Four gas operators, all of them residents of Calgary, Man., employed company, were asphyxiated in the Nanten gas plant.

TWENTY-ONE HURT

TWO COLLISIONS ON UNION PACI-FIC EARLY FRIDAY MORNING.

ENCINEER RUNS PAST SIGNALS

Railroad Officials Order Thorough Investigation. - Accident During Terrible Blizzard.

Gothenburg, Neb .- Nine are dead, one is missing and is thought to have met his death, and twenty-one are more or less seriously injured as a result of two strangely similar rear-end collisions on the main line of the Union Pacific railroad in Nebraska early Friday morning.

The first disaster was directly in front of the passenger depot at Gothenburg at 3:37 a. m. Union Pacific passenger train No. 12 ran past two automatic block signals and crashed into the rear of passenger train No. Stewartville by five votes. Women 4, both east-bound. Four were killed and twenty-one injured.

The second collision, occurring at The country for several miles almost the same time, was identical around Aetna, Ind., was shaken and in character with the first. Extra hundreds of persons frightened when east-bound freight No. 501 drove into 300 pounds of guncotton exploded at the rear of extra east-bound freight No. 504 at Herdon station, twelve miles west of Sidney. Conductor Ray The Kansas senate at Topeka de Phillips and Brakeman C. M. Cradit, feated the eight-hour bill for women both of Cheyenne, of No. 504, and

ever experienced in western Nebraska was sweeping across the line when the two catastrophes occurred, south of Fremont, suffered painful but the railroad officials make no attempt to excuse the engineers on this | ing fell on him.

Engineers at Fault. Managaer Ware, says that the auto- motion to a consulship under the new matic block signals were in perfect administration. working order, and that if they were not they would rest at "danger," thus stopping all traffic. He also says in cases of storm the engineers proceed with "great caution," and that cigars. they must see and note every block signal light, even if they have to come to a complete stop to do so. That both engineers supposed to be least two block signals is practically | ident. established.

Immediately upon hearing of the wrecks, the Union Pacific took steps in placing the blame squarely where it belongs. Edson Rich of the legal staff, promptly notified the state railroad commission, asking that memvestigation at Gothenburg at 9 o'clock Saturday morning. Commissioners Clarke and all, with U. G. Powell, the commission's accounting expert, left at once for Omaha. Last evening they departed in a special car for the scene of the Gothen-Two sergeants of the army aviation burg wreck in company with General Manager Ware. The interstate commerce commission was also notified and asked to send representatives and is presumed to have done so. Sunday morning at 9 o'clock an investigation of the Herdon wreck will be held at that station by the same officials.

Rear Admiral Robert E. Peary, the Arctic explorer, has consented to become president of the American branch of the Scott memorial fund.

Court Affirms Anti-Lottery Law. Jefferson City, Mo.-The Missouri state supreme court has affirmed the constitutionality of the law prohibiting lotteries, policy games or other games of chance and betting.

Rome.-Pope Pius continues to improve in health slowly, but steadily. The pontiff now takes regular nourishment. The decreased irritation in the throat and bronchial tubes enabled

the patient to talk with his sisters and

Mgr. Giovanni Bressau, his secretary.

Secretary Garrison Vaccinated. Washington-Secretary of War Garrison was the first to bare his arm for vaccination under a general order for all employes in his department to be vaccinated.

Send Wireless 2,400 Miles. Washington.-The scout cruiser Salem, which has been at Gibraltar making tests of the navy wireless station at Arlington, Va., has sailed for Hampton Roads, prepared for additional tests enroute. The Salem received message from Arlington.

Woman Pleads Before Supreme Court Washington.-Ellen Spencer Mussey of this city won the distinction of being the second woman of the supreme court bar to argue a case bere the court.
