„Nebraska is a republican state It is also a railroad state.”—Columbus Telegram.

Yes, indeed, Nebraska is a republican state, and a railroad state, and a corn and cattle state, and a hog and hominy state, and an irrigation and alfalfa state, and a fried spring chicken and spotted cow called-Speck state. It is a thoroughly prosperous and progressive state and that's why it is a republican state. It is a railroad state. It has a large and increasing millage and owes its development largely to that great factor in the distribution of marketable products. Railroad men as well as newspaper men and cattle men and corn and cabbage men have taken an interest in politics, which is the duty as well as privilege of all naturalized citizens and native-born electors. A majority of the people of Nebraska, as the Telegram sadly admits, are in favor of republican policies. Let the majority rule while the other fellows go way back and sit down. There is nothing to roar about.—State Journal.

The people of Arcadia have sent quite a number of teams to Loup City for coal and our coal merchants have been liberally supplying their wants. Already the coal merchants at Arcadia, hear and almost everywhere have announced the fact that owing to the strike it will be hard to get coal and that it is impossible to tell when they can get any more. This being the case those of our people who can should get a small share of the supply before it is all gone

Last week we published a statement in which was shown the fact that the chattel mortgages filed in this county during the month of October were but \$43,210.52, while the releases for the same period amounted to \$536,882.95. Thus it will be seen that there is in that one month alone, a balance in favor of the release side of the records amounting to \$502,422.45 or in other words the people of Sherman county have in a single month wiped out, over five hundred thousand dollars of personal indebtedness. Does this look as though William J. Bryans' saying would ever come to pass, that "if the Republican party continued in power "we would have no more Fourth of July celebrations?"

Believe They Have Robbers.

In James Miller and John Hearity the police think they have two men who have been wanted for a long time, believing that they were implicated in the post office robbery of 3 o'clock Sunday morning at Dannebrog, Howard county. In that robbery, the building was almost wholly demolished and parts of the safe were found two blocks away. The robbers got \$275 and escaped on a hand car.

The police say that they have information, which as yet they are not at liberty to make public, going to show that Miller and Hearity had been sent to Omaha to buy dynamite for the gang of safe blowers, to which it is thought they belong.

When arrested at the Dodge street hotel Miller had no satisfactory explanation to make about the package he had left with the hotel clerk. It contained twelve sticks of dynamite.

Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the roots used in its preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. Roderick, of Poolesville, Md., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect. For sale by Oden Dahl Bros.

FROM SOUTH AMERICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would get a bottle of Chamberlain's Cough Remedy and put some upon the dummy teat the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby." This remedy is for sale by Oden Dahl Bros.
