Hood River, (Ore.) News Letter There is a tale of a cow at Kelso that swallowed a watch, which reads

For seven years Axel Olson's watch reposed in the stomach of a cow. It kept running all that time. And in the seven years it lost just three minutes! Axel says he is telling the truth, and he has the watch to show for it. He's a rancher on the upper Coweeman, and came to Kelso yester-Secretary Taft gives it out solid day with a remarkable tale. One day that he is not, nor will be a candidate seven years ago a playful calf found Axel's coat and vest hanging on a post in his barnyard. The calf didn't come from Harlem, but the vest looked palatable so it chewed away at the garment until the proket was cut through and the watch slipped down Congress has "set down" on Roose- its throat. Then the calf innocently velt's simplified spelling idea and sauntered away and Axel couldn't voted all government printing shall find his watch. He didn't notice the be spelled in the old way, to all of telltale marks on the vest and supposed it was stolen. The calf grew into a matronly milch cow, and still When society women with collossal the watch stayed in its stomach. incomes claim their allowance of Last week Axel slaughtered the cow \$200,000 per year will not adequately who had outlived her usefulness. A dress them, the wage earners begin glitter in her stomach caught his eye. It was his watch! He was more surprised to see that the minute hand Omaha Elevator Co. was running as if nothing had happened. The time-piece was really unharmed, though the case was Highest price paid. Union. It used to boast of having tarnished. He accounts for the phenomenon by saying that the watch was a stem winder and lodged in the The millionaires and multi-million- respiratory tubes. Every time the aires of this country have had a big calf breathed the stem turned and the watch was kept wound up those
