Candidates' Cards

FOR COUNTY SUPERINTENDENT
I hereby announce myself a candidate for
Superintendent of Schools of Sherman county,
subject to the will of the democratic and popu-
list voters at the coming primary election.
R. D. HENDRICKSON.

I hereby announce that I am a candidate for
the office of County Superintendent of Schools
of Sherman county, Nebraska, on the Republi-
can ticket, subject to the will of the voters
at the August primaries. Your support will
be appreciated.
MARY A. K. HENDRICKSON.

FOR COUNTY TREASURER
I hereby announce my candidacy for the of-
fice of Treasurer of Sherman county, subject
to the will of the democratic and popu-
list voters at the coming August primary
election.
FRANK @B@CK.

Proclamation

At request of the members of the
Woman's Unity Club, I hereby pro-
claim, May 20th, as "day",
for the town of Loup City, Nebraska,
and require every resident to thor-
oughly clean their premises, includ-
ing the alley adjoining same.
H. W. PEDLER, Mayor.

Only forty-two applications for
liquor licenses so far in Lincoln and
new ones still coming in.

Mayor Armstrong proposes to en-
force the anti treating law with the
incoming saloons. We understood he
was in favor of 'em?

Custer county is pushing forward
ex-Gov. Holcomb as a candidate for
supreme court justice. Will Custer
county never lay down and keep
quiet?

The Bee is out for Judge Norris
for U. S. senator against Norris
Brown. The Bee is bound the next
senator shall continue to be a Norris
one way or the other.

The Kearney Democrat wants to
know whether "Lincoln fell off or did
somebody push it off into the water
tank?" It looks up this way as if
the "capital removal" ghost scared
it off.

Omaha Commercial Club Trade Ex-
cursion train will arrive in Loup City
over the Union Pacific at 7:30 a. m.,
May 25th, and will leave at 8:15 a. m.
There will be about 75 members in
the party. Everybody join in giving
them a hearty welcome.

At the head of this column will be
the announcement of the candi-
dacy of Mr. Frank Lockie for
county treasurer at the hands of the
democratic and populist voters at the
coming primaries; Frank is first in
the field for that office, is an energetic
worker and will undoubtedly make
a fast race for the nomination.

The Dawson county bar, over which
Judge Hostetler has presided for
many years with great favor, ten-
dered the Judge a royal banquet in
Lexington last Saturday night as a
mark of honor. Dawson
county has been removed from Judge
Hostetler's jurisdiction and here-
after Judge Grimes of North Platte
will attend to their cases in Dawson
county.—Kearney Democrat.

We see by the papers that Billy
Thompson of Grand Island, better
known as the "Little Giant", is "agin
or yit" a candidate for U. S. senator
on the democratic side. Also, Willis
Reed and ex-Gov. Shallenberger, can-
didates for that office last fall, are
again in the running. A democrat
may die, but he never gets the idea
out of his head that he is just the
proper fellow for some office.

A fourth newspaper is to be started
at Aurora as a "split" sheet to
run out the Republican Schuyler
tried it, but it did not pan. Loup
City has been undergoing the same
scourge for the past few years, but
the two old papers seem to survive,
though their finances may be a little
frayed on the edges. It is seldom, if
ever, that the old papers have to quit
business on account of these freaks.

And now Bro. Beushausen of the
Times is puzzling over the problem,
if a newspaper is not a retailer, and
makes him ineligible to membership
in a retailers' association, does the
newspaper business come under the
wholesale head, and if not where is
the rating of the darned thing? That
is dead easy, Charley; it is simply a
pack horse, laden with material to
boom a town and county and help
retailers get business and make mon-
ey. It has no business rating, and
we are ashamed of your ignorance,
Bro. Charley.

Decoration Day will be properly
observed in Loup City this year as it
is in all other years, only more elab-
orately. Leader Pritchard and his fine
band will have charge of the instru-
mental and martial band music and
will have a grand chorus of vocal mu-
sic from children and adults to round
out some of the patriotic band pieces
and the program entire will be the
best ever. The efforts of a few but-
inski individuals to organize a little
musical sideshow has fallen flat. All
legitimate performance will be under
the big canvases, and there will be no
freak sideshows.

The Lincoln boomers have come
and gone. They captured the town
at 6:45 Monday evening. The keys
to the rates were handed over to the
captors in neat speeches by Judge
Wall and R. P. Starr, and gracefully
accepted by Gen. Bushnell of the in-
vading forces and amnesty promised
on good behavior. They then, led
by our band and their own musi-
cians, marched into the city with
banners unfurled, took possession of
St. Elmo dining room and later took
charge of the various business houses
as their interests dictated. The im-
mortal Six of the State Journal early
impaled the Northwestern editor on
the point of his "Daily Drift" col-
umn, took the typewriter into his
affections and calmly surveyed his
new possession, kindly complimenting
us on having a nice plant to hand
over. Doc Sibby Daily Drift into the
hearts and homes of thousands of
Nebraska people, and is firmly im-
planted especially in the affections of
all the newspaper boys this side of
h— and there, too, we doubt not. At
9 o'clock, Engineer Joe O'Brien blew
his nose in loud blasts and the splen-
did Lincoln bunch broke away for
Grand Island, the next stop. The
train was composed of five coaches—
baggage, three Pullmans and observa-
tion car. Come again.

