## Loup City Mercantile Co.

G. H. Lindall came up from Kearney Tuesday evening to look after his financial interests.

A. L. Zimmerman last Saturday received a car of cedar lumber and posts from his son Archie, down in Virginia.

If we are correctly informed, Miss Hessele Crews, one of the popular teachers in our city schools, is the fusion nominee for superintendent of schools in Hitchcock county, winning the honor at the recent primaries. If Miss Crews is as popular at home as she is with the pupils, teachers and patrons of our public schools, there is liable to be a vacancy in her department the first of the year. Miss Crews is a very able instructor and has won the highest praise from her associates and the pupils under her charge for the able and efficient work she has done here, and should political lightning place her in the important position above named the educational interests of Hitchcock county will be in most capable hands.

The Kearney Presbytery and Sunday School Institute in session at the Presbyterian church in this city on Monday, Tuesday and Wednesday was very interesting and instructive and gave added zeal to the church. Some twenty-five ministers of this particular Presbytery were present. We were unable to be in attendance on the sessions, hence are unable to publish any account of the work done this week but may be able to furnish summary next issue. The members of the Presbytery were entertained by the congregation and passed eulogistic resolutions over the moral hospitality accorded them. Much praise is justly due Rev. McEwen for his untiring efforts, and to his church for their efficient aid, in making the sessions so markedly successful.

### Our High School.

The Loup City schools opened on Monday, Sept. 9th, with the following teachers: Mr. Raymond E. Dale, Sup't.; Miss Abi Beynon, principal; Miss Inez Fries, assistant principal; Miss Bess Crews, grammar; Mr. A. M. Young, second intermediate; Miss Margaret Naumann, first intermediate; Miss Henry Young, second primary; Miss Nettie Conger, first primary. On account of an accident sustained about a week ago, Miss Naumann will be unable to take up her duties until next week and Miss Meroe Outhouse is supplying her place. The total enrollment for the first day was 255, 60 of these being in the High School.

Since school closed last May, the building has undergone some changes. The first intermediate room was put in two and the smaller of the resulting rooms is fixed up as a laboratory for high school work. All the rooms have had a fresh coat of calcimine, the upper rooms in a cream tint, the lower rooms in blue tint. All now are fresh and cheerful so that both teachers and pupils feel more like doing good work. The class room upstairs has been provided with desks instead of chairs as formerly.

Our high school opens this year with a larger enrollment and a more complete course of study than ever before. Last year the school was accredited to the University of Nebraska, and in spite of the fact that there were only two teachers, 25 points were given last year's class, more than are usually given under similar conditions. It is expected that the class which graduates this year will receive 28 points, full credit to the University. It may be that some do not understand just what this means. When a person has credit for certain subjects at the University of Nebraska, he is not required to take other school, he may enter that school without being examined in those subjects; when he has full credit he may enter the freshman class without examination. High schools accredited by the University of Nebraska receive the same number of credit points from all the other colleges in the state and from the greater number of colleges outside of the state. Accreditation depends on many things, a good library, a well equipped laboratory, teachers who are graduates of recognized colleges or normal schools. The high schools in this county and over visits the schools on the accreditation list, suggests changes that are necessary and reports the condition of the school to the proper authorities at the University of Nebraska. All these schools are recognized by the State Superintendent under the free State law as having the same credit to receive non-resident pupils and receive tuition as provided by that law.

Loup City High School should be proud of the fact that out of the eight students who have graduated from the four-year course, six have entered or are about to enter college. Rarely can a high school show 75 per cent of its graduates as entering higher schools.

### Austin News.

Mr. Jack and sister, Mrs. Orin Goodell, and sister, Lela, took dinner at Mr. Fullerton's Sunday.

Mrs. Pete Ogle was quite sick at the home of Mrs. Dan Carpenter a few days last week, but is better at this writing.

This community gave a farewell party to Mr. Lee at the family last Saturday night. A large crowd attended and everyone had a fine

### Wedding Bells.

We are pleased to note that Miss Rae Harris, who will be remembered as one of the most capable teachers of the Loup City schools ever had, was married Tuesday, Sept. 10th, 1907, at the home of her uncle and aunt, Mr. and Mrs. G. W. Marvel, eight miles east of Loup City, to Mr. E. A. Searle, of Wallowa, Oregon. Resigning her position in our school a year since, Miss Harris went to Wallowa, Oregon, for a protracted visit, and it was while there she became captive to cupid, the little winged god, and the uniting and cementing of the lives of Mr. Searle and his fair bride comes as a fitting sequel. Immediately after the ceremony, Mr. and Mrs. Searle left for their future home at Wallowa, Oregon, where they will be at home to their friends after Sept. 25th, visiting at Denver, Salt Lake City, and other points on the way. The Northwestern feels an especial interest in the happy couple and shall always hail with pleasure their great happiness and prosperity. In this we are joined by the hosts of friends Mrs. Searle has made during her stay in Loup City and Sherman county.

### Reunion After 36 Years

A very pleasant reunion of sisters and brothers and their families occurred in this city last Saturday evening and Sunday. The celebrations occurred at the home of the two resident sisters, Mesdames Henry and Searle, and from the fact that it is the first reunion in thirty-six years, our readers will realize the great spirit of the meeting. Only one was absent, Mr. Will Todd of Burwell, who was unavoidably detained on business. The brothers and sisters present with their families were: Mrs. M. E. Parr and daughter of Chicago, J. T. Todd and daughter, of Farwell; E. B. Todd, wife and daughter, of Ord; C. W. Grady, wife and daughter, and F. M. Henry and family of Loup City. Mrs. Parr and daughter will remain for an extended visit, but the Messrs. Todd and Grady's family remained only over Sunday. May Loup City be the scene of many more pleasant reunions of families.

