A. E. Brush and family of Cleveland, Ohio, arrived in Loup City last Friday, intending to make this their future home. Mr. Brush was formerly a resident of Loup City, leaving here some twelve years since. The gentleman is a first-class carpenter and will ply his trade here. He is a brother of Mrs. F. F. Foster of this city. Our people will bid them a cordial welcome.

The services at the Presbyterian church last Sunday were of an especially interesting character. In the evening, Pastor McEwen was at his very best on the subject, "The Up-to-Date Young Man," and dwelt very fully upon the immorality of men of today, especially in regard to the senseless habits of swearing, gambling, etc., showing the correct individual avoids these and tries to uplift himself into a purer atmosphere. The singing by the choir, especially the anthem and the song by the Regale Quartet, was most highly appreciated. The solo by Miss Jessie Culley was very pleasing and gave evidence that Miss Culley has a voice of much power and sweetness of tone. Lovers of good music and of logical and intellectual discourses on religious matters can spend a very pleasant and profitable hour at this fine church.

Narrow Escape From Death.

Fred Foster narrowly escaped death last Saturday night about 11:30 on the U. P. tracks just south of the city. He had gone Saturday afternoon with his train as far as Danneberg, when he let the train go on to St. Paul while he returned to Loup City to spend Sunday at home, propelling a tricycle over the route. When his train reached St. Paul, the engine was ordered to return and bring the motor into Loup City, having been derailed between Bealus and Rockville. The engine passed Fred on its way in, he getting himself and tricycle off the track to let it by and then resuming his journey. When the engine reached Loup City it turned and had but reached a short distance below the yards when it ran into Fred and his tricycle, hurling them from the track, demolishing the machine and badly injuring Mr. Foster, breaking one of the bones in his right shoulder, injuring him severely on the right side and rendering him unconscious. It seems Mr. Foster was trying to make the switch at the lower end of the yards ahead of the engine misjudging the time and distance from the switch. The engine crew picked the wounded man up and brought him into the city, where the company's surgeon examined his injuries and found them as stated. While his injuries are of a serious character and will confine him to the house for quite a period of time, no fear of fatality exists. The North-western and his hosts of friends here and elsewhere will deeply sympathize with Mr. Foster over his unfortunate accident.

Broke His Wrist, in English.

Monday, Ed. Roszczyński, who was working on Ed. Zakrzewski's new barn north of town, fell from a scaffold some sixteen feet, producing a solution of the styloid processes of the ulna and interfering with the attachment of the triangular inter-articular filio-cartilage, also fracturing the radius at its lower third. He will recover if he don't find out how serious it all is.

Funeral of Gottlieb Laier.

The funeral of Gottlieb Laier, the unfortunate man who lost his life under peculiar circumstances a week ago, was held at the Baptist church last Sunday afternoon, Pastor Wold preaching the funeral sermon before a crowded house, after which the remains in charge of a large body of our German friends was taken to Evergreen cemetery and laid to rest with their beautiful ritual ceremony. A very large number from different parts of the county were present.

Sight after 15 Years' Blindness

Charley French is the happiest man in Loup City today. Some two weeks since he went to Omaha to be treated for failing eyesight and returned last Friday night able to see plainly with his right eye which has been totally blind for the past fifteen years. Charley may well be happy over his great good fortune.

Infant Child Injured.

The infant child of John Czaplowski met with a peculiar accident Monday. The baby was sitting in a rocker and had its right arm through the rounds of the chair when it slipped off breaking the arm at the elbow.

Abscess on the Lungs.

The many friends of Albert Anderson, just east of Loup City, will be pained to learn that he is suffering from an abscess on his lungs. We trust he may speedily regain his health.

Omaha Elevator Co.

will buy hogs at Austin elevator, on Monday and Tuesday of each week. Highest price paid. 2-8

Loup City Not In It, Thanks.

"Twenty-nine of the largest cities of the world are doomed. Earthquake, flood and fire will wreak the vengeance of God on the cities and their inhabitants within the next twenty-four months. This wholesale destruction is to be God's judgment on four nations." The doomed cities in this country are New York, Albany, Buffalo, Detroit, Boston, Philadelphia, Washington, Richmond, Pittsburgh, Columbus, Indianapolis, Cincinnati, Louisville, Nashville, Milwaukee, St. Louis, Chicago, St. Joseph, Mo., Lincoln, Neb., Omaha, Des Moines, Council Bluffs, Sioux City, St. Paul Minneapolis and Denver. The prophecy is made by Edmund Scribner Stevens, seventy-two years old, the well known prognosticator of events and an astrologer of no mean ability. For more than twelve years Mr. Stevens has been a student of the history of the world. Since last May he claims to have been the recipient of telepathic messages and to have made several true prophecies. Mr. Stevens said:

"The world is in the throes of an upheaval which will eventually rip the earth and make the north pole north and the south pole south, instead of having the earth's axis on a slant. That upheaval will cause flood, fire and earthquake, and most of the large cities of the world are going to suffer: some of them will be destroyed."

"Within the next two years twenty-six cities of the United States and London, Paris and Rome will be destroyed."

New York City, the aged oracle says, will be swallowed up in the gaping maw of an earthquake crack and Chicago and Milwaukee will be wiped off the map.

Big Bargain Week.

During the week of December 21st to 28th inclusive, The Nebraska State Journal will accept \$3 from mail subscribers for the whole year of 1907, without Sunday, or \$4 with Sunday the regular price is \$4 and \$5. This cut price is only good during this Bargain week, and all you have to do is to mail your remittance to the Nebraska State Journal, Lincoln, Neb., during that time, and you will receive the paper the whole year of 1907. Such a cut price is possible on account of large savings made in taking solicitors off the road. Instead of paying out railroad fare, hotel bills and other expenses, these savings are given to our subscribers direct by this big bargain offer. The coming session of the legislature will be the most interesting one ever held in the history of the state, and no matter what your politics are you should read the State Journal during this time. Reforms will be made in our present laws, reforms that interest you in dollars and cents. No matter what other papers you are taking during such a session of the legislature, you should be a Journal reader. Write a postal asking for a sample copy. The Journal stands for all that is best for Nebraska and wants you to feel that whatever is for the public good is for its good. There is a new deal in Nebraska governmental affairs, and you should be watching every move. Farmers and all the other producers of the state are vitally interested in what will be done at Lincoln this winter. Remember the Bargain Week December 21st to 28th. The Journal is the paper for you.