TRIES SUICIDE ROUTE

Hacks Throat, But Falls
to Finish the Job

Found Insane and Taken
to Hastings Monday

Last Friday, just after noon, a
man giving the name of Ed Fish,
who has been working for A. Spelts,
Geo. Petersen, Ray, McFadden and
other farmers in and around the city,
but for the past few days hanging
around town aimlessly, went to an
outbuilding in the rear of Herman
Jung's restaurant and drew a razor
through the right side of his neck.
Falling to make a killing, he came
out with the blood streaming down
the side of his body and holding his
hand to the wound made, allowed
himself to be led up to the office of
Dr. Longacre, who called for a
physician. Dr. Main was called and
sewed up the wound. He gave his
reason for the attempted deed that
he was tired of life. After being
attended to he went back to Jung's
restaurant where, on advice of Coun-
ty Attorney Starr, Sheriff Williams
and Marshal Burnett took charge of
him and placed him in the jail pending
future action. From all accounts
he seemed to be mentally wrong,
besides being addicted to booze and
cigarettes, and in his wrong moments
complained he had no friends, was
unable to quit his bad habits and was
tired of the fight.

Saturday he was brought before the
board of insanity commissioners and
committed to the asylum at Hastings,
Sheriff Williams taking him there
Monday morning. He is man of per-
haps 40 years of age and but little is
known of his history, save he has a
brother at Lincoln, and who refused
to come or have anything to do with
the case.

**Reception to Grand
Chancellor Long**

Last Friday evening, Sir Knights
of Marmion lodge Knights of Pythias,
tendered a reception and banquet to
their friend and brother, John W.
Long, who was so gloriously given
the office of grand chancellor for the
coming year. At 5:30 the Sir Knights
headed by our splendid band, and
joined by scores of citizens, met
Grand Chancellor Long at the B. &
M. depot and escorted him to the
Castle Hall where a grand supper
had been provided by an efficient
committee of Sir Knights, and for
two or more hours a glorious eatfest
and talkfest was held, in which Sir
Knights Pedler, Wall, Nightingale,
Starr and Galloway gave informal
greetings to our honored brother,
responded to in a most heartfelt
manner by Sir Knight Long. The
reception was planned and carried
out without a thought on the part
of its honored member that he was
to be the recipient of such a greet-
ing and the whole affair was one of
the most pleasing of any social func-
tion given in the history of Marmion
Lodge. One of the regrets expressed
was that Will Mellor could not have
been present and caught the manifi-
estation of the hour. It was indeed
a worthy honor paid to a worthy
knight and brother.

Tuberculosis Hospital

The last legislature passed a law
appropriating \$40,000 for the establish-
ment of a tuberculosis hospital in the
state, to be located somewhere west
of the 99th meridian, the eastern
limit being on a line running
about a mile west of this city. The
fixing of a location seems to prove a
Chinese puzzle to the authorities,
no town, with the possible exception
of one or two, within the prescribed
territory seeming desirous of attain-
ing it. In the past week letters have
been received here importuning our
people to go after it. A meeting of
our citizens was called for Tuesday
evening to discuss the question, some
forty gathering at the Hayhurst-Gal-
loway hardware store to hear the
matter discussed. No one seemed
fully conversant with the subject
which was debated pro and con, opin-
ions being widely at a variance, some
being very insistent that such insti-
tution was a menace to the health
and financial well being of the people,
even going so far as to say its
coming would mean their properties
and business would be for sale and they
would remove elsewhere, others tak-
ing the exact opposite views, while
still others, not being warranted by
their understanding to express their
views in the matter, failed to record
themselves either way, when a vote
was taken, in which about two-thirds
expressed themselves evenly divided,
the others, including the editor of
the Northwestern, being vigorously
lambed for cowardice by one of the
speakers for not going off half-
cocked on a question they were un-
decided in regard to, through lack
of knowledge and consideration. How-
ever, after further thought, we are
glad to remove the stigma of cowardice
by recording our belief that the
establishment of said hospital here
is not for the best interests of the
community in any way, and we trust
it will not be located here.

To preserve your house—your property—your dollars, you might say—you
must use paint. To do so economically the paint you use MUST have lasting qualities.
Remember, poor paint costs more than good paint, for the work has to be done
often. Start right by getting

Horse Shoe Paint

and you can make up your mind it's on to stay. The reason for this is plain. Horse
Shoe Paint is wholly composed of the strongest and best materials known in the
science of paint making—it contains no cheapening or adulterating materials what-
ever. It's made of strictly Pure Zinc and White Lead pigments. Add to this
Pure Linseed Oil—crushed by the manufacturers themselves to insure its purity—then
the necessary drier and coloring matter and you've got the best paint that money,
brains and material can produce.
Horse Shoe Paint has stood the test for 20 long years—it's a proven paint—and
is sold in almost every town and city in the United States. Should not that fact
alone convince you that Horse Shoe Paint gives satisfaction beyond question?
Horse Shoe Paint does all we claim—we guarantee it to be pure and to wear.
Horse Shoe Paint is absolutely pure; you buy it subject to chemical analysis and
it's paint that lasts.
Paint your horse with Horse Shoe Paint this season by all means.
