PROPOSED CONSTITUTIONAL AMENDMENT.

The following proposed amendment to, and convention for the revision of, the Constitution of the State of Nebraska, as hereinafter set forth, in full, is submitted to the electors of the State of Nebraska, to be voted upon at the general election to be held Tuesday, November 8, A. D. 1904.

(SENATE FILE NO. 114.)

A Bill for a Joint Resolution recommending to the electors of the state to vote at the next election of members of the Legislature for or against a convention to revise, amend and change the Constitution of the State of Nebraska in accordance with Section 2, Article 15, of the Constitution of the State of Nebraska. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF NEBRASKA:

1. That it is deemed necessary to call a convention to revise, amend and change the Constitution of the State of Nebraska.

2. That the electors are recommended to vote at the next election of members of the Legislature for or against a convention to revise, amend and change the Constitution of the State of Nebraska.

3. That at such next election of members of the Legislature on the ballot of each elector voting at such election, shall be printed or written in such manner that the elector can indicate his preference under the law the words: "FOR calling a convention to revise, amend and change the Constitution of the State of Nebraska," and "AGAINST calling a convention to revise, amend and change the Constitution of the State of Nebraska"; and if a majority voting, at said election shall vote for a convention, the Legislature shall, at its next session, provide by law for calling the same.

1. Geo. W. Marsh, Secretary of State of the State of Nebraska, do hereby certify that the foregoing proposed amendment to the Constitution of the State of Nebraska, and providing for a Convention for the revision of said Constitution of the State of Nebraska, is a true and correct copy of the original enrolled bill passed by the Twenty-eighth session of the Legislature of the State of Nebraska, as it appears from said original bill, on file in my office, and that said proposed amendment and revision of the Constitution of the State of Nebraska is submitted to the qualified voters of the State of Nebraska, for their adoption or rejection, at the general election to be held on Tuesday, the 8th day of November, A. D. 1904. In testimony whereof, I hereunto set my hand and affixed the Great Seal of the State of Nebraska.

Done at Lincoln this 5th day of July, in the year of our Lord One Thousand Nine Hundred and Four, of the Independence of the United States the One Hundred and Twenty Ninth and of this State the Thirty Eighth. (GREAT SEAL.) GEO. W. MARSH, Secretary of State.

There will be a convention of electors of the third supervisor district held at the Throckmorton school house, in Clay township, on Aug. 29th, at 2 p. m., to nominate a supervisor for said district. T. C. CHAMBERLAIN, THOMAS BURTON, JOHN MATHEWSON, Committee.

Last week we stated on authority of the Lincoln Star that the assessment of Sherman county was passed upon by the state board of equalization and pronounced satisfactory. Later the county clerk received word from the state board that the assessment had been raised 10 per cent. We stand corrected.

The Populist county convention met here Monday owing to so much other matters of interest preceding it, we can only give it abbreviated notice. George Lee was made chairman and Editor Brown was made secretary. Representative E. H. Kittell received the unanimous re-nomination for that office. H. M. Mathew was nominated for county attorney. T. S. Nightingale was made chairman of the county central committee. Messrs. Emry, Long, Kittell, Gowin, Brammer, Godfrey, Christiansen and Hendrickson are delegates to the state convention; Messrs. Minshall, McDowell, Slot, Badura, Neilson and Brammer to the congressional, and Messrs. Emry, Brown, Peters, Winchell, Chapman and Angier to the senatorial conventions. Delegates were present from ten townships. E. A. Draper was appointed senatorial committeeman for this county. We would have been glad to give the proceedings in detail, but space positively forbids.

Over in Iowa last week occurred a newspaper change that is of much interest to the editor of this paper. The Tingley Vindicator, a bright paper in a lively town in Ringgold county, has been purchased by the editor's younger brother, W. E. Burleigh, from D. W. Watsabaugh, who learned the art preservative under our guidance way back in the 80s, who has made a success of the business, but who has been compelled to sell on account of ill health. In going so, he has disposed of the paper to our brother, who is accounted one of the best equipped country newspaper men in the state. The brother mentioned was for years connected with us in the publishing of the Mt. Ayr Journal, in the same county, and afterwards published the Hazelton Express, in Southern Kansas, later on disposing of that paper and of late years being connected with the Semi-Weekly News in his old home at Mt. Ayr. Brother Ed has the make-up of a first-class newspaper man and has been tried and not found wanting in all department of newspaper life. We predict for him success in his new venture, which occurs where he is best known and most thoroughly appreciated.

Shortest Session on Record.

The shortest session of District Court in the history of Sherman county was held here last Tuesday. Court convened at 9 a. m., heard half a dozen cases and adjourned sine die at 12 o'clock. Motions in the Houser road case, also in the Howe road case, both being injunction cases, were heard and cases put over to the October term. The two divorce cases were not called, parties not present, so four more hearts will beat as two for sixty days longer.

A Serious Accident.

A serious accident happened last Thursday to Geo. McFadden's 17-year-old son, Ray, near their home a few miles west of Loup City. The boy was riding a horse from a neighboring farm, when in some unaccountable manner he was thrown from the horse and hurt about the head, the injury rendering him unable later to give any account of how it occurred. When first seen after the accident, he was leading the animal, which was dragging itself along with a badly wrenched back, while the boy was unable to give any account of himself or the accident. It is supposed that he was riding along when the horse must have stepped in a hole, stumbled, throwing itself and the boy to the ground, resulting as aforesaid. Dr. Jones was called and made the boy as easy as possible, and he will recover eventually, but is seemingly unable to account for the accident.

Clear Creek Chat.

Ed Shipley had an arm nearly dislocated last week while doctoring a horse. A colt belonging to James Gray was badly cut on a wire fence, Sunday.

Fritz Bickel is a severe sufferer from rheumatism.

A. H. Potter and wife of Litchfield will attend the National G. A. R. Encampment at Boston.

Henry Keshing will build a huge barn on his place.

Schaupp Siding.

Frank Lorchek and Fred Dunker have begun work on the new lumber yard buildings. Mr. Dunker will run the yard for the Keystone people.

Mr. Senice is laying the foundation for the depot grounds.

Mrs. Andrew Jonassen died Saturday morning.

Mr. Bly and family went to Arcadia Sunday.

Corn is looking fine around here.

Claus Martin marketed hogs here last Thursday.

John Johnson and mother are here from Wyoming visiting A. Johnson and looking after their land.

Some of our people saw the balloon in the air, which was sent up from Loup City Thursday, and say it looked as big as a mountain from here.

All mail for Schaupp Siding should be addressed "Ashton, R. F. D. No. 2."

Fred Dunker will build a house here as soon as he can get help.

Joy Cole is looking for a threshing machine to handle his grain.
