#### LOCAL NEWS.

See T. M. Reed for Feed Grinders. Chas. Masin made a trip to Ord last Sunday.

Mrs. A. H. Hansen on Tuesday of this week at her comfortable home entertained the ladies of the Unity Club at dinner.

There were no delegates this year from the lodge here to the Masonic grand lodge held this week at Omaha. Everybody too busy.

It is definitely known now that the dates for the coming Chautauqua season will be August 27-31. Get ready for the Chautauqua.

Are you going to Jenner's Park? Remember this is Opening Day and continued during the evening. Don't fail to be there a portion of the time at least.

The Class of '11 on Tuesday of this week presented Supp. O'Connell with an elegant gold watch fob. He says they comprise the finest bunch of kids ever.

We understand John Eggers, Jr., of Denver will open a new meat shop in the city in the old Eggers building adjoining the Gem Theatre. He is a son of John Eggers, and we understand a first class butcher.

Marriage licenses have been granted since last report as follows: E. Taylor to Anton S. Sorokow, and Anna Stobbe, both of Rockville, June 5, to Neils Jensen of Howard county and Maren Klausen of Sherman county.

Wright Reynolds and wife are over from the west part of the county today guests of Judge and Mrs. Wall and taking in the Opening Day at Jenner's Park. Wright has just recovered from a two weeks' siege of illness.

A card from Mrs. Montgomery this week to Mrs. E. Tracy tells of the death by lightning at Cambridge, this state, a few days since, of Rev. Mr. Montgomery's brother, Charles. Other than the facts above, we have not heard.

Our Baptist friends have concluded their arrangement, called their new pastor and this week received his acceptance of the call, he to be here with his wife and their one child by the first of July. He is Rev. M. C. Powers of Kennesaw, Neb., where he has been preaching the past two years. He comes highly recommended.

The freight engine on the U. P. ran off the track at the far end of the "Y" yesterday evening, in order to allow Harry Hellenberg, the popular fireman, to have an hour or so shaking hands with his many friends here. The other reason assigned was too many weeds on track, making it slippery and a sliding process of the wheels outdoing the brakes.

Mrs. Wm. Rowe left yesterday morning for an extended trip to the far east, accompanied by her little son, Howard. She will go first to Pittsfield, Mass., and from there to Newark, in the same state. After visiting in these places with relatives and friends, she will visit other points in eastern states, returning home by way of the Niagara Falls and points in Michigan.

The new Presbyterian preacher, Rev. J. C. Tourtelot, with his wife and little child is expected here any day now. E. G. Taylor received a letter from him Monday, saying he had shipped his household goods and was about to start for Loup City in his auto with his family. If the roads and weather were propitious, Mrs. Tourtelot and child would come clear through with him, otherwise they would come by train, he autoing the distance alone, in any event expecting to be here to occupy the pulpit this coming Sunday.

Among the lovers of a good time, who attended the Danneberg celebration from Monday, were C. W. Conhiser, M. C. Mulick, H. G. Hosier, T. A. Taylor, Peter Rowe, our bunch of base ball players and a whole lot of others we did not see returning in the evening, and all had a glorious time. Of course the base ball enthusiasts in the crowd were not decked to death, the game which only lasted four innings and which resulted in St. Paul scalping our team to the tune of 11 to 7, but otherwise all went merry as a marriage bell.

Ansel Davis of the Greeley Independent was here over last Sunday, going to Omaha Monday to consult an oculist over the condition of his eyes which are in a very bad condition, a film growing over them and which he said he understood would cause total blindness unless removed. We trust that bright young editor is over-alarmed as to the condition of his eyes and that it will be found to be some local ailments easily cured and he will be all right and perfectly well from evil effects in a short time.

If the class of 1911 got through last week without having over-feasted and over-banded and making the following weeks the amnestiest of days, it was not the fault of the good people of our goodly city. The class was entertained at the home of M. C. Mulick for supper Tuesday; at the Minshull home for breakfast Wednesday; Mrs. T. M. Reed and Mrs. Katie Burrows gave them a dinner Thursday; dinner at the Lechinsky home Friday; while the J. P. Leininger's entertained the class at river for supper and an auto ride the same evening; and followed with Sunday supper at the Lohfholm home. A splendid entertainment was provided in each case.

Mrs. James Bartunek was taken to the hospital at Grand Island this morning to undergo an operation.

Mrs. Kenyon and Mrs. Sheppardson of Mason City are guests today of S. S. Reynolds and family of Webster township.

The young lady friends of Miss Beynon gave a supper in the Presbyterian church parlors last evening in her honor.

Attend the ball game this afternoon at Jenner's Park, between Saragat and Arcadia. We are promised a fast game.

The class play receipts for both evenings amounted to \$136.30. The expenses attending were some eighty dollars, netting the class a handsome return for their "Strenuous Life."

C. A. Clark has been up from Ravenna several times the past few weeks looking after creamery matters. Wish he would move to Loup City. There is room in every town for such welcome citizens.

The State Postmasters' Association meet's at York this year, June 13-15. Uncle Sam gives his Nebraska nabobs three days' lay-off each year, and York has made arrangements to entertain the 450 expected to be there. Postmaster Grow will be one of them.

Mr. and Mrs. Alex Baillie will make a three-months' visit to the Pacific Coast, leaving here possibly in about two weeks. They will go up through the British possessions, striking the coast at Vancouver. We trust they may have the best time of their lives.

Joe Thompson was here last week looking after creamery interests during the absence of F. M. Henry. Mrs. Thompson and babies took advantage of this to visit her hosts of friends in this city. Later—Joe is still here and liable to remain a fortnight longer—until Mr. Henry is able to take management of the creamery again.

