For Rent—Farm of 320 acres in Valley county. A. E. Charlton, Loup City, Neb., phone 9293.

On the 31st day of December, 1893, E. B. Corning filed his first bond as county assessor for Sherman county and has served in that office continuously ever since—20 years—and from present appearances is likely to serve another 20 years, if life, health, strength and his consent are forthcoming. It would be no wonder if indeed he were a model plutocrat by this time, as in one of those years as county assessor he received during the entire year munificent salary or fees amounting to \$5.

Good fit, good wear and good will if you get your clothes of the Loup City Tailor Shop.

We received a letter a few days since from our old friend, W. H. Kennedy, at Marengo, Ohio, under date of Dec. 31, 1913, enclosing a check for another year's visits of the Northwestern. Will extends holiday greetings to his old friends here. Let us see. It was some few years since that word came to us that Friend Bill was dead, and friends here were expressing sorrow over the sad news, when word came from him at Marengo to the effect that, like Mark Twain, on a similar occasion, the news of his death was greatly exaggerated, and that he was alive and well. Since that time, we are pleased to say, W. H. has kept his name on our subscription list as very much in evidence that he was alive and enjoyed hearing through our columns news of Loup City and old time friends.
