Obituary

We are pained to chronicle this week the death of Loren G. McFadden, the youngest son of Mr. and Mrs. George McFadden of Webster township. Loren G. McFadden was born Nov. 22, 1898, and died Sept. 26, 1910, being in his 12th year, after a lingering illness of months' duration, caused by cancer of the bones of one shoulder, and which gradually spread through his body. The fond parents had taken the boy to various eminent specialists and everything in human power was done to alleviate the suffering and disease, but to no avail, and death came as the only relief to the poor racked frame of their darling boy. Besides his parents, a sister and two brothers mourn his loss. The funeral was held from the home on Tuesday afternoon, Rev. Harper officiating, and the remains were laid to rest in Evergreen cemetery, a large number of friends of the family attending their sorrow and respect by being in attendance.

To the many friends and neighbors who have so freely given of their sympathy and assistance during the illness and death of our loved one, we desire to extend our heartfelt thanks.

GEORGE McFADDEN and FAMILY.
