LEADS TO GRIEF Plain-Spoken Husband Came to the Point With a Few Words of Unvarnished Truth.

Congressman Jim Mann was on his way back from Chicago, and couldn't help hearing the conversation of the couple in the section right behind his. They looked like newly married folks, says Mack's National Monthly, but were not on their honeymoon, as Mann leaned by deduction. The woman laid down a newspaper she had been reading and said to her hus-

band: "Do you know, wish I had one of these affinities. Oh. I think it would be just gr-a-n-d to sit on a rock with somebody and have him rave about the incomparable golden color of my hair and tell me that my eyes were the most beautiful in the whole world, and---'

"'Tisn't an affinity you want," interrupted her husband. "What you seem to want is a plain, old-fashioned liar."

## CUTICURA OINTMENT HEALED BAD SORE ON LIMB

"Some time ago I was coming up some steps when the board crushed under me like an egg shell, and my right limb went through to the knee, and scraped the flesh off the bone just inside and below the knee. I neglected it for a day or two, then it began to hurt me pretty badly. I put balsam fir on to draw out the poison, but when I had used it a week, it hurt so badly that I changed to ment. That made it smart and burn so badly that I couldn't use it any more, and that was the fourth week after I was hurt.

"Then I began to use Cuticura Ointment for the sore. It stopped hurting immediately and began healing right away. It was a bad-looking sore before Cuticura Ointment healed it, and I suffered so I couldn't sleep from two days after I fell until I began using Cuticura Ointment. "Cuticura Soap is the best soap I

ever saw. I have used all kinds of soap for washing my face, and always it would leave my face smarting. I had to keep a lotion to stop the smart, no matter how expensive a soap I used. I find at last in Cuticura Soap a soap that will clean my face and leave no smarting, and I do not have to use any lotion or anything else to ease it. I believe Cuticura Soap is the best soap made."
