

If You Are a Farmer

We wish to impress on you the advantages and convenience of a bank account.

Right now is a good time to put your business on a systematic basis. After once you have used the check plan of paying all bills, you will realize the risk of the haphazard, lose money in the pocket method you are now using. The old

First National Bank

of Loup City is the Pioneer bank of Sherman county and conducts its business on such systematic and independent lines as to make us a necessity to you, and we cordially invite you to come and do business with us. Come and see us about opening a deposit account.

The Hessian fly is getting in its work somewhat disastrously in certain parts of this county on the wheat crop. Willis Fulliton last Friday brought to this office samples of wheat from different fields, some showing serious deprivations from these pests, while others were entirely free from them, and the samples being taken from adjoining fields. Mr. Fulliton thinks later sowing of wheat best to save the grain from that destroying insect.

Will Minshull Wed

Spokane, Wash., June 20.—Miss Olive F. Gallup of Grand Island, Neb., and William A. Minshull, formerly of Loup City, Neb., were married at the home of the bridegroom's brother J. C. Minshull, 942 East 32d ave., Spokane, the evening of June 15. Rev. L. L. Cotton read the service.

Back of this formal announcement is a romance that began in an Omaha hospital, where Miss Gallup was a nurse, while Mr. Minshull was a patient, suffering from a bad poisoning. Mr. Minshull came to Spokane six weeks ago and liked the city so well he decided to make it his permanent home.

Recently he dispatched a long letter to Miss Gallup, asking her to come to Spokane, as he was unable to leave his business to make the trip to Nebraska. The bride-to-be arrived the evening of June 15, and to avoid being married the following day, Friday, an obliging clerk in the county auditor's office issued the license several hours after the regular time.

The couple hurried to the Minshull home, where the wedding took place in the presence of a few intimate friends and relatives.

Loup City Man Honored

The Department Council of the Patriarchs Militant Army of Cantons of the I. O. O. F. met in the Odd Fellows' hall in Omaha last Friday for reorganization and raising from regimental to brigade formation. E. S. Davis, postmaster at North Platte, was made the general commanding the department of Nebraska. But what interests Loup City the most in regard to this meeting was the honor done to our local order in the selection of Rev. W. C. Harper as brigade chaplain of the Department of Nebraska, with the rank of Major, an honor well deserved, and we do our title to Major Harper in perfect confidence that he will reflect honor upon the great order which has thus signally honored itself. Loup City, the local three-linkers and he upon whom the trust has been placed, was a A. Raney, commander-in-chief of the Cantons of the United States, was present and confirmed the action of the Nebraska Cantons.

Later—On Monday evening of this week, the Cantons of this city spring a happy surprise on the major. They had perfected a big time the evening their honored brother was to return from Omaha, with such a blowout as the K. of P. boys perpetrated upon Grand Chancellor Long, and when the doctory major spoilt it all by coming home at noon they got their Irish on and gave him what was coming to him at the later hour. The session was on when all at once there came a Ram's Horn blast from without which caused the major to think the castle walls would crumble, the band boys having quietly assembled to make the assault on the more a surrender was made. About this time also, the ante-room opened and out poured the angelic hosts of crinoline armed with their usual appetizing weapons of the household goddesses and the route was complete, the major heroically succumbing to the inevitable. The music, the luncheon and the evening entire was a most fitting occasion.

The elevation and honor attained by Bro. Harper is also reflected in the lodge room, his necessary retirement from the chief chair in the local order resulting in the subsequent advancement of each subordinate officer to a higher rank. Good all around.
