SUMMER MATERIALS NOW ALL decorative in the extreme. REDUCED IN PRICE.

Fouland Silks Probably One of the Best Purchases That Can Be Made-Practicable Costume for Every Day Wear.

The first of May sets the pace for the reduction of all summer materials, for by this time those who follow the fashious to the letter are provided with the season's costumes. The reduced materials are then for the late buyer, she who was frightened at the first of the season by the high prices. or for those who discover, for some reason or other, that they need extra

These ladies will do well to consider the foolard silks, for all of these are at least one-third cheaper than with the beginning of spring, and sandwirhed in with the better qualities there are weaves displayed as "special," which is to say, the silks go verily for a song.

The striped screes that are so much employed for the cost suits that are useful all during the summer-especially at out-of-town resorts-are often reduced to one-half their former prices. The hip length cost, or Russian blouse model, is much used for these practicable and stylish textures. the gowns needing only a touch of braid or satin contedge for comple-

For little one-piece frocks, which will be worn for any and every occasion, there are veilings of cotton and silk so pretty, airy and stylish that there seems no excuse for the woman who can sew not to be well dressed this summer, for such materials often go for 39 cents the yard, and tucking, or the least ribbon banding gives them a luxurious stamp

Lastly there is the shirt waist skirt. a thing of such vital importance that it would be impossible to discuss summer fashious or materials without considering it. The models for such skirts are short and plaited and many show & cutting up of the material in the way of panels that seems almost patrhy. Nevertheless the general effect is always good-for Dame Fashion always seems wiser than you feel yourself to be-and, compared with

The evening phase of a smart gown I have shown before and here are plered the guimne and onder sleeves which make the style practicable for day wear. The skirt and bodice foundation are of plain colored messaline the prevailing color. and the overdress, which is in one piece, is of all-over figured net, with a band in wool embroidery. As to this decuration, it is made by a net foun-

dation-big boles through which is drawn a triple zephyr in oblong rings which will tear the hem unless the and knots, the effect of the simple housewife's own hands remove them garniture, which is hand made, being from their position.

If the skirt of this dress were made walking length the model would do second clean bath of clear cold water for any day service, but here the long to take out the collection of soot and fall of the skirt suggests the smartest

Here is a story about a diplomatic negro waiter; also about two wellknown Kansas men, who can go by the names of Smith and Jones, just to

tell the varn Smith and Jones look much alike and are frequently taken for each other. One day Smith was in a certain big hotel not a thousand miles from Kansas City and went into the dining room for dinner. The negro waiter busily brushed off the crumbs and said: "Why, how is you, Mr. Jones, how is you? I's glad to see you. I hasn't seen you since I waited on your table when you all used to have a little game upstains."

"I'm fraid you are mistaken," said Smith, very quickly. "My name isn't Jones. You have the wrong man."

"Nuff said: nuff said." smiled the negro, with much bowing and scraping. 'Ah knows all right when to keep mah mouf shet; Ah knows all right, Mr. Jones."-Kansas City Journal.

Her Laugh Broke.

She was a little fairy of seven, with eves like diamonds and hair like spun gold, and she was romping with a half dozen playmates. Touching a finelooking youngster on the shoulder. she challenged him with, "You can't catch me." Off they started, she twisting and dodging with the dexterity of a half-back on a football team, and he following her every movement in close pursuit. The excitement of the chase made her scream with laughter. The little fugitive finally brough up against a fence, breathless and panting, and her pursuer, throwing his arms about her, shouted: "There, I've caught you!" "Oh, yes," gasped the little fairy, "but it was 'cause my laugh broke and I couldn't run any
