

Our Vaults Are Absolutely Fireproof

A Safe Deposit Box of sufficient size to hold a large number of notes, deeds, leases, abstracts, mortgages, contracts, receipts, insurance policies, wills and many other documents that should, by all means, be kept in a safe place, may be rented for ONE DOLLAR PER YEAR.

If you will come to the bank we will be pleased to explain the plan fully, but don't wait too long, as more than half of them are rented already.

We shall also be pleased to show you our new "tisco" manganese steel, burglar proof chest, encased in a fire proof jacket. It will surely interest you.

Our calendars for 1911 and a map of Sherman county will be on hand by January 1st, and every customer or prospective customer of our bank is cordially invited to call and get one.

An alarm of fire Wednesday morning shortly after 7 o'clock, proved a call for a small blaze in the roof of the residence of Wm. Rowe, caused by a defective flue, which was extinguished with the assistance of the fire ladders, before further damage had been made than a small portion of the roof burned. When the alarm was given the family were in utter ignorance of the danger until apprised of the fact by a call from a neighbor. A little later and it is probable the fire would have destroyed the home entire.
