This institute in order to introduce their new Medical Discoveries and X-Radium System, sends at its own expense these eminent specialists to give to those who call on the above date, consultation, examination, advice and all medicine required to complete a cure, absolutely free.

These specialists will diagnose your case and give you the benefit of their medical knowledge. There is no experimenting or guess work. You will be told whether you can be cured or not. If your case is curable, they treat you; if incurable they will give you such advice as may prolong your life.

Their treatment gives quick relief and positively cures. Being prepared to suit each individual case the human system is thoroughly cleansed of the disease in a natural and direct manner and improvement is noticed at once; even the worst cases are treated without any inconvenience to the patient or the pursuing of his daily vocation. If you are improving under your family physician do not come and take up their valuable time. They wish to give each one plenty of time, but cannot listen to long stories not pertaining to your case.

They have discarded the old remedies used for ages by the medical world and which it would be folly to depend upon any longer for they do not cure, as thousands die depending on them for relief.

The fact that these Specialists have discovered entirely new treatments and natural cures, gives them control of the Nervous System, Heart, Stomach, Lungs, Kidneys, Catarrh, Consumption, Epilepsy, Deafness, Male and Female Weaknesses, Cancers, Tumors, Piles and other Chronic Diseases.

They treat deafness by an entirely new method and hearing in many cases is restored at once. Catarrh in all its varied forms cured so it will never return. If you have weak lungs or consumption do not fail to be examined.

All cases treated can and will be cured, no difference who you have seen or treated with heretofore. Thousands who have given up all hope of being cured, now have an opportunity to consult specialists of reputation.

Don't fail to call as a visit costs you nothing and may save your life.

If you suspect kidney trouble, bring a two ounce bottle of your urine for chemical and microscopical analysis.

**REMEMBER:**—The free offer during this visit only and will not be given again. Persons commencing any treatment after this trip will be required to pay, but not one cent will be asked of those commencing treatment during this visit for any medicine necessary to effect a cure; also a positive guarantee to cure will be given to patients accepted under their system of treatment. Those having long standing and complicated diseases, who have failed to get cured and become discouraged, are especially invited to call as thousands who have given up all hopes can testify to permanent cures obtained.

**NOTICE:**—Married Ladies without their Husbands and Minors without their Fathers, will positively not be admitted to examination.

**Give Uncle Lou Another Term**  
Elsewhere in the Northwestern is an item showing that by a law enacted by the last legislature sheriffs will hereafter receive salaries instead of fees. In this case, the sheriff of Sherman county will receive a salary of not to exceed \$1200, to be fixed by the county board. Sheriff Williams has been our peace officer for the past two terms at a salary in fees, insufficient to pay the board of a child, not to say of a man of family, and our people are unanimous in desiring Uncle Lou to again be elected to that important office, when the salary will in some sense recompense him for his loss the past two terms. Sheriff Williams has made one of the most efficient officers ever elected to that position in Sherman county, and it is only justice to again elect him to that office, when the pay has been finally fixed at a living rate. In speaking of this, we have not consulted with the sheriff, nor has he broached the subject to us, but without his knowledge or solicitation, in the interests of justice and right, we want to see him made sheriff for two years more. And we are only one of hundreds of others who feel the same way.

**Four Saloons—\$1,000 License**  
The old village board met at the village clerk's office, Tuesday forenoon of this week, closed up their books and gave way to the new board. Whereupon the new village board organized by cussing in the tenderfoot members, selected R. P. Starr for city attorney, W. J. Fisher for clerk and settled the saloon question by granting licenses to four saloons, namely, that of T. H. Elsner, M. C. Mulick, Cords & Graefe and Fred C. Herschlag, raising said licenses to \$1,000 each. The board then adjourned till evening, when it met to wrestle with the other problems before it. Jim Burnett was selected marshal at \$60 per month, to also attend to the duties of street commissioner, and Harry Jenner was re-elected water commissioner at \$40 per month. An order was promulgated to enforce the closing of the saloons at 11 o'clock each night. Other routine business was transacted, the details of which we are not informed.

**A Dog Dentist Needed.**  
Again the Northwestern wishes to call the attention of the village board and the marshal to the number of worthless curs in our village, some of which have well developed vicious habits, sort of cannibalistic tendency, so to speak, which should be curbed before any more people are bitten by them. If something is not done soon to weed out a few, we may not be surprised if the Omaha experience with hydrophobia is reproduced here on a small scale.

At the coming State Fair, the first week in September, there will be a new classification for County Collective Exhibits. The state has been divided into three districts, the Eastern being the counties lying east of the west line of Knox, Pierce, Madison, Colfax, Butler, Seward, Saline and Jefferson counties. The Central being the counties lying west of said line and east of the west line of Boyd, Holt, Garfield, Custer, Dawson, Frontier and Red Willow counties and the Western being all the counties lying west of said lines.

Twenty-five Hundred Dollars is set apart for premiums. All exhibits to participate in the premium money must score sixty per cent of the highest score in their particular district, by Ream Score Card. All exhibits scoring above sixty per cent. will participate equally in \$1410.00 (being 60 per cent of \$2350.00), and in \$840.00 pro rata, according to the number of points above the minimum.

In addition to above, \$50.00 will be awarded to each exhibit scoring the highest in its district. Lancaster county is allowed to exhibit under a handicap of 100 points. William James of Dorchester is Superintendent of this department.

The recent session of the State legislature passed a law which is now in full force and effect which prohibits the buying, selling or barter of any wild game within the state. It provides a penalty for hotels or restaurants that serve wild game at any season of the year, and it is prescribed as unlawful for anyone to have game in their possession five days after the season closes. The law also includes fish, but only applies to fish taken from the public waters of the state, and does not exclude fish that has been shipped in.
