## Then Act

Many people plan their whole lives to have a bank account and then leave this world without so much as a start at one. Planning isn't worth anything unless followed by action. Good intentions never land you anywhere. Make your plans to start an account with us this week and back up your plans with action.

Next Sunday closes the church year which has been one of substantial growth and development along all church lines. All are most cordially invited to attend next Sunday's services at the M. E. church which will be conducted both morning and evening by the pastor.

S. A. Pratt has put in electric lights, latticed his billiard and pool tables off from the front of the hall, and given room for Conger's tonsorial parlors in the west front of the hall, in addition to his cigar and confectionary stand. A dandy improvement for the business of both gentlemen.

The new opera house is beginning long to attain the likeness of the building proper. The walls are up to a respectable height, the front of the building adorned with a fine plate thereon and one can already see that the new opera house is going to be a fine adornment to the new improvements for Loup City the coming season.

PARENTS: See that your school children are provided with STUDENTS drawing books, STUDENTS composition books, STUDENTS TABLETS are of Regulation size and Regulation quality. REMEMBER THE NAME, "STUDENTS at the REXALL STORE."

Vaughn & Hinman.

Some mills cut prices and offer new wheat flour to their trade as soon as it is threshed. We prefer to hold old wheat on hand and have our merchants sell old wheat flour until the new wheat is in condition to grind. This is one reason our flour trade is increasing about 100 per cent each year. You better buy a few sacks of old wheat flour and keep the household happy. Special prices on 500 pound lots.
