Cattle and wife left for Omaha Wednesday morning, where Mr. Cattle has secured a position with a wholesale firm. We wish them success. M. C. Last Monday, while Mrs. C. J. Tracy was using gasoline in doing her washing, the inflammable stuff took fire in an accidental way, the flames badly burning the good lady. However no permanent injury was received and she is doing as nicely as good treatment and tender care will allow. We believe the ladies of Loup City have the kindest and most sympathetic hearts of any town city or section of country in the world. Let one of their number be confined to the sick room, and immediately all the little courtesies that go to make life a pleasant dream, are extended to the sufferer. Daughters of all kinds, beautiful bouquets and remembrances of every nature are showered upon her, and her heart is filled with thankfulness that she is blessed with living among such a God-given people. Heaven bless the 141st of Loup City, the truest measure.

The Degree of Honor ladies, with their husbands and friends kept open house at their lodge hall, election night having a jolly time. The Ravenna Creamery Company is guaranteeing 2t cents for butter fat delivered at the Creamery during the first half of November. We received a pleasant call last week from John Wall who was down from Arcadia, visiting the judge, and attending to business matters. Charley Brown, accompanied by his wife and children, was up from Farwell over Sunday, visiting his sister, Mrs. E. G. Taylor, and numerous friends. Miss Mary Lucy Marcy will please accept the compliments of Miss Hazel Burleigh, for an elegant bouquet, presented on her first weekly birthday. C. W. Fredrick, the new jeweler from St. Paul, arrived with his family and will for the present occupy the rooms in the Reed building recently vacated by Dr. Long.

For Sale.—Eight pedigreed Shorthorn bull calves and one 4-year-old registered Shorthorn bull. Truelsen & Johansen, Half mile east of Loup City.

Last week Wednesday afternoon, the ladies of the Degree of Honor went out to Mrs. C. P. Simpson's and surprised that good lady on her 24th birthday anniversary with a merry time all around. M. O. Slayter is a new reader of this paper. Mr. Slayter is the gentleman who has organized the new secret society in Loup City. He has moved to Loup City with his family and occupies the cottage vacated by Rev. Kennedy. Jim Bayne lost pocketbook, Sunday containing a five dollar bill and a check for a like amount, either at the stock yards or en route to or from. Will the finder please return it and watch the expression on Jim's face. It will be worth a ten dollar bill.

The brickyard has shut down on making bricks for the present season, the weather becoming too cool. The great demand for Chlson Bros.' brick will compel these gentlemen to more than double the plant's capacity in the spring. Rev. H. S. Wold, who has accepted a call to the Baptist society here, will commence his pastorate next Sunday. He is expected to arrive with his family consisting of a wife and three children and will occupy the cottage vacated by Pro. Nicolson. It seems the past month has been productive of an unanimity of girl babies, no boy babies being reported during that month, but November starts in a little different, J. W. Thompson breaking the record, on the 4th of this month with the first boy baby noted for several weeks.

A. R. Kime, the new manager of the Ravenna Mills, was in town this week. He wishes it known among the old friends of the mill that it is again running, and steadily making the flour already famous with the housewives of Sherman County. All who have used the new flour pronounce it superior even to the former product. If you are a farmer, you are urged to take down a grist. If not, tell your grocer to supply you with Ravenna Patent or Tip Top. Mr. C. W. Conhiser will supply citizens of Loup City and vicinity as fitly as he.

Had Adventurous Voyage. Exploits in navigation by small boat are extending to eastern Europe. Simon Strabrovsky, a hardy Russian fisherman of Odessa, has just accomplished the feat of navigating along a small sailing boat from that port across the Black sea to Constantinople and back, putting in at Constanza and Salina on the return voyage. One peculiarity of the adventure is that Strabrovsky navigated without a compass, declaring that the stars were enough. He received a sum of £200 for his exploit.

**How do you like the election?**

Lots of news items overlooked this week, but what could you expect? And it snowed Tuesday and Wednesday. Chilly times for our friends, the enemy.

The dinner and supper given by the Methodist ladies on election day, netted some sixty-five dollars. Good. Thanks to Bro. Brown for his brood of election roosters. They like the change and Ed had no political fodder for them.

We received a pleasant call, last Thursday, from the Mesdames Gardner and Morgan, who were interested in seeing how a paper was printed. Call again ladies. Lawrence Smith has for sale a number of male Poland China pigs and high bred Shorthorn bulls. Also a registered Shorthorn bull for sale or exchange. See him for particulars.

Mr. and Mrs. Chas. E. Johannes of Omaha were visiting at the Conhiser home last week and were out hunting the festive chicken and sportive ducks. The ladies are supposed to have proven the best shots.

R. P. Starr kept open office, election night, with cigars, and an elegant lunch provided by his good wife, and Republicans were handsomely entertained. Lawyer Starr never does anything by halves.

The Rebekah lodge will render the following programs, next Wednesday evening: Solo, Mrs. Holcomb; speech Geo H Gibson; German song, Fritz Johansen; impromptu, Mrs. Nicolson; chalk talk, J. F. Nicolson and P. Hoogenboezem; select reading Mrs. Carrie Johansen; impromptu speech, O. Howard.

