Ex-Congressman George W. E. Dorsey,  
formerly of Fremont, died at  
Salt Lake City last Monday, where  
he was interested in mining opera-  
tions.

A critical observer the other day  
pertinently remarked that "if there  
were a few more Bob Pritchards here  
there would be less snarling at people  
by a certain human howling phono-  
graph."

It appears unsafe to walk on the  
principal streets of Omaha, unless  
one wears a bullet-proof armor. A  
scurvy policeman killed an innocent  
bystander Monday while arresting a  
drunk, shooting recklessly into a  
crowd.

Mrs. Carrie Nation of hatchet fame  
died last Friday at Leavenworth,  
Kansas, of paresis. She left an  
estate of \$10,000, mostly to charity,  
bequeathing to her only daughter \$60  
a month during her lifetime, and \$500  
each to her two granddaughters, only  
to be paid them after their mother's  
death.

The republican state committee  
has issued a call for the state con-  
vention to be held in Lincoln, Tues-  
day, July 25th. Sherman county is  
entitled to 5 delegates. The county  
convention in each county which  
elects delegates to the state conven-  
tion will elect the county central  
committee for the coming year. No  
date is recommended for county con-  
ventions.

This Sept. 4th to 8th, 1911, State  
Fair races known as "Early Closing"  
close next Monday, May 15th, and  
are: 2-year-old trot and 2-year-old  
pace; 3-year-old trot and 3-year-old  
pace; 3-year-old trot and 3-year-old  
pace, each for a purse of \$500.00,  
and the "Capitol City" 1:30 trot, the  
"Industrial" 2:20 trot, the "Corn-  
husker" 2:25 pace and the "Gate  
City" 2:15 pace, each for a purse of  
\$1,000.00 with three per cent entry fee.  
Secretary Mellor expects the great-  
est entry list Nebraska has ever had.

Judge E. O. Hostetler the past  
week filed his nomination paper with  
the county clerk here, and we sup-  
pose also with the county clerks of  
Buffalo and Custer, these three coun-  
ties now comprising this judicial dis-  
trict, as republican candidate for  
re-election as judge of the district court.  
Judge Hostetler has made a most ex-  
cellent reputation, dispatched the  
legal business in a rapid and efficient  
manner and earned the title of being  
"Business Judge" by the rapidly he  
has pushed to completion cases com-  
ing before him. So far we have not  
heard of any opposition to his re-  
nomination or re-election on either  
political side.

Last week the Nebraska Farmer  
gave room in its columns to the rant  
of a certain trouble breeder of Loup  
City regarding the late lamented  
farmers' elevator, in which the fellow  
tried to ring in his usual wall about  
a machine being at the bottom of the  
disaster, and aiming to slander and  
vilify E. G. Taylor, a man whose  
shoes the said trouble breeder is un-  
worthy to unloose, and ringing in the  
names of R. D. Hendrickson and  
Rob Pritchard. To our people said  
article is taken as the useless fling of  
a worthless fellow, but to people  
over the state, who know nothing of  
the animus of the writer and his  
standing in the community, the stuff  
will be found hurtful. We are sorry  
the Nebraska Farmer has lent its  
columns to such an effort, and can  
only account for it by the belief that  
its editor did so without informing  
himself of the circumstances and in-  
gnorance of the intent of said article.  
The editor of the Nebraska Farmer  
is invited to come to Loup City and  
investigate for himself all the cir-  
cumstances in regard to the down-  
fall of said farmers' elevator, when  
we may expect an unbiased and de-  
cent desertation on the same. The  
writer of this, like large numbers of  
Loup City and Sherman county people,  
lost a little cash in the failure of the  
elevator, but deplors the attempt to  
belittle the best people of the town  
and county in regard thereto.

**Jenner's Opening Day**

Last Thursday, on the occasion of  
the Opening Day at Jenner's Park,  
was one of the biggest days and most  
successful of any similar day en-  
joyed by the jolly proprietor of that  
splendid resort and by the people of  
the city and by those from the sur-  
rounding towns and country. The  
day opened most auspiciously, the  
weather ideal, and the crowds very  
satisfactory. The morning passenger  
and freight train from Sargent, Comstock  
and Arcadia, both brought to the  
city crowded coaches, one passenger  
coach being crowded to its utmost  
between here and that live little town  
was lined with autos and rigs of  
every description coming to the Park.  
Opening, sargent also sent down a  
fine crowd, while a large number  
were present from Comstock as well.  
The forenoon was put in by the  
crowds in sight-seeing and getting  
acquainted with the best town and  
people in the Middle Loup Valley.  
In the afternoon most of the stores  
and business places were closed from  
2 to 5 o'clock, while everybody who  
could wended their way to the Park  
and enjoyed the inviting scenes. At  
3 o'clock the ball park filled with a  
crowd to witness the best game of  
ball ever at the park, lasting in  
length and being everybody's game till  
the last half of the tenth, when a  
lucky bunching of hits brought the  
Arcadians victory over the Sargent  
team by a score of 4 to 3. The first  
few innings between Arcadia and  
Sargent resulted in goose eggs being  
plentifully distributed, followed by  
Sargent scoring two runs by lucky  
hits and base running. The follow-  
ing inning, Sargent gained another  
score and fortune perched on her  
wings. The following inning, Arcadia  
sent a ball over the fence resulting  
in a home run and bringing in scores  
beside. After this neither side scored  
till the last half of the tenth, when  
Arcadia got two more scores and  
closed the game. Both teams  
had a great crowd of boosters present,  
and Loup City generously divided its  
admiration and boosting for the  
visiting teams trying to even up the  
enthusiasm. It was a great game  
and would be sure to attract a great  
crowd were the boys to come here to  
try conclusions again.

At the close of the game the crowd  
went down into the park proper and  
feasted, drank red lemonade, rode in  
the merry-go-round, kept the swings  
busy and watched and cheered to the  
echo the various parts of the interest-  
ing program given. Large numbers  
of picnic parties dotted the green  
sward making especially enjoyable  
the supper hour, while the evening  
was given over to social hours and to  
the enjoyable dance in the pavilion.

All in all, as we noted above, the  
Opening Day at Jenner's Park this  
year was the most successful in point  
of crowds, interest and enjoyment of  
any preceding like time in the history  
of Jenner's Park. Harry Jenner was  
entitled to have it so.

**Strengthens feeble Women**

But very few women possess cogstitutions that will withstand the wear  
and tear of daily routine—  
Be it in the home, the office, the schoolroom, the store, or in the facto-  
ry—there is an excessive strain on the delicate functional organs—these be-  
come irregular in their action, the nerves give way under the strain, the  
blood becomes impoverished and the result is a complete collapse.

**Nyal's Vegetable Prescription**

If taken in time, will guard against this—its tonic properties will fortify  
the system, supply a nourishing blood flow, act as a sedative and tonic to  
the nerves, and bring about regularity in body functions.

we can tell you what they are

We will stand back of Nyal's Vegetable Prescription—results have  
proved that it does as represented.
