This week Saturday afternoon, as will be noticed by a call in another column, there will be a meeting for the purpose of organizing a county fair association, at Society Hall, in this city. While the call is made by the Commercial Club, it is in the interest of our farming and producing class, who are desirous of re-organizing, or organizing, rather, a county fair association, and the club is only taking the advance step at their solicitation and in aid of the movement. Let all interested in such movement be present. We understand \$400 is appropriated by state or county to pay for premiums on exhibition alone. We will give particulars regarding the movement after the meeting Saturday.
