Rev. Madely's sermon Sunday morning was a fine one. His text was found in Mathew 5, 13. The sermon was very forcible and convincing. The subject for the Sunday evening service was "God and Caesar." Sunday school at the Baptist church last Sunday was largely attended showing that the increase in the attendance for the last few weeks was not all due to the coming Christmas but that the increase in numbers is to be permanent and if the numbers continue to increase it is only a question of time, when we will have to enlarge our building.

The B. Y. P. U. service at the Baptist church last Sunday evening, conducted by Brother Douglas, was one of the best we have had this winter. The attendance was good and the young people were prompt in taking part in the services. A deep solemnity seemed to pervade the house and at the close when the leader called for a few sentence prayers, a response came from all parts of the house with a promptness seldom seen, and we were pleased to see several of the young people take part in this portion of the exercise. We would like to see a larger attendance at these meetings.

About 50 of the members of the Baptist Church and congregation assembled at the residence of A. L. Zimmerman Tuesday evening in a reception to Mrs. F. D. Kennedy, wife of the Baptist church. A nice little program had been arranged for the occasion, which was carried out and all seemed to enjoy themselves. Games were introduced and about 10 o'clock lunch was served. The occasion was full of pleasure for all and the welcome extended to Mrs. Kennedy was hearty and with the best wishes of all present.

From the reports that we have received of the Christmas exercises at the German Evangelical church last Friday evening, we should judge that their Sunday school was in a thriving condition.

Fad for Wild Animals.
The jungle cub fad of the foolish is very profitable to animal dealers, who reacquire them after they have been half reared at perhaps a quarter of the price at which they were sold. Congratulations.

Mr. John H. Cullom, editor of the Garland, Texas, News has written a letter of congratulations to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887 and finding it such a reliable remedy for colds and croups we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by Odendahl Bros.
