**TO SUBSCRIBERS**  
On and after March 1,  
1912, the Northwestern  
will be \$1.50 per year.  
At the advanced cost of  
print paper, the present  
rate of \$1 per year rep-  
resents loss instead of  
profit. In the meantime  
the rate will remain the  
same to all, old and new  
readers--\$1 per year, in  
advance.

Bryan has had his name taken off  
the primary ballot. Teddy hasn't.

Harmon's name has been placed  
on the Nebraska primary ballot as  
presidential candidate. Bryan off  
again, Harmon on again; how do you  
like it, democratic Flannagans?

Lawyer Clarence Darrow, attorney  
for the McNamary dynamite fiends at  
Los Angeles, has had two indictments  
returned against him for alleged at-  
tempts at bribing jurors in that case.  
"I would be mighty funny if he was  
sent to keep company with the Mecs  
at the San Quentin hotel.

We have received a circular letter  
from Mr. Henry Howard of Elm Creek,  
who is out for land commissioner.  
Among the gentleman's qualifications  
he claims to be an expert accountant  
and bookkeeper, is a veteran of the  
Civil War and is now serving his  
fourteenth year on the republican  
state central committee.

Woodrow Wilson is busily engaged  
in smoothing the ruffled plumage of  
Col. (?) Harvey and Marse Watterman,  
and has been forgiven by Col. (?) Bry-  
an for the unnice things said of Billy  
when the latter was trying to hypno-  
tize the country a few years ago. The  
demons are crying "Peace, peace!" and  
the more they cry, the less chance  
they have of getting it.

Geo. W. Wolfe, yielding to the so-  
licitations of his friends throughout  
the county, came over from Litch-  
field yesterday and filed as republican  
candidate for representative. We are  
pleased at this, knowing his sterling  
qualities as a man, his loyalty to re-  
publican principles and his eternal  
fitness to handle the legislative job  
in the best possible business way.

Of course it is an open secret that  
all newspapers, the Northwestern  
among the number, are running the  
business simply for their health and  
quite a cohort of the fellows that  
have the itch to get into the limelight  
of the odoriferous primary ballot  
have "Caught On," as witnessed by  
the "Petition" oft received at head-  
quarters, personally, or from friends,  
"Please announce and give a little  
write-up of candidacy," etc., if it  
won't cost anything. RATS! If any-  
one really wants to dance, let him  
"Cough up" for the Fiddler. Catch  
on?

The M. E. revival services, which  
were started Monday evening of this  
week, are proving quite successful  
and a surprising amount of interest  
has been shown from the first even-  
ing, the number present each even-  
ing being augmented by nearly twice  
the number the following services.  
At the present rate the services will  
be so generously attended that the  
worshippers may have to appropriate  
some of the out-of-door space to en-  
able all to attend and hear. This is a  
good showing for our Methodist  
friends and we trust their most san-  
guine expectations may be realized.

According to date given last week,  
a number of our business men met at  
the Sweetland store, Monday intent of  
which was the organization of a com-  
mercial club. Very little was accom-  
plished—a temporary organization  
being made and a committee appointed  
to secure from other clubs neces-  
sary information of procedure, and  
adjournment was taken to meet at  
call of chairman. It is the unani-  
mous opinion of our people that we  
should have a strong commercial club  
and it is felt equally strong that only  
our ablest and broadest-minded men  
should be in the lead. Even one nar-  
row-contracted, officious, self-predom-  
inating individual, if given lead-  
strings, can do incalculable damage  
to any organization, which to be ef-  
fective, must relegate such hurtfuls  
to a rear seat.

at a bargain price for cash or bankable  
note at 8 per cent for one year. If  
that is disposed of on or before Feb-  
ruary first, will offer all articles of

cluding thoroughbred Jersey cow, as  
it will not pay me to ship less than  
a car load when I remove to Oregon.  
Have many articles of furniture that  
I would dispose of immediately and  
make the price to suit you. Call at  
my home and look over the list and  
see if there is anything you can use.

