Right now is a good time to put your business on a systematic basis. After once you have used the check plan of paying all bills, you will realize the risk of the haphazard, lose money in the pocket method you are now using. The old

## C. E. 8th District Convention

The first annual Christian Endeavor Convention of District 8, Nebraska, was held in this city last Friday, Saturday and Sunday. Not many of the societies of the district were represented, but those delegates in attendance were earnest workers of the society of Christian Endeavor and were anxious to get all the good possible from the convention. The delegates were as follows: Margaret Haywood, Ellen Johnson and Agnes Anderson of St. Paul; Myra Boettger, Misses Ollis, Hastings and Knott, and Messrs. Will Ollis and Victor Petty of Ord; Jessie Vian Litchfield, Nona Clifford of Grand Island, Ruth Cole of Taylor, and Miss Lee of Central City. Karl Lehmann, Interstate Field Secretary, was unable to attend owing to severe illness, and Rev. J. H. Salisbury filled his place at Sunday services. Mr. O. K. Fruit, president of the C. E. U. of Nebraska, and presented the state and district work, and outlined the International Convention to be held at Atlantic City the first week of July. Many helpful hints were also given by him for carrying on work in the local society. In his address, "Winning the Laurels", "The New Americanism", and "Not a Living, But a Life", were thoughts that could but arouse in the youth pure and high ideals. In the address, "The Organization and the Individual", given Sunday evening, he hoped to truth that the strength of an organization lies in its compactness, and the consecration and constancy of its members. Those who were privileged to hear him can surely find much help in the application of the suggestions of this "live wire". Under the direction of Miss Lee, state secretary, "Winning the Laurels", "The New Americanism", and "Not a Living, But a Life", were thoughts that could but arouse in the youth pure and high ideals. ## Four years old, Dark Dapple Gray

Season—Mondays, Fridays and Saturdays at Round Front barn, balance of week at farm one mile northeast of town. Terms of service—\$10.00 to insure colt to stand and suck; \$7.50 to insure mare safe in foal. If mare is traded, sold or removed from county, foal bill of same will become due and I will expect immediate settlement. Care will be taken to prevent accidents, but will not be responsible should any occur. As we are using the improved cap-sul system this year, it will be necessary for all mares to be at the barn not later than 4 o'clock, as they must be examined and ready to be bred at 4:30 p. m. each day. Statistics show that this method of breeding will get 30 per cent. more colts than by the actual service of the horse. Bring in your shy breeders and we will breed them for you. Mellor & Johnson.

## Before Purchasing Elsewhere

Please call and see the many beautiful things we have to show you. Prices right and satisfaction guaranteed. Henry M. Elsner, Reliable Jeweler.
