THE NEW FIRM.

The new firm of Johnson, Lorentz & Co. who have established a first class clothing store at this place and in connection therewith opened up a tailor shop, have supplied a long felt want among our people.

AN INVITATION.

Having moved into the Travis store building which I purchased a few months ago, I invite all his and my own customers, in fact everyone to call, I have a very large and complete assortment of goods, all fresh and of the best.

Yours Respectfully, O. F. PETERSEN.

President Mitchell of the Miners Union, as a witness in the commission trial, proves to be equal to the occasion. He has given his cross-examiners some very pointed answers to the long list of interrogatories.

Governor elect Mickey's plurality was 5,255, while the balance of the republican state ticket was elected by pluralities ranging from 11,500 to 14,000. And still the World Herald, in a lengthy article which was copied by the Times last week, was trying to figure out how it all happened.

A CHANCE THAT MEANS SOMETHING.

The following letter from president Hargis ought to open the eyes of the young people of this locality who are ambitious for a start in life. This college is certainly doing a great work:

Grand Island, Neb., Nov. 17, '02 To The Editor.

My Dear Sir:—I have read the complimentary notice you gave the Grand Island Business and Normal College last week and want to thank you most heartily for the same.

This school was established nearly 20 years ago and we are proud of its splendid success, but this year has broke all previous records, both in attendance and educational results.

If you can encourage more of the young men and women of your locality to enter our college, you will do them a great service as we are unable to supply all the demands for our graduates.

Within the past week we sent out to good positions, the only five advanced students in our business department, one of them, Seward Benton by name, who is a farmer boy and only 16 years old, was sent to Alliance, Nebraska, where he gets 50.00 per month to start with.

This school allows one year's time on expenses and more if needed, so that any ambitious young person can graduate and pay for same out of his or her salary after securing a position.

I will be glad to send a catalogue free to any of your readers. Again thanking you, I am Yours truly, A. M. HARGIS, President.

State of Nebraska } ss. Sherman county, }

Board of supervisors of said county met this day pursuant to adjournment of Sept. 16; present, W. C. Dieterichs, chairman, D. C. Grow, D. H. Richardson, J. F. Roberts, Anton Kwiatkowski, Peter Thode and William Jakob, supervisors and G. H. Gibson, clerk.

Minutes of previous meeting read and approved. Messrs. John Nieman and Emil Dold appeared before the Board and asked for damages for crossing the farms of Mrs. Ernestine Dold and John Nieman with a temporary road, after the bridge had washed out.

Board took up the matter of approving the lease and bond of C. J. Tracy for the county poor farm for three years beginning March 1, 1903, and on motion said bond and lease was duly approved and signed by the chairman of this Board.

In the matter of the road petitioned for by Dymek, et al., the Board allows same as prayed, providing Rockville township will pay to August Stobbe and Paul Wesiarski the sum of \$5.00 each for the damages sustained by them by location and the action on the vacation of the Dymik road as prayed for was laid over until action by Rockville township on establishment as above be taken.

In the matter of the Hiddleton road it is decided that said road be allowed as prayed until it gets to road number three, then to follow said road number three into Rockville. The damages are allowed as follows: E. Phillips \$5.00, Hagerman \$10.00, El. Ogle \$10.00, Wm. Ogle \$10.00. The claim of W. H. Stephens is disallowed on account of there being a road already through his land, which is not vacated. Said road is granted with the proviso that Loup City township pay said damages.

By motion, the tax against Lawrence Rossa, for one stallion, which appears from the assessors schedules to have been assessed against said horse in Oak Creek and Loup City townships, be stricken from the tax list of Loup City township. W. C. Dieterichs filed a receipt with county clerk for \$4.50 for work and labor performed by Peter Lorenz and for which he received old bridge lumber in payment.

Board adjourned to 9 a. m. Nov. 11 1902

Nov. 11, 1902, 9 a. m. Board again in session.

Board took up the matter of the report of bridge committee on new bridges and report was as follows: "We, the undersigned bridge committee sent out to view and report on construction of the new bridges, do hereby report that the following bridges, viz: Treffer bridge on Rock creek; Hansen bridge on Deer creek; Eggers bridge on Deer creek; School house bridge on Dry Oak creek and Bloomer bridge on Dry Oak creek are built in a thorough, workmanlike manner, according to plans and specifications of T. Gibson and very satisfactory to the bridge committee.—J. F. Roberts, A. Kwiatkowski and Peter Thode." Said report was duly accepted by board.

Report of J. F. Roberts on county-line road, as per the action of county board of Custer county was accepted and clerk ordered to so report to Custer county board. Reports of supervisors as to location and names of bridges in their districts were received and made of record.

T. S. Nightingale appeared before the board and asked that a minimum price be set upon lots 3, 4 and 5 in block 17 Original Town of Loup City and by motion the chair appointed J. F. Roberts, Peter Thode and D. C. Grow as a committee to report and investigate and report on said request.

By motion of D. C. Grow, seconded by Richardson, at the request of the sheriff of Sherman county, it was ordered that Sherman county by its Board of Commissioners do offer a reward of \$50.00 for the arrest and conviction of the person or persons that set fire to and burned the Jaques elevator and set fire to the E. G. Taylor elevator, in Ashton, Nebraska, on the night of November 6th, 1902, and the sheriff is hereby authorized to offer said reward of \$50.00 as above stated.

Committee sent to investigate the value of lots 3, 4 and 5 in block 17 and lot 10, block 6 original town, report as follows: "We the committee to examine the lots in block 17 and 6, find the lots in block 17 are worth \$30 and in block 6, \$7.50." By motion and vote of board the reward offered for the arrest and conviction of person or persons who burned the Jaques elevator at Ashton was reconsidered.

The Best Remedy for Croup.

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost in case of croup as a revolver is sure to be lost, in case of burglars.

ONE MINUTE COUGH CURE

Is the only harmless cough cure that gives quick relief. Cures Coughs, Colds, Croup, Bronchitis, Whooping cough, Pneumonia, Asthma, LaGrippe and all Throat, Chest and Lung troubles. I got soaked by rain, says Gertrude E. Fenner, Muncie, Ind., and contracted a severe cold and cough. I failed rapidly; lost 48 lbs. My druggist recommended One Minute Cough Cure. The first bottle brought relief; several cured me. I am back to my old weight 148 lbs. One Minute Cough Cure cuts the phlegm, relieves the cough the at once, draws out inflammation, cures croup. An ideal remedy for children. Odendahl Bros.
