

Churches and Church Work.

Edited by Church Workers.

Loup City For God!

The Baptist church dismissed their services Sunday evening and attended the revival services at the Methodist church.

The afternoon prayer meetings are the cream of these revival services. Attend them and receive the blessing sure to follow.

Rev. Madely led the Epworth League, Sunday evening and indeed it was a treat to hear him tell of the "Personal and Universal Christ."

The following new converts joined the M. E. church on probation last Sunday: Ida and Nellie Draper, Floyd and Lottie Gibson, Ivy Henry, Klea McNulty, Elva Zimmerman, Lela Gee, Vergie Brown and Chas. Hill. Mrs. E. A. Draper joined by letter from the Litchfield U. B. church.

The prayer meeting, Sunday afternoon, at the home of Mrs. W. R. Mellor, was one of the most blessed meetings we ever were privileged to attend. One good old lady who is tottering on the verge of eternity, having passed the 84th milestone, gave the brightest testimony we have ever heard, and as she said she is on her journey home with perfect faith in Jesus Christ.

Rev. G. A. Jones of Chicago, who has been holding revival services with Rev. Madely at this place for the past week, filled the pulpit at the Methodist church, both Sunday morning and evening. His subject in the morning was: "The Devil's Blockades on the Road to Heaven," and was a sequel to his sermon Sunday morning of February 1st, entitled "God's Blockades on the Road to Hell." His subject in the evening was, "Pilate's Question," and the text was found in Matthew xxvii, 22, as follows: "What, then, shall I do with Jesus, which is called Christ?" This question was made so plain and brought home so forcibly to every one that we think the entire congregation must have felt that they were either rejecting or receiving Christ in answer to the question. The revival

services have been very successful, and Revs. Madely and Jones are doing good work. Up to the present time (Tuesday night) 42 penitents have gone to the altar and accepted Jesus Christ. Come out to these meetings and hear the gospel of Jesus Christ preached in all its effulgent glory, and those of you who have not done so, prepare to meet your God.

Almost all the Christian workers of this place are praying and working at the revival services in the M. E. church and have adopted the motto: "Loup City for God." As a consequence of this, much good is being done. Pray on, work on, ye faithful ones, that the unsaved may accept Jesus Christ and have their sins forgiven before they are doomed for all eternity.

Rev. John Madely led the League last Sunday evening and proved by the love of Christ that he was a personal and universal savior. The subject of next Sunday evening's lesson is, "True Friendship." Come and hear of the friendship of Christ, the truest and best friend anyone can have.

NOTES FROM THE BAPTIST CHURCH
A large attendance at Sunday school. One new member in bible class.

The church has purchased the two lots adjoining their property on the west and expect to build a parsonage thereon in the near future.

As there was to be no preaching service in our church in the evening, to give all a chance to attend the Methodist revival meetings, the B. Y. P. U. was called together a half hour earlier than usual. Clarence Sweetland, leader. A large number took part in a fine program.

After almost a week of pleasant weather a change set in and Sunday opened cold and unpleasant, consequently a small congregation gathered at the Baptist church in the morning. As communion was to follow the morning service, the discourse was along that line, also showing what our Savior meant when he said, "And I will sup with him and he with Me." At the celebration of the Lord's supper more communicants

were present than have been in our church for years and the deep solemnity which prevailed seemed to show that the one thought in the minds of all present was, "If ever I loved thee, dear Jesus, tis now," and the warm hand shakes and words of encouragement and gratitude indulged in at the close of the service most clearly showed "How pleasant it is for brethren to dwell together in unity."

After Sunday school the church was called together, eight persons presented themselves and were received, either as members or as candidates for baptism. A hopeful future seems to be opening up for the church and those interested in its welfare are doing all they can to bring it into the position of doing all it can for the advancement of Christ's Kingdom.

All are invited to attend these services.

THE GREAT GERM AND INSECT DESTROYER FOR ALL

Germ Diseases Of Animals

Now used throughout the United States for the prevention and cure of hog cholera, swine plague, corn stalk disease, pink eye, foot and mouth diseases, etc. A sure remover of worms in animals. The cheapest and best lice killer on the market.

National Medical Co.—Gentlemen: This is to certify that I have used Liquid Koal for Erythema in cattle and believe it to be a cure for this disease from the experiments I have made, but believe it ought to be used when the animal is first taken with the disease. And for a lice killer it can't be beat by anything I know of.
Yours respectfully,
W. L. LITTLE

York, Neb., June 24, 1903.
Henry Scheele, Jr., lost four head of cattle. They had black leg. A calf that cost him \$100 had it and the boy gave it up. We asked him to try Liquid Koal. He got a quart, gave three doses and the calf is well. That may sound fishy but it is worth investigating. Henry lives six miles west of York and you can talk to him. Liquid Koal is made by the National Medical Co., of York, Pa.—The Seller.

Your money refunded if not thoroughly satisfied with results.

Manufactured by The National Medical Co., Sheldon, Iowa.

Expert advice given free on all germ diseases of animals. Address the company at Sheldon, Ia., enclosing stamp.