### No Epidemic of Sickness

While the Northwestern is willing to acknowledge an unusual amount of sickness in our midst, yet we protest against the report that is going out to the effect that there is an epidemic of typhoid fever in existence here. The Northwestern does not nor has tried to keep hidden or in the dark cases of illness here, yet it is not true we have the multitude of cases of sickness as reported, and more than that we have not an epidemic of typhoid fever here, merely a number of cases of illness, most of which may be attributed to what is termed "summer grip," or aggravated colds, hay fever, and the like, and but comparatively few cases of typhoid, if any at all, as the great number of our people are inclined to doubt. Stories circulated as above have a tendency to keep people away from Loup City and are erroneous. Whatever sickness there may be is not of a contagious type, and might better be termed a sort of "grip." The cases lack the essential features of typhoid, and the fact that there is no more sickness in and about Loup City than in our adjoining towns and throughout the state, all reports to the contrary notwithstanding.

### Clerical Items.

Mrs. Ransin is quite sick. Mr. Shipley's son-in-law is here visiting.

A Mr. Stewart will be our pastor for the coming year.

Everybody get your bells ready, as we hear there is to be a wedding soon.

A number of the young people gave Fred Shipley a neat surprise on his 25th birthday anniversary.

Mr. Phillips of Aurora was calling on friends here last week and the fore part of this week. He owns land near Loup City.

The Clerical Aid Society meets with Mrs. S. Foss today to re-organize, and all who cannot be present come and join us later, as we want all the ladies who can to join us.

### Along R. R. No. 1.

Thos. Parsley shelled out a crib of year before last's corn. He has one crib of 700 bushels which he intends holding.

Mr. Bert Johnson is visiting at Meadow Grove, Neb., this week.

L. Domgard and family went to Loup City Monday to meet some friends coming on the motor and had to sit up all night at the depot, the motor being late.

Miss Grace Cram of Aurora is teaching in the Apple district this year.

John Nelson of Blair, Neb., is visiting at the home of L. Domgard.

Fritz Leschinsky was completely surprised Sept. 4th, it being his 18th birthday. About fifty young people surrounded the home and took possession of him, as were on their way home as early as 4 a. m.

It seems good to see the children going to school along the route again.

Miss Carrie Douglas is teaching the Moon school again this year and has a large attendance.

H. Coppersmith, Joe Kowalewski, S. Foss, W. K. Krater, E. W. Jackson, Max Leschinsky, S. Youngland, H. Burger and Bert Johnson all gave the carrier some fine eatables from their farms this week.

Hay! There never was so much hay put up in any one season as there is this year in Loup City and it all went into the stack without any rain on it.

Harry Shipley took dinner with his father and mother Sunday.

Hay land on Clear creek rented for 50 cents an acre this year.

W. H. Crorey's baby is yet very ill.

There was a very heavy frost on Clear creek Monday night, ice forming on water standing out doors.

Miss May Adams is teaching the Elm school this year.

F. H. Hiser was out on the north line of the route Monday.

Mrs. Horn returned to her home at Phillips, Neb., Wednesday, after a two weeks' visit at W. T. Clark's.

Ross Warrick and wife were early callers in Loup City Tuesday.

Mr. Weedon will soon build a large barn and chicken coop on his farm.

Frost on Clear Creek killed all the tomato vines Tuesday night.

A party was given at the home of S. Youngland last week on their son, Arthur Youngland.

Frank and Jake Zwick commenced threshing on Hayes creek this week.

Now is the time to sow winter wheat.

John Blaschke is very sick again.

Frank Blaschke has bought a farm on Clear Creek and will move there in a few weeks.

Sam Foss has rented the old John Fowler place near Round Grove and is putting in fall wheat there now.

John Jackson is working at Warrick's.

O. G. Hunt was in Loup City last Saturday to have the plaster cast

### Funeral of Edgar Hawk

The funeral of Edgar Hawk took place from the M. E. church last Sunday afternoon. Rev. McEwen of the Presbyterian church in charge assisted by Pastor Guernsey of the Baptist church. There was a large attendance of friends of deceased to pay their last sad respects. The mother of deceased was absent, word failing to reach her of the death of her son.

### Card of Thanks.

We tender heartfelt thanks to the many friends who have given of their kindly offices during the illness and subsequent death of our brother.

WM. HAWK,  
EDWIN HAWK,  
MRS. ETTA SNEYDER,  
MRS. NELLIE BRUSHHAUSEN.

I wish to inform the people of Loup City, adjoining towns and counties that I am prepared to put down hydraulic wells, also repair wells and give satisfaction. Phone 5 on 12.

## THE STUDEBAKER WAGON

is built from first-class material down to the minutest detail. The slow-growing, fine-grained, tough-fibered black birch from the rocky hills of New England is used in the hubs, select white oak is made into spokes and felloes and choice second growth, but cut hickory is used for the axles. Every other part as carefully selected. The skains, tough and hard, are forced into place on the axles under 100 tons pressure. Studebaker slope shoulder spokes are driven into the hub under the same tremendous pressure. Best and toughest iron and steel strongly reinforces every part where needed. The Studebaker is
