A Great State Fair. The republican state convention at Contracts have been secured by Lincoln last week put up a ticket in close touch with the sentiment of the Secretary W. R. Mellor of the state people at this time. It is one of the strongest tickets ever placed before the people of Nebraska, and one that will win by the largest majority given any party in this state for, a decade. While the ticket as a whole was not in perfect accord with the wishes of the Sherman county delegation, yet there are no sore spots and we can state fair or anywhere else, so far as un give it our heartiest support.