Mrs. Wilbur Curry is slowly im-  
proving.  
John Haller is again attending school  
in the Bichel District.  
J. H. Bone was hauling corn to  
Loup City last Friday.  
The mill put out 20 cars of flour  
and feed the past month.  
Ray McFadden shipped a car of  
cattle to Omaha Monday.  
Clark Allemen was hauling corn  
from Hugh Cash last Thursday.  
Ben Wilkinson and Frank Wagner  
putting up their ice last week.  
The trained nurse that was at Wil-  
bur Curry's returned to her home.  
Mr. and Mrs. H. S. Conger visited  
Sunday at the home of John Galloway.  
Mr. and Mrs. Sim Criss and Neoma  
Criss visited at Loup City last week.  
Mr. and Mrs. Dick Brodbeck moved  
on Mrs. Daddow's place on route 3.  
Miss Minnie Obermiller visited at  
the home of Will Keopful last Wed-  
nesday.  
Ernest Garnett was visiting, you  
know who, at Loup City Sunday  
evening.  
C. W. Burt and Frank Casteel  
finished putting up their ice house  
last week.  
C. R. Spencer is hauling feed from  
Robt. Dinsdale's silo south of town  
this week.  
Mrs. Kate Steel and the Gray chil-  
dren visited with Miss Bertha Smally  
last Sunday.  
Mrs. Jim Arnett on route one  
visited at her father's home on route  
two Monday.  
Jake Tessman from near Litchfield  
has rented the A. D. Peters place for  
the next year.  
Roy Conger has gained so much  
since his operation that you would  
hardly know him.  
The ladies' aid society on Wiggle  
Creek will not meet again until the  
scarlet fever is over.  
Chas. Brown, son of Sim Brown at  
Luano, Iowa, will work for W. O.  
Brown the coming year.  
The culvert just west of the Aus-  
tin bridge was washed out by the  
river but has been repaired.  
J. E. Andrew, brother-in-law of Al-  
fred Jorgenson, is here painting the  
inside of Alfred's new house.  
Harold Burt and a man by the name  
of King visited at the home of S. M.  
Smally last Wednesday evening.  
Some of the patrons on route two  
must have been reading Gibson's  
paper, as they have already got their  
garden seed planted.  
The families of Loren Gee and  
Romeo Conger arrived safe in Cortez,  
Colorado, last week, Mrs. Conger  
standing the trip well.  
Mr. J. W. Cummins was taken  
quite sick with pleurisy pain in his  
right side last Thursday and was  
unable to work for several days. He  
is improved now.  
Mallory on Route 4 out of Litchfield  
met carrier at the Bichel school house  
and showed him his new mail wagon.  
It was his first day out with it and  
it is a dandy too.  
Nine stringers on the new steel  
bridge at W. O. Brown's place were  
broken last fall by heavy engines  
crossing the bridge without planking.  
All engines crossing the bridge here-  
after will have to plank the bridge.  
Mr. and Mrs. John Squires will  
soon move to Comstock, where John  
has bought a half interest in a livery  
barn. Mrs. Squires' health has not  
been in the best of health since her  
operation but we wish them success  
in their venture. Their sale is Feb.  
20th.  
Mr. and Mrs. Bichel and family  
were shut up with quarantine for  
about two months and when let out  
last week would not leave the place  
for several days until the house and  
themselves were thoroughly fumigated.  
If every one would be care-  
ful at this time any disease would be  
easy to stamp out.  
Fred Daddow has had a cancer  
growth on one side of his face for  
some time and lately applied a poultice  
that was recommended by different  
parties. He suffered intensely from  
the effect of the poultice and was al-  
most more than he could stand but  
he was rewarded by seeing the core  
come out. It is claimed that it will  
not come back again.  
Luther Goodwin an old time resi-  
dent on route two has resigned his position  
with W. O. Brown which will take  
effect the first of March, 1912. It is  
thought by some that Luther is in-  
tending a matrimonial venture and  
by others that his land interests in  
Texas and different parts in this  
are the real cause. Luther has worked  
for W. O. Brown for the past five  
years and any fair one wanting to  
know more about Luther can get de-  
sired information by dropping a card  
to W. O. Brown. Eastern papers  
please copy.

Herman Johansen, as will be seen  
by his sale bills gotten out at this  
office, and by his mammoth adv. in  
this paper, will have another one of  
his big sales of horses, cattle and  
Poland China hogs at his farm a mile  
southeast of town, next Thursday,  
Feb. 8th. C. S. Branson, the famous  
auctioneer, will cry the sale, and will  
be assisted by our own Rol Hendrick-  
son. Mrs. Johansen's famous cooking  
will be in evidence, serving free lunch  
to all present. Don't miss all above.

By request, the Northwestern gives  
the first license and wedding in Sher-  
man county: The parties were Frank  
Ingram, age 21 years, and Fannie I.  
Taylor aged 19 years. The license  
was issued Dec. 18, 1873, by R. W.  
Russel, then probate judge, and the  
parties were united in marriage at  
Loup City, on the same day by John  
Wesley Eddy, a minister of the gnos-  
pel.

While Forrest Larson was deliver-  
ing goods last Saturday noon, and  
while near the residence of Otto Pe-  
ters, the buggy tongue broke and  
the team threw the boy to the icy  
sidewalk, bruising his body and cut-  
ting gash in his lower lip causing  
several stitches to be taken in same.  
He was not seriously injured.

The sad news was received by Mr.  
and Mrs. S. S. Reynolds of Webster  
township of the death at San Diego,  
Calif., on Monday, 29th inst., of their  
brother-in-law, S. S. Hage, in that  
city, resulting from operations for  
cancer of the stomach. Mr. and Mrs.  
Wright Reynolds, who are out on the  
coast, were there at the time.

### Many Women Know This Is True

You should, at all times, exercise the greatest caution in the selection  
of Family Remedies.

This is especially true in the choice of medicines used in female weak-  
nesses—then it becomes absolutely imperative. You should know in detail  
just what the remedy is composed of and the action of each and every in-  
gredient.

When you are in need of a remedy for female weakness—functional dis-  
orders—insist upon this information being given you.

We have in  
**Nyal's Vegetable Prescription**

a preparation that you should know and use. We can tell you all of the  
drugs used—more than we can say of any other female tonic—and for that  
reason we heartily recommend its use.

**Nyal's Vegetable Prescription contains no injurious  
drugs—it is purely vegetable, safe and  
efficient in its action**

Functional disorders, irregularities of the most sensitive organisms are  
corrected and the entire system toned up.

Its use obviates all unpleasantness, physical and mental strain in evi-  
dence during such periods.

We are very enthusiastic over the results obtained from the use Nyal's  
Vegetable Prescription—let us tell you more about it.

One Dollar the Bottle.

A very fine line of rubber goods, such as hot water bottles, fountain  
syringes, etc., now in stock.
