

Churches and Church Work.

Edited by Church Workers.

The revival services that have been running at the M. E. church for the past two weeks closed Sunday evening after the most successful series of meetings that has ever been known in the history of the town. The evangelist, Rev. G. A. Jones, a graduate of the Moody Institute at Chicago, is one of the most energetic, hard working and God fearing men that it has ever been our pleasure to meet and in Rev. John Madely he met a man after his own heart and one who was willing to work with and help him in all ways to save souls and they certainly succeeded. Fifty-three penitents have been at the altar and accepted Jesus Christ as their Savior. Revs. Jones and Madely have been at work almost day and night for the past two weeks, holding services in the evenings and afternoons and making house to house visitations in both the residence and business parts of town. The church as a body has been revived and a large number of young souls started on the road to eternal glory by their efforts. In all the services Rev. Jones preached the gospel of Jesus Christ in all its simplicity and never failed to set forth the fact that nothing but the blood of Jesus Christ can cleanse us from our sins. Rev. Jones started for his home at York, this state, Monday, from there he goes to Bridgeport, Neb., to conduct a series of revival meetings at that place. One thing he may feel sure of and that is, that the prayers and blessings of the christian people of this city will go with him to his new field of labor.

The church records were increased by the names of seventeen new members Sunday. Five were admitted into full membership either upon profession of faith or by letter and twelve were admitted on probation. Following are the names of the full members: Mr. and Mrs. Sam Daddow, E. Holcombe, D. S. Frakes and Mrs. T. A. Taylor. Those received

on probation are Mr. and Mrs. Lester Sturdevant, Mrs. F. S. Robbins, H. F. Peddicord, Emery Knight, Misses Cora and Addie Leininger, Jeanette Taylor, Edna Daddow, Winnie Leach and Zelpha Reed and Mrs. Anna May.

The bible study course will commence its studies again next Tuesday evening. The class will meet at the home of E. A. Brown at eight o'clock. We urge that the members of the class take up the study of the lessons as they are outlined in the text book and that all who can, take up the harmony of the gospels as it is given in the same book.

The League service was led by Miss Cora Leininger. The subject, "True Friendship," was well handled and much enjoyed. Mesdames G. S. Leininger and E. Holcombe rendered solos that were much enjoyed. The subject of the next lesson is, "Using the Sabbath." E. Holcombe will lead the meeting. Remember the time, 6:30.

Rev. Jones' subject for his morning discourse was, "No Room for Jesus." In the evening his subject was, "The Four Paths to Hell." The subjects were handled in a manner that must have impressed all who attended the services.

The revival services closed Sunday evening with three penitents at the altar. We do not know why such meetings have to close but we must all realize that God knows best.

Rev. Madely announced at the evening service Sunday that there was to be special services at the M. E. church next Sunday evening.

Communion services will be held at the M. E. church next Sunday morning.

Services were held at the German Evangelical church Sunday.

BAPTIST CHURCH NOTES.

The B. Y. P. U. led by Miss Rose Snyder was instructive and interesting.

A good attendance at the Sunday school, some of the boys coming five and six miles to be present.

Owing to the protracted meetings

at the Methodist church there was no preaching service in the evening.

Remember the church prayer meeting Wednesday evening, we expect the young converts will try to capture the meeting. All right; God bless them.

A very pleasing sight and one that always makes a christian worker rejoice, was seen at the close of our Sunday school last week. Seven scholars presented themselves and asked to be received as candidates for baptism. The most of these had shown by their actions and talk that they were interested in their soul's salvation and this act had been expected. This makes fifteen received by the church this winter and there are others who are expected and there are many others whom we want to see take this step. The pastor's theme in the morning was found in the Sunday school lesson. He emphasized the act of the four friends and connected it with christians of today in their efforts to win souls for the Master. Individual effort is all right, but united effort is better. The determination of many of our members to this work was expressed

Notice of Chattel Mortgage Sale.

Notice is hereby given that by virtue of a chattel mortgage, dated the 23d day of June, 1903, and duly filed in the office of the County Clerk of Sherman county, Nebraska, on the 24th day of June, 1904, executed by John Demboski to A. P. Culley, to secure the payment of seventy-two and no one-hundredths dollars, with interest at ten per cent per annum from date, upon which there is due and unpaid the sum of seventy-seven and no one-hundredths dollars, and default having been made in the payment of said sum, and no proceedings at law or otherwise having been instituted to collect said debt or any part thereof, therefore I will sell the property described therein, to-wit: One dark grey horse, 2 years old, weight 850 pounds; one light grey mare, 3 years old, weight 950 pounds; one grey mare, 7 years old, weight 950 pounds; one bay colt, 2 years old. On the 5th day of March, 1904, at one o'clock p. m. of said day, sale to take place at the livery barn of J. B. Draper, Loup City, Nebraska.

Dated this 10th day of February, 1904.
A. P. CULLEY.

THE GREAT GERM AND INSECT
DESTROYER FOR ALL

Germ Diseases
Of Animals

Now used throughout the United States for the prevention and cure of hog cholera, swine plague, corn stalk disease, pink eye, foot and mouth diseases etc. A sure remover of worms in animals. The cheapest and best lice killer on the market.

National Medical Co.—Gentlemen: This is to certify that I have used Liquid Koal for Ergot diseases in cattle and believe it to be a cure for this disease from the experiments I have made, but believe it ought to be used when the animal is first taken with the disease. And for a lice killer it can't be beat by anything I know of.

Yours respectfully,
W. L. LITTLE.
York, Neb., June 24, 1903.
Henry Scheele, Jr., lost four head of cattle. They had black leg. A calf that cost him \$100 had it and the boy gave it up. We asked him to try Liquid Koal. He got a quart, gave three doses and the calf is well. That may sound fishy but it is worth investigating. Henry lives six miles west of York and you can talk to him. Liquid Koal is made by the National Medical Co., of York.—The Teller.

Your money refunded if not thoroughly satisfied with results.

Manufactured by The National Medical Co., Sheldon, Iowa.

Expert advice given free on all germ diseases on animals. Address the company at Sheldon, Ia., enclosing stamp.
