Hurrah for Judge Wall, "Our Joe," true reform, Hurrah for Kinkaid, Says our cock in the morn.

MICKEY NEXT GOVERNOR.

Plurality Will Be from 5,000 to 7,000.

ENTIRE REPUBLICAN TICKET ELECTED.

Five Republicans Chosen to Represent State of Nebraska in Congress.

COUNTY TICKET AN EASY WINNER.

The outcome of Tuesday's election was almost a complete victory in every part of the state. The returns from over the state show that the plurality for the head of the republican ticket will be from 5,000 to 7,000, and the plurality for the balance of the state ticket much greater. Five of the six congressmen in the state were elected: Burkett, rep., in first district; Hitchcock, dem., in second; McCarthy, rep., in third; Hinshaw, rep., in fourth; Norris, rep., in fifth and Kinkaid, rep., in sixth.

Result in Sherman County.

The republican county ticket was all elected but Clark, for representative, who was defeated by only a very small majority, as the returns will show. The election here was one of the quietest we have had for years, but it was apparent that the voters were going to the polls to cast their ballots for the right, and the efforts made by the opposition to get them to do otherwise were in vain. The result was a sweeping victory for the republican candidates. Joe Pedler, county attorney, was elected by 250 majority as against about the same for the opposition in 1900. Judge Wall carried the county by about twenty-seven majority, when two years ago the candidate for senator on the populist ticket received a heavy majority over his opponent. Buffalo county is reported as giving Wall a clean majority of 375, giving him a lead of over 400 in the two counties. Glory enough. Next year we will do better.

The way that the democrats slaughtered the populist state candidates to make Thompson is simply a caution. They sacrificed everything to get him elected. And then they didn't do it.

Dick Emry and Tom Inks had, it is said, had taken good care of Buffalo county and reported her all right, and right she was. Wall majority in that county was 375.

It's too bad that Bryan missed connections at Litchfield. But for that the republicans would have doubtless carried the whole west side, including Scott township.

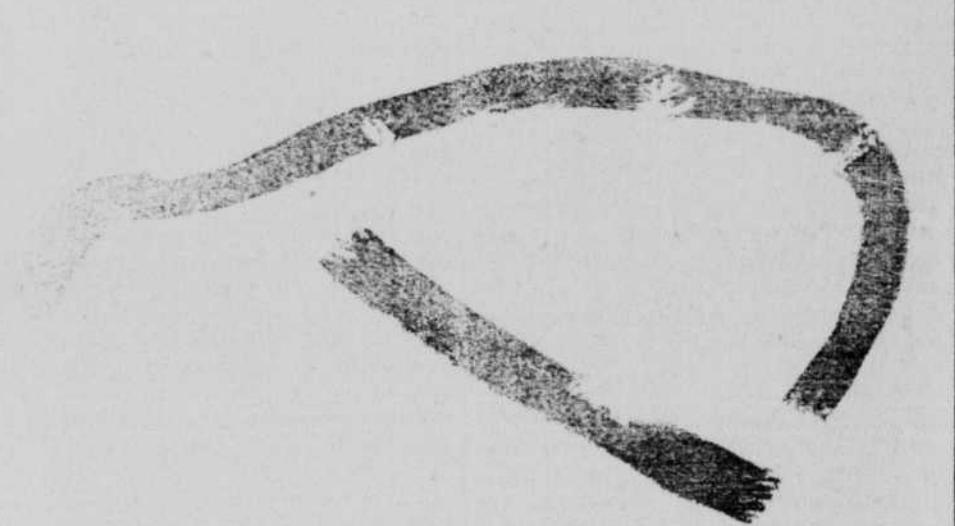

Andrew Gorstka, socialist candidate for supervisor of Ashton and Oak Creek townships, after a hard fought battle of ballots was elected by 10 plurality.

The "invincible majority of 100 votes", that Mathew was to receive, was given to the other fellow, and another hundred or so with them.

Following are the majorities for supervisors, in the four electing districts: District No. 1: Andrew Garstka, sec. 10. District No. 2: W. O. Brown, rep. 25. District No. 3: W. O. Brown, rep. 25. District No. 4: John Maiefoki, pop. 37. District No. 5: John Maiefoki, pop. 37. District No. 6: W. H. Chapman, pop. 9.

Last year we made one break in the court house ring. This year, JUST LOOK AT IT!

The republicans of Sherman county feel deeply indebted to Hugh Patton of Lincoln, ex-sheriff of this county, for coming up and giving them such able assistance in the campaign. Come again, Hugh.

Ashton republicans are to be congratulated. They are giving handsome results even on the head of the ticket and on the local candidates they are giving fusion the blackest kind of an eye.

Although Alvin Clark, the republican candidate was defeated, he made a gallant race. His opponent, Mr. Kittell only got 53 majority.

If the Times had had one more issue we might have elected Clark, too, and carried the county for the head of the ticket.

But for that apple wagon in which Bryan rode from Loup City to Ravenna we might still have him on our hands.

The harder the pops worked and the more buncombe stories they told, the larger the republican majorities.

An ox yoke should be made for Rosewater and Hitchcock. They make a good pair to draw to.

"Pedler is running like wild fire", says H. M. Mathew when the returns were coming in.

W. O. Brown was elected supervisor of Webster, Clay, and Elm townships.

Speaking of majorities, J. S. Pedler went out of Loup City township with 124 and Judge Wall 108.

Tight Snyder's affidavit must have done the business.

HENRY M. MATHEW. "NY INVINCABLE 100. WHERE IS IT?"

A square foot of the best Persian rug is worth about \$10, and it takes a single weaver twenty-three days to complete it. This allows the weaver about forty-four cents a day for her wool and labor, but three-fourths of this amount goes to pay for the wool. Only eleven cents a day is left for the weaver.

Venetian Funeral Customs. At Venice when any one dies it is the custom to fix a placard before the dead person's house, as well as in adjacent streets, as a sort of public notice, stating his name, age, place of birth, and the illness from which he died, affirming also that he received the holy sacraments, died a good Christian, and requesting the prayers of the faithful.
