Loup City MERCANTILE CO.

WHEN you have traveled for miles and miles on the wrong road and at last come to a sign post which shows you your mistake you very naturally go straight back to the forks of the road and start over. Many men who are anxious to reach financial independence realize that they are on the wrong road, they feel that their earnings are merely sufficient for daily needs, that they have no chance to accumulate a competence. Some of these men recognize the sign post pointing to the wao out—better methods of handling their income. If you are interested we shall be glad to explain to you our bank account plan.
