Aosta and the local officials ascender Mt. Vesuvius to lay the cornerstone e the new village of Ottajano. The affat: was marked with great enthusiasm ; large number of people from San Guis seppe, Somma, Santanna and other vil lages injured by the eruption of the volcano last April witnessing the cere mony. The weather, however, was un favorable, there being a heavy rain torm, with lightning and thunder, and the heat being oppressive.
