PROPER CARE OF CLOTHES.

Time Well Spent in Keeping Belongings in Order.

We all like good clothes and the feeling of being well dressed. It is not entirely a question of money; it is also a matter of detail and of giving a small portion of our time to keeping our belongings in order. No matter how expensive or well fitting one's dress is the appearance is spoiled by a soiled stock or piece of lace or a

crushed and frayed skirt. Just stop and think what a saving of time and money the short skirt is to a woman, especially the busy woman. No skirt braids need renewal; no frayed edges give her an untidy appearance.

and think what an improvement a good pressing would be to it. This can be done very easily at home and should be done every week or two. Place your skirt on a covered ironing board and have handy two hot irons rather heavy in weight; now cover the portions to be pressed with a thoroughly wet piece of unbleached muslin folded double, and when pressing don't move the iron too quickly over it, but press unfil the material stops steaming.

glazed spots sponge lightly and press again. This repressing, when damp, will form steam that will remove such
