

Rain Tomorrow!

The weather man predicts rain for tomorrow. You arrange your plans accordingly. Are you doing the same for the rainy day of your life?

No man can tell you when the day of adversity is coming and the only safe thing to do is to build up a Bank account against that day.

This bank affords you a rare opportunity for saving by accepting any deposit from a dollar up, and will pay you 4 per cent interest, compounded semi-annually.

FINE HOSPITAL MODERN HOTEL

An Opportunity For Loup City to Have Both in the Near Future. Meeting is Called.

On Tuesday of this week, at the request of Mrs. Viola Odendahl, a number of citizens called at her residence, where she made a proposition to sell her handsome home property to the city, or to a company of private citizens, for the purpose of transforming it into a hospital, which if done would enable her to put up an elegant, modern and up-to-date hotel in this city.
After listening to Mrs. Odendahl's proposition and discussing the matter it was decided to call a mass meeting of the citizens for next Tuesday evening, Sept. 12th at the court room in this city, when the subject would be thoroughly gone over and a consensus of opinion expressed. Without at this time giving any expression of opinion, we append the following call for said meeting, trusting all interested in the welfare of the city and its future would be present.

THE CALL
We the undersigned, having the best interests of our city at heart, hereby request all interested to be present at the court house on Tuesday evening, Sept. 12th to discuss and if possible take action upon a proposition by Mrs. Odendahl, looking to the purchase of her residence property for a hospital, enabling her to erect with the proceeds a modern, up-to-date hotel in this city.

CHAUTAQUA ENDED

The Chautauqua closed last Thursday evening with two entertainments by the Boston Lyrics. The afternoon being divided with the children in their work, which was highly appreciated, and in the evening with a lecture by Dr. Bennett, one of the best platform lecturers visiting this city, who completely carried his audience with him in an hour and a half. The two lectures were well received and though the people were tired and weary over the week of Chautauquan entertainments, they could, as one man expressed it, have been willing to be glued to the hard board seats for two hours longer, could he have occupied the time, so they were with the splendid work he did. During the two last evenings, enough sale of tickets etc. was accomplished to assure our people another Chautauqua the coming year. We now believe the Chautauqua habit has been confirmed with Loup City, and hereafter a Chautauqua will be one of the yearly fixtures of the city.

MINISTERS MAKING MERRY

Tuesday Rev. Tourtelot loaded the ministers of the city and their families into his automobile and whisked them out to Peterson's grove, where they proceeded to have a real old-fashioned picnic. No reporters accompanied the party so we are not in position to give a complete account of the affair but Rev. Blom advised us that the ladies provided well filled baskets of good things, including chicken, of which Mr. Blom is supposed to be especially fond, and that each of the party spent a most enjoyable day.

The Ravenna News of last week contained a large picture, from life, of the "Fats and Leans" two local ball teams that battled for supremacy on their local diamond recently. While the Slim gentlemen won the game the Fats certainly were entitled to the palm for original and gaudy costumes. Friend Cass is certainly giving Ravenna a dandy newspaper and those people deserve it too.

BOLD BAD BURGLARS FOLKS AT THE FAIR

Burglars Enter Two Saloons in Same Night. A Few of the Folks Who are at Lincoln This Week.

Two robberies in one night is sure "going some" but that is the record for Monday night of this week and while the entire police force has been working on the case there is little or no chance of the guilty parties being found from the fact that there is no clue for the officers to start with. All that is known is that some time Monday night or Tuesday morning unknown parties forced entrance into the M. Mulick and Elsner saloons securing only a very little change at the former and a small quantity of artificial joy and some fifteen pieces of Sunday school money at Elsner's. The nocturnal visitors left behind a bar made from an old buggy axle which was found in the Elsner building Tuesday morning—owner may have same by calling, proving property and paying the cost of this notice.

Ferrente's Band Liked

As repeatedly announced during the Chautauqua the "Royal Italians Guards Band" gave a most excellent concert in the tent Friday evening. As the weather was decidedly threatening and many of our people seemed to think that the extra assessment at the gate was in the form of a "hold up" the attendance was rather light. Curb stone seats were well filled however and the general verdict seemed to be that the concert was by far the classiest thing of the kind that has ever been heard in Sherman County's Cabitol.

GOTCH IS STILL CHAMPION

Gotch, the man who made Humboldt, Iowa, famous added to the fame of the Hawkeye village Monday when he put the broad shoulders of Russia's strongest son on the mat twice in a little less than twenty minutes demonstrating that some men can come back.
