Farmer's Institute

The morning being one of the coldest this winter we did not get started as soon as planned, and the forenoon was taken up in getting the exhibits ready, which showed in the cookery department exhibits as follows: 20 of eggs, 5 of butter, 7 of bread, 7 of biscuits, 4 of doughnuts, 5 apple pies, 5 mince pies, 9 cakes, 10 of plum butter and 4 tomato preserves. The exhibits of grains and other farm produce were as follows: 8 of white corn, 8 of yellow corn, 1 of pop corn, 4 of millet, 4 of oats, 4 of alfalfa, 5 of potatoes, and one of rye; one each of blue grass and beans, for which there were no prizes, and home grown blue grass. A total of 119 exhibits.

At 1:40 p. m. the meeting was called to order by the president, C. W. Burt, who introduced the speaker, Mr. Leonard, who gave us an able talk on the value of the pure bred sire and other subjects on the farm. He emphasized the value of alfalfa and corn as a feed ration for every thing on the farm from the chickens to the old man himself. He said the draft horse will always have a market. Music by the Misses Florence and Mable Depew.

A short talk by Prof. Fues, on the relation of the aerial planets to the farmers' crops, and the election of officers for the coming year as follows: President, C. W. Burt; vice president, Alfred Johnson; secretary, Robert Dinsdale; treasurer, Rol Hendrickson; executive committee, H. J. Johansen, A. J. Johnson, E. Tracy and Hans Johnson.

The ladies, at the same time, had a good meeting at the M. E. church basement; a cooking demonstration led by Mrs. H. C. Lucky of Lincoln.

Both meetings adjourned for the judging of the exhibits, Mr. Leonard judging the grains and farm produce, and Mrs. Lucky the cooking exhibits, the results being as follows.

Visions from Storkland

The following from Editor Chas. T. Miller, editor of the Cannelton (Ind.) Enquirer, who with his wife visited here last fall at the home of Mr. and Mrs. W. F. Mason, shows vividly the state of mind and visions of happiness at that editorial home: "Cannelton, Ind., Feb. 27, 1913.—W. F. Mason, Loup City, Neb: Mary Mason Miller was born this morning at 9:40 o'clock and is doing as well as any of the Cedar citizens of this town, and her mother is simply superlative at this date." "The bunch Charley branded friends while here have sent him a message of congratulations that will take several years' subscriptions to his family paper to pay for."

Following is Daddy Miller's initial spasm:

"VOL. I, NO. 1.
"The 'first issue' of Millers' Household Companion reached our table last Wednesday morning at 9:40 o'clock and 'she' is sticking there faithfully with a hearty welcome. From present indications, and with our heartiest hopes, she will continue to stick to our table. It's a girl, and she's a daisy, but that won't be her first name. We are not losing our head by naming her after any white house celebrities in spite of the fact that some of our enthusiastic friends have suggested that we call her Woodrow. In the first place that kid can't row and if she could row we don't believe she Woodrow, so we are just going to call her plain Mary Mason Miller."—Cannelton (Ind.) Enquirer.

A fine boy came to the home of Mr. and Mrs. James Arnett in Webster township last Saturday morning, March 1st, about the break of dawn. May his future be nothing less than president of Uncle Sam's domains.

A little daughter arrived at the home of Mr. and Mrs. John Jzewski in this city early last Friday morning, Feb. 28, 1913, to round out the month with joy for the happy couple.

Moving Mania

The moving mania struck Loup City Monday with fearful force, something like a dozen householders changing eating and sleeping places. These, together with others who had moved a day or two previous, make a list that was simply great. Herman Jung moved from his residence back to the bakery. O. S. Mason moved from the Daily cottage into the Jung house; Daily from the old Banker Williams residence, owned by Pete Dzingle, into his own home; Dzingle from his place south of town into his house vacated by Daily. Joe Vaughn moved from the Baptist parsonage into the Huckleberry cottage; Vic Swanson into the parsonage vacated by Mr. Vaughn. John Oltmann moving from his farm into his town home occupied by J. W. Dougal, Mr. Dougal moving into the Albert Johnson cottage. Pete Haremza moved into the Chris Johansen property, vacated by Arthur Smith, who goes to Iowa.

Baby Gets Kernel of Corn in Nose

Last Thursday, while they were shelling corn, the little 2-year-old baby of Mr. and Mrs. Will Watts, living up the valley, while playing about the sheller, got a kernel of corn in her little nose, but the parents hurried her to the office of the Drs. Bowman and Bowman, who removed the obstruction without serious inconvenience to the baby who looked upon the performance as something for her amusement, rather than with any great concern or fear, and no harm resulted.

Mrs. Emma McGray Breaks Hip in Fall

Last Thursday morning, as Mrs. Emma McGray, teacher in the Loup City high schools, was on her way to the school, and when near the A. E. Chase residence, she slipped on the cement walk and fell heavily breaking one hip, from the effect of which she is at her home suffering greatly and will probably be laid up for a long time. At last accounts the lady was getting along as well as the nature of her serious injury will allow.

