha apprising him of the accidental death of his son, Robert Reimann, employed as head painter at Armour's. The same day, Joe and Mary Reiman and Mrs. S. Thrasher went to Omaha and brought the body of their brother to Ashton, where it was buried in the Catholic cemetery the following Monday. Deceased came to his death by an accident on the bridge between Omaha and Council Bluffs, while riding on the steps of a crowded car, a pole striking him on the head, knocking him under the wheels, badly mangled the body and causing death a short time after being taken to the hospital. Deceased left a wife and three children, besides parents, brother and two sisters here. He formerly lived in this county, and his life was a daughter of Neils Hansen, living six miles south of Boelus. For some reason his family were not notified of his death, and it was only when he did not return home and search was made for him that the body was found at the undertaker's ready for burial as unknown. The dead man's father thinks some mystery is connected with the death, as leaves were torn from a dairy in his pocket and no money was found on the body, although he had several dollars in his possession when he left home to go to the Bluffs to transact business. It is said an investigation will be had in the matter.

### Valley District.

Mr. Berry of Iowa, is visiting his daughter, Mrs. H. Reed and family, Stephen Smalley and G. H. Westcott shelled corn last week. J. A. Bentley, an old soldier from Grand Island, is visiting J. C. Clark's. The infant child of Elmer Babcock near Rockville, has been ill but is reported much better. A dance was given at the home of Mr. and Mrs. G. W. Tangerman last Friday night. A good time reported. Mr. Elmer Babcock has had to replant all of his corn on account of the ground squirrels eating it up. Mr. and Mrs. Tangerman moved in to their new residence last week. Miss Lora Brammer returned home from her school in Ravenna, Friday. Miss Hilda Cook came to make her home with her uncle, Martin Cook. Miss Mabel Simmons is visiting Miss Mae Benton. Mr. Berry and Mrs. H. Reed and family attended the services at Loup City, Decoration Day. Miss Cora Westcott is enjoying a visit at home. Miss Junie and Mabel Gray went to Rockville Saturday returning Sunday. The Valley Center Sunday school is practicing for Children's Day, June 17. G. W. Westcott bought a new hay stacker and will commence to cut hay on Monday of this week. Miss Mae Benton and Hilda Cook went to Rockville Saturday. There will be a ball game Saturday, June 9th, on Mr. Burt's place, south of Loup City. Mr. and Mrs. Burt visited at H. Reed's Sunday.

### Fatal Accident.

A report from Ashton was received this morning that a little 5-year-old son of H. Smelser last evening accidentally shot and killed a little girl playmate named Kolkowsky, while the little fellow was handling a loaded revolver he had gained possession of in some manner. No further particulars up to time of going to press.

### Card Of Thanks.

The Ladies of the Grand Army of the Republic wish to publicly thank the Comrades and all who so generously contributed in making our Memorial Sunday and Decoration Day exercises a success, especially our ministers, Mr. Starr, the band, singers, school children, Mr. Harper, and all who so freely gave the use of their teams and vehicles for the occasion, also Mr. Fisher and E. Washburn who so ably assisted in the evening.

By Order of President.
