About five years ago I was troubled with catarrh of the lower bowels," says C. T. Chisholm, 484 Dearborn Ave., Chicago, and although I consulted several eminent physicians who prescribed for me, I found their remedies failed to in any way relieve me, and the trouble almost became chronic. After suffering several months, I one day concluded to try Chamberlain's Colic, Cholera and Diarrhoea Remedy and I beg to assure you that I was most agreeably surprised to find after taking two doses of the remedy that I was completely relieved of the disease that had cost me so much trouble and annoyance. I am thankful to say that I have not suffered from it since." For sale by Odendahl Bros.

ASHTON CLEANINGS.

E. G. Taylor, is reported visiting the state capitol this week.

Miss Lennie Davis of Grand Island, Neb. is visiting with her sister Mrs. C. H. Correllious. The Woodmen entertainment and sociable given here last week by the Ashton camp was the "hummer" entertainment of the year. The hall was jammed, standing room being at a premium. The entertainment by Ashton amateurs was as bright an affair as seen here for years; and that oyster supper and dance. "Oh Boys, come again and be quick about it" is enough said. In all, it was the best and brightest affair of the year and a big affair all around.

The sad news of Mrs. Emma Rein, wife of Horace Rein reached us to-day. (Wednesday.) Mrs. Rein's death is reported to have taken place Monday at 4 p. m. caused by scarlet fever.

"Marching through Ashton" A song of Ashton, in Polish, composed by Mike Mendyk to the tune of "Grogles" was published in one of the Polish weeklies last week and is reported a hummer. Every business man in Ashton is mentioned in it and now "Hot Time" and "Central give me Heaven" ain't it as far as Ashton is concerned. "BOB"

Saved His Life.

"I wish to say that I feel I owe my life to Kodol Dyspepsia Cure," writes H. C. Crestenson of Hayfield, Minn. For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all. Digests your food. Cures all stomach troubles. Odendahl Bros.

An Evangelist's Story.

One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. For croup it is unequalled. Absolutely safe. Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's reflux is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poison which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. Odendahl Bros.

Pneumonia Prevented.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Waitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." LIBERAL OFFER! GOOD BARGAIN.

All our former readers should take advantage of the unprecedented clubbing offer we this year make, which includes with this paper The Iowa Homestead, its special Farmers' Institute Editions and The Poultry Farmer. These three publications are the best of their class and should be in every farm home. To them we add, for local, county and general news our own paper, and make the price of the four one year only \$1.50. Never before was so much superior reading matter offered for so small an amount of money. The three papers named, which we club with our own, are well known throughout the West and commend themselves to the reader's favorable attention upon mere mention. The Homestead is the great agricultural and live stock paper of the West; the Poultry Farmer is the most practical poultry paper for the farmer, while the special Farmers' Institute Editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer, as it will hold good for a short time only. Samples of these papers may be examined by calling at this office.

No one can reasonably hope for good health unless his bowels move once each day. When this is not attended to, disorders of the stomach arise, biliousness, headache, dyspepsia and piles soon follow. If you wish to avoid these ailments keep your bowels regular by taking Chamberlain's Stomach and Liver Tablets when required. They are so easy to take and mild and gentle in effect. HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

BALTIMORE, Md., March 30, 1901.

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain

Very truly yours,