New High School Nit by Two Votes

At the election last Saturday to vote bonds for a new high school building, the proposition was defeated by two votes the result being 156 for to 79 against bonding for \$30,000 for the same. The day was about the worst of the winter, the weather being extremely cold with a strong north wind sending blinding snow in the faces of those who braved the elements to cast their votes on the proposition.

Rules and Regulations

Governing the 8th Grade Examinations.

Office of County Superintendent.

Loup City, Neb., March 3, 1913.
To the pupils and teachers of Sherman County:

This office has received from State Superintendent James E. Delzell a copy of the Rules and Regulations governing the eighth grade examinations which are as follows: The free high school certificates may be issued only to pupils who pass the state eighth grade examinations in accordance with the rules and regulations of the state department of public instruction and who in addition thereto are entitled to the privileges of the free high school law. (See section 5 and 6 of subdivision 6, school laws of 1909.) The teacher and superintendent should make sure that a pupil is entitled to this certificate before issuing the same.

Rules and Regulations

1. The examination shall be held in each county at the county seat and at other central places in the county as directed by the county superintendent.

No. 2. No pupil shall be admitted to the final examination, except on the written recommendation of the teacher.

No. 3. No pupil shall be admitted to the final examination who has not completed the full work as outlined in the course of study. Provided, that on the recommendation of the teacher, pupils may take the examination in particular subjects and such grades may be retained at the discretion of the county superintendent until the completion of the final examination.

No. 4. No pupil shall leave the examination room after the opening of the examination until the close of the quarter concerned.

No. 5. Pupils are not permitted to communicate with each other during the examination nor to give or receive aid of any kind.

No. 6. The county superintendent should cancel the grades of any pupil who violates rule 5.

No. 7. The examination papers shall be marked by the county superintendent or by a committee appointed by him.

Under no circumstances shall the papers be marked by the pupil's teacher.

8. The average passing grade shall be 75 per cent with a minimum passing grade of 60 per cent in any subject.

9. For the year 1912-1913 there shall be three examination dates, as follows: Thursday and Friday, March 13 and 14; Thursday and Friday, April 10 and 11; Thursday and Friday, May 8 and 9.

The county superintendent may hold the examination at his option on any or all of the above dates. He is required to hold at least one examination.

10. The examination program shall be exactly as follows:

Thursday forenoon

9:00-10:30 Grammar

10:30-12:00 U. S. History, Civics

Thursday afternoon

1:00-2:30 Orthography, Writing

2:30-4:00 Physiology

Friday forenoon

9:00-10:30 Arithmetic

10:30-12:00 Reading

Friday Afternoon

1:00-2:00 Mental Arithmetic, Drawing

2:30-3:30 Geography, Agriculture

11. Examination questions will be sent from the office of the state superintendent in such quantities as the county superintendent may request. The county superintendent will prepare for each central point the number of sets of examination questions needed and send the same in sealed envelopes, a separate envelope for each half day's examination, to the person appointed to conduct the examination at each point. The envelopes shall not be opened until the time announced on the examination schedule for each half day.

Suggestions

Owing to the number of subjects given, Civics is included with History, and Agriculture with Geography.

The Nebraska course of study for elementary schools is the course of study prescribed for the first eight grades. Care should be taken to recommend for this examination only those pupils who are well prepared to do good work in the high schools. All such pupils should be encouraged to take the test.

Every pupil entitled to a free high school certificate should be notified, and his parents also should be notified, that application for this certificate must be made in writing to the county superintendent of the proper county on or before the second Monday in June.

Very truly yours,
L. H. CURRIER,
County Superintendent

Cantons Install

Tuesday, Feb. 25th, the members of Canton Sherman marched in a body to meet Com. Earl E. Boyd and staff, who were to install their new officers that evening. From the train they marched directly to the I.O.O.F. hall where they proceeded to get acquainted. At the evening meeting nineteen of the local members were present in uniforms. The following officers were duly installed: R. D. Hendrickson, captain; O. F. Peterson, lieutenant; S. A. Pratt, ensign; A. B. Outhouse, clerk; Milo Gilbert, guide; J. H. Lee, accountant; Knud Jensen, 1. S.; Ben Von Krozic, S. B., and a pleasant and profitable meeting was had. The splendid talks by the visiting members and home members were interspersed with much keen wit and many earnest truths. At about 11 o'clock strains of sweet music, played by Bob Pritchard, Joe Reiman and Ashley Conger, were heard and the dining room doors were thrown open and the members to the number of twenty-five were invited to partake of the banquet tendered them by the outgoing and incoming captains, Jas. W. Conger and R. D. Hendrickson. Each members name had been written backwards and placed one on each plate and the owner had to find his place by finding his own name. This caused quite a bit of fun before all were seated. L. E. Dickinson of Canton Sherman was given a place on the commander's staff. Those from out of town were: Com. E. E. Boyd, Rev. Shirley, Messrs. Giberson, Piephart, Warren, O. O. Howard of Central City; John Howard, Clarks; L. E. Dickinson, Tom Lay, Ben Von Krozic, Geo. Wolten, Rockville.
