RAY PEDLER DIED.

At 12.20 o'clock p. m., last Tuesday death relieved the sufferings of Samuel Raymond Pedler, only son of Mr. and Mrs. J. S. Pedler.

Ray has been afflicted during the winter month for years past with a severe cough, but it was not thought to be of such a serious nature until quite recently as he was always, jolly and apparently in the best of spirit. During the last month his cough became much worse and Mr. and Mrs. Pedler, becoming much alarmed sought the best medical advice possible. He was taken very suddenly to his bed about two week ago and since it has been quite generally known that the end of his sufferings would be death and that he could not last long.

Ray Pedler was born October 1st, 1881 in Loup City. He died May 20th, 1902 at his parents home and in the very house in which he was born. At the time of death he was 20 years, 7 months and 20 days old. Ray was a kind hearted boy. He loved his parents and they dearly loved him. His fond affections for his sister was ever present and his friends and associates were always met by him with kind and friendly words. He spent his school days in Loup City and grew to manhood among his classmates. For nearly four years he clerked in W. T. Chase's drug store. He then went to Cherry County, Neb. and worked for a few months on a stock ranch when he returned home. Up to the time of his recent sickness he was a trusted employee at the drug store of Odendahl Bros.

The funeral service took place at the Methodist church on Wednesday, May 21, and notwithstanding the rainy weather there were many who gathered to pay their last tribute of respect to the departed. Rev. Madely officiated and preached a most impressive sermon. At the close of his discourse there were but few dry eyes in the vast audience. The pretty casket was beautifully trimmed with wreaths and flowers which were presented by many kind friends. He was laid to rest in the Evergreen cemetery. He leaves a father, mother, and sister Sadie, living here, also a sister Kate, now a resident of Colorado, to mourn, and sad indeed was the final separation from their only boy, their only dearly beloved brother.

Mr. and Mrs. Pedler and other relatives desire that we, in this column express their deepest gratitude to all who have aided and sympathized with them in their great sorrow. We feel that we can best do this by quoting Mr. Pedler's own words when he said that "the people of Loup City were good and kind, the best he ever knew; always ready to help in need and to comfort in sorrow."

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today?