Fifteen years ago Monday was the big hail, wind and rain storm in Loup City, the history of which is quite vivid to those who were here at the time. We do not know, however, if it were a fact that the water was so deep on the main streets that it would float a steamboat, but it was mighty much water—a veritable cloud burst.

Mr. and Mrs. W. R. Mellor came up from Lincoln accompanying Rev. Dr. and Mrs. Roach to attend the Commencement. They, with several Loup City people, picnicked and spent Thursday afternoon at Jenner's Park. Friday Dr. Roach was taken by auto to Arcadia. He expressed much favorable comment over the country and beautiful views.

Wm. Larsen and wife went to Aurora Monday morning for a day's visit returning Tuesday evening. It had been the intention of Mr. Larsen to go on to Omaha after new goods, but on reaching Aurora he found the drouthy condition of crops so in evidence, farmers mowing down their wheat fields and things looking so badly he returned home instead to wait and see future developments.

On Monday evening, E. G. Taylor, on Monday in his auto, accompanied by C. C. Cooper, made an 182-mile drive to Litchfield, Mason City, Oconto, Broken Bow, and other points, returning by way of Comstock and found all along the route crop conditions the very best. Sherman, Custer and Valley counties are all right so far. The conditions prevailing in Hamilton also obtain on east to Lincoln, anyway, by reports from other sources.

There is a movement on foot to erect a band stand in the court house square. The idea is to build the stand of cement and figuring is being done on the cost of same. Loup City has by far the best band it has ever had, and it is due the boys to provide a fine band stand for their accommodation. One thing can be said of our present band which is highly commendable and that is that it is Johnny on the Spot, ready to render first class music to our people at any and all times gratis if requested and the boys are glad to do so. Our people should meet the boys, who are composed of our best business men and boys, half ways in all their efforts to sustain a band our citizens are proud of, and we should open our financial hearts to render all the assistance possible to make it a permanent factor in our city. By all means let a substantial band stand be erected where the boys may discourse sweet music these long summer months, without standing about on weary legs or have to carry chairs from the court house to sit in. They are deserving of the best the city can afford.

The fourth annual Alumni Reception of the Loup City High School was held last Saturday evening, June 3rd, at the A. L. Zimmerman home in this city. The spacious rooms were decorated with numerous pennants, the high school colors—crimson and pearl gray, and the colors of the class of 1911—red and black—in whose honor the reception was given. The following members of the class of '11 were duly initiated into the mysteries of the Alumni Society: John Burrows, Frieda Ohlsen, Florence Leininger, Lela Lohfholm, Fritz Lechinsky, June Fuller and Zelpha Reed. A program of vocal and instrumental music, readings, etc., was given, and splendid music furnished by the orchestra helped make the occasion one of great pleasure. A good representation of the various classes graduating from the Loup City High School was present, and the occasion to renew friendships and recall incidents of other school days. Delicious refreshments were served and near the midnight hour they drew the curtain on one of the most enjoyable receptions yet held to await the coming reception to the Class of '12.

Mrs. Wiehl of North Platte returned home Tuesday after a few days' visit here with her sister, Mrs. John Ohlsen. The lady was well acquainted with the engineer, fireman, and brakeman who were killed in a boiler explosion on the Union Pacific near that point last Friday.

Mrs. Gus Lorentz of Loup City visited at the home of Neils and Mrs. Lorentz in Aurora Thursday of last week until Monday evening of this week. From here she went to Ravenna to visit her parents before returning to her home. During last fall and winter Mrs. Lorentz was seriously ill; so much so that for a time it was thought she could not survive; but she has now almost entirely recovered. —Aurora Republican.

Last week the Northwestern again added another quire to its bundle of ready prints and had only two papers left over. The Northwestern may or may not have the most names on its subscription list of any paper in this county, but one thing is sure, that every reader on the list is a bona fide subscriber, not people who have been placed there without their knowledge or consent, have no dead beats, and only the very best and most substantial citizenship instead. The other kind we do not have nor want.

Last Friday evening, at Cedar Rapids, Iowa, while Mr. F. M. Henry of this city was attempting to make a change of cars in that city, on his way home from his Iowa trip, he stumbled over the tongue of a baggage truck on the dimly lighted platform, sustaining a very severe sprain of one of his limbs. He however made the trip on home, arriving Saturday evening and was taken in a carriage to his home, where he will probably be laid up for a fortnight with that injured member. It is fortunate he escaped with less than a fractured leg.

The Commencement exercises at the First Presbyterian church last Friday evening were attended by a very large audience, notwithstanding the extreme sultriness of the hour, every available seat being taken. The exercises began with an instrumental duet by Mrs. R. P. Starr and Miss Ernie Odendahl, followed with prayer by Rev. Juelling of the German society. Then followed a masterly address by Dr. Roach of Lincoln, replete with humor and solid, substantial mental food. R. P. Starr then in a few choice words presented the graduating class with their diplomas, and the evening closed with a good night song by male quartet composed of Messrs. Schwann, Allen, Mathew and a Mr. Robbins of Ord.

SPENT \$500.00 -- REFUSED \$3000.00

Two years ago one of Uncle Sam's soldiers filed on a 40-acre homestead adjoining the town of Powell, Wyoming. By applying his time served in the Army, this homesteader has now made final proof. He has paid out only \$500.00 on the ten payment plan, towards water rights and improvements, and has just refused a \$3000.00 offer for his 40-acre farm.

This illustrates the value of irrigated farms under Government Canals in the Big Horn Basin.
