LOCAL NEWS.

—S. Geleznski is building an addition on his barn in town.

—Owing to the scarcity of ties the section hands got a week lay off Saturday.

—The moving picture show in the hall Friday last had a very slim attendance.

—For the latest styles in millinery and dry goods see G. W. Marvell & Co's. line.

—Mrs. T. D. Wilson has been visiting her daughter, Mrs. Carrier, in Iowa, the past two week.

—Mr. Wm. Jakob, supervisor of Bristol township was a pleasant caller at Ashton Monday.

—Knutzen's park pavillion has been rebuilt and enlarged the past week for the dances the coming season.

—If you are going to get that new set of harness for spring work drop in and see Jim Bartunek's hand made line.

—The interior of the Knutzen residence has been repapered and repainted the past week by Smith the Ashton artist

—Frank Goppa came from Omaha Friday night for a three months stay at Ashton. The judge is looking hale and hearty.

—Supervisor Garstka accompanied by Taylor Gibson of Loup City spent several days of last week inspecting the county bridges in this part of the county.

—See the new display ad. of R. L. Dobson on this page. Mr. Dobson has some fine thoroughbred horses which you should see if you are interested in breeding this year.

—We made a mistake last week in stating that E. G. Taylor was one of the board of directors of the Ashton Grain and Live Stock Association. We should have said E. G. Paige.

—The Rev. Geo. Longstaff has been secured as permanent pastor of the Presbyterian church here and will assume his pastoral duties commencing Sunday, April 26, and will reside in town if a residence can be secured.

—The village board has ordered the flanges on the culvert adjoining the park replaced, they having been taken out to make a drain for the surplus water through the park. The culvert is in poor condition and if not put in proper shape before the rains, there may be cause for damage suits against the village.

—We saw Master Peter Jezewski hitting the trail for home Friday from Oak Creek with his fishing rod and catch of bull heads, not many in number but much in size. Peter has the distinction of being the first deciple of Walton to make a catch this year and as Stash Sowarski is second they are naturally proud of their feat.

—The Ashton socialists met in regular session Saturday night and transacted the general routine of business. The referendum vote taken as to the site of the national headquarters was decided in favor of Omaha. Much interest was taken in the matter of organization and propagauda work, the finances of the local being in a flourishing condition.

—August Beushausen has been appointed and has accepted the position of road overseer for the district of Ashton village, to work the village roads under the supervision of its trustees. It will be remembered that the village of Ashton proper has the right to create a road district in the village and it becomes their duty to work the roads within the corporate limits as they may deem proper, and now all the streets and roads inside the village are under their direct supervision.

—Aug. Tesmer now occupies the Walt Blumer farm near town.

—Easter services were held in Ashton churches Sunday with a large attendance.

—The best paint on earth the Horse Shoe brand. For sale by Key-stone Lumber Co.

—Residences in Ashton are at a premium, not a vacant house being available for any purpose.

—Mr. and Mrs. W. Detrichs of Rockville township were pleasant visitors at Ashton Saturday.

—Sidewalks are being built fronting on the Rapp, Sack, Golcznski, Jamrog, Marvell and Ojendyk property.

—The Easter Monday services at the Catholic church here was the largest attended since the building of that edifice.

—W. H. Davis of York Neb. brother-in-law of ye Ashton scribe was doing business at Ashton and paying his respects the past week.

—Frank Lukachewski is running batchelors hall in the brick residence on the late Dobsen farm and Jake Rein is working one of the Rein farms.

—The Ashton youths assembled Saturday evening and held several very interesting bouts with the gloves in the so called manly art of self defense.

—The C. C. Boyed sale of household goods took place at advertized Saturday at the Zink store building and was largely attended, the goods selling at prices.

—An interecine war is now eminent in the ranks of the beef trusts. We have heard of wars on cotton-line, lardine, and oleomargarine the Phillipines and other "eines," but this interecine is a new one on us. But such is this "straneous life."

—Cal. Shaupp came up from Central City last week to look up a good location for a barber shop, and while here a number of our citizens took occasion to have Cal. slick them up a little for Easter. We have not heard as to whether Cal. will locate here again or not, but if he does Ashton will be strictly in it as far as a good barber is concerned.

—Mr. Dodogorft, representing the Fremont Brewing company spent Friday and Saturday here in the interest of his firm. We understand that he has made arrangements for the sale of the Nebraska product of beer at Ashton, where it now looks as though there will be four wet goods emporiums the coming municipal year.

—If you intend to purchase anything in the line of wall paper, carpets, window shades, curtains, lace and room mouldings I will gladly show you my samples and prices on the same. The low prices on the above will astonish you. My wall paper company handle all the above in the line of house decoration, (furniture excepted) which can be obtained for less money than from the department stores. Order from my catalogue yourself and be convinced.—John F. Smith.

DID YOU DO IT?
Take a day off and think what
LIQUID KOAL
is doing?

Every assertion made by its manufacturers is being proven true by true testimonials of the thousands of users of this great germ destroyer and hog killer. If it is doing good for them, it will do good for you. Give it a trial, and be convinced.

Read What Others say:
Coleridge, Nair, Dec. 13, 1902.
I have been using Liquid Koal since June, a year ago and have not had a sick hog since. I am sure it is all right and I think if a man will use it as directed, he will never have sick hogs. I will not be without it. Yours,
JOHN HINTZ.

Lansel, Neb., Dec. 13, 1902.
NATIONAL MEDICAL CO.
DEAR SIRS.—Will just say that your Liquid Koal is a good thing and I will not do without it. It is a good all around remedy. Every one ought to use it if he has only one or two hogs. It is a good germ destroyer.
Yours,
STANLEY MASTIN.

Randolph, Neb., Dec. 12, 1902.
Your Liquid Koal is just the stuff for sick hogs. At least, I have found it so. I have been using it for most a year and it has not gone back on me yet. My hogs are all right and I am going to keep them so with Liquid Koal, and don't you forget it. E. E. BASST.

MRS. L. S. ADAMS,
Of Galveston, Texas.

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have \$1.00 bottles. For any stomach, liver or bowel disorder Thedford's Black-Draught should be used.
