Having filed for nomination for the office of representative from this 5th representative district, subject to the will of the democratic and people's independent voters of Sherman country at the comine primaries. April 19th ask your support and vote and will in even to may nomination and subsequent election, to the best of my ability prove a worthy representative of counts and people. R. L. ANTAUR.

For County Attorney

For County Attorney

To the Voters of Sherman County, Nebraska.

I have filed for the republican nomination as a candidate for the office of county attorney of Sherman County, to be voted upon at the coming primary to be held April 18th 1912, and would appreciate the support of those who have falts in my putting forth an effort to make good if nominated and elected.

Respectfully Yours

J. S. Pedler.

I hereby announce myself as a candidate for the Republican nomination to the office of lounty attorney at the primary election to be send on April 18th, 1911 and I respectfully re-quest your voice and your active support if you approve of my candidacy.

The nominations then are: For representative, George W. Wolfe, rep., R. L. Arthur and Henry Beck, dems.! for county attorney, Herbert S. Nightingale and J. S. Pedler, rep.; for assessor, W. T. Owens, rep., A. E. Charlton and M. Ignowski, dems., for supervisors, F. F. Richmand, rep., in No. 7, and Nick Daddow, rep., in No. 3.

Last week, the Northwestern spoke of two democratic candidates for assessor having come forth with expressed willingness to attend the county assessor business, and the Northwestern called aloud for some republican patriot to come out of retirement and give us a candidate for assessor. In response either to the editor's call, or from a sense of fitness. for the office named, the friends of inches deep and still coming. our staunch old republican, W. T. Owens, persuaded him to offer his name to the republican voters, and on Monday of this week he filled his name to be offered at the primaries for assessor. The entire examination will be given on one day. The Friday and Saturday examinations will be given on Saturday forenoon; the Friday afternoon and Saturday afterternoon subjects will be given Saturday afternoon.

The health of the child is a matter of such vital importance that it would seem as though there would be an insistant demand that it should be attended to whatever else is done. And yet this is one of the things that is most neglected in many school buildings. How many are improperly lighted, heated ill ventilated and in-

sanitary in every respects! How many children are allowed in spite of the suggestion of teachers and others to ruin their eyes by being obliged to study day after day in ill lighted room. To study in rooms with low ceilings and no means of ventilation. These matters have far reaching consequences and should tailoring is often sold in this have the careful attention of every parent. Fully sixty per cent of the physical defects in children are caused by improper conditions in the schools themselves. There is no question that one of the things of prime importance for a successful life is a sound physical system.