**Broke His Leg.** Last Thursday Mike Grabowski of Ashton, in attempting to check his team from running away, managed to break his leg at the ankle. The injury was a severe one, both bones of the leg being broken. Dr. Long went down from here in response to a telephone message and relieved the sufferer.

**Divide News.** Corn picking is the order of the day. E. Slocum is building addition to his house. Born to Mr. and Mrs Richard Pinner a son, Friday, the 29th. Mother and child doing well. Thomas Burton was a caller at Divide Sunday. Those hunters from the city had better look twice before they shoot once. Henry Beck lost quite a lot of hay by some one supposed to be shooting chickens that were on a stack of hay.

**Schaupp Siding.** August Johnson has commenced to crib corn. Fred Hansen is building a fine barn on his farm. Arrived at Mr. and Mrs. Dunker's a ten pound boy. Emery Bly shipped a carload of potatoes last week. Emory Bly had four steers killed by a freight train, a few days since. Fred Jens and S. C. Cording have gone to Colorado to locate new homes. Louis Bechthold is kept pretty busy these days around the elevator, taking in grain and hogs. Well, well, well. I thought you said you never got left. How about election? Ha, Ha!

Mesrs. and Mesdames DeFaster and Hoogenboezem of Loup City visited last Sunday with Mr. and Mrs. Bechthold Schaupp Siding. Graeck brothers were the first to sell corn this fall. They seem to have the edge on this county, for they hold every year one crib for corn over and sell the old crop to make room for the new.

People go to the city to buy goods, thinking they can buy them cheaper. Ordinarily prices are higher in the city than in the country and the only reason the consumer does not buy at home is because he thinks he can buy cheaper in the city. It delves upon the home merchant to obliterate that "think" by liberal advertising.

A man who never subscribed to a newspaper in his life went to an editor the other day and asked him to let the public know through the paper that he had a sewing machine to trade for two fat hogs. He wanted the "ad" free. The editor looked at the man a moment and then replied: "I can't see what you want the hogs for as long as you are around home so much yourself."

**One Fare to Northwest and Return.** If you are thinking of paying a visit to Portland and the great territory of the Northwest, now is your chance to make the delightful trip for just one half the expense entailed at any other time. Don't postpone for the chances are that you will not soon again be offered so low a rate. On November 8, 9, 10, 11, 12, round trip tickets to Portland, Tacoma, Seattle, Vancouver and Victoria from all points on the Union Pacific and connecting roads will be sold at a one way rate. This remarkably low rate has been granted by the Union Pacific to accommodate the delegates to the meeting of the National Grange Patrons of Husbandry in Portland. Provisional stop-overs will be allowed. The final return limit has been fixed at December 31, 1904 thus giving travelers over a month and a half to thoroughly investigate the boundless resources of Oregon and adjacent territory of the Northwest.

Round trip tickets, via U. P., Nov. 1 to April 30, Denver, \$23.70; Colorado Springs, \$27.70; Pueblo, \$29.95.

A doctor at Ord tells this good one. A patient called at his office, stated his ill and the doctor wrote a prescription and handed it to him. The patient then inquired the probable cost of getting it filled and was told about sixty cents would pay the bill. The patient then asked the doctor for the loan of that amount, and the doctor scratched his head, drew a line through several parts of the prescription and then handed it to the patient, saying, "Now you can get it filled for a dime. Those I scratched out were for your nerves but I see you do not need anything but them."

A delinquent subscriber was dying and the editor dropped in to see him. How do you feel, "asked the pencil-pusher. All looks bright before," gasped the subscriber. I thought so said the editor. "You'll see the blaze in ten minutes."

**Sunday School Convention.**

The Sunday School convention held in Litchfield, October 17 and 18, was a decided success, although it began raining before the first session closed and continued to rain until after the convention closed. But the delegates did not seem to mind it at all. There were only seven schools represented, out of the seventeen in the county, but we are told that a number more delegates would have been present on Tuesday had it not rained. Miss Mamie Haines, state primary worker, was present and gave us a great deal of help. Her suggestion was good and can be used even in the smallest country schools. In speaking of the benefits derived from having low seats she said that much of the restlessness and inattention of the little ones is due to the fact that their feet do not touch the floor. She said if she were teaching such a class where she could have neither kindergarten chairs or little benches she would tell each child to ask its mother to cover a little box and have them bring those to sit on her. "Echoes from the Jerusalem Cruise" was very entertaining and instructive.

The following officers were elected for the coming year: S. S. Hover president. O. C. Weller Vice president. Mrs. E. Angier secretary. Miss Byrdie Needham asst. sec. Miss Edna Minshall treasurer. Mrs. C. J. Tracy supt. primary work.

Mary Roberts assistant. Mrs. J. A. Converse superintendent Normal Department. Mrs. J. A. Stevens assistant. Miss Rhoda Whitman, superintendent of Home Department. Miss Ingleman assistant.

Thirty-two Dollars in cash and pledges was raised for the work. The following resolutions were adopted: 1. That we as a convention express our thanks to our heavenly Father for his kind care over us during the past year and for the help and inspiration we have received during this convention.

2. That we use all our influence to promote up to date Sunday School methods. 3. We desire to extend our thanks to our former president J. A. Angier for his faithful and efficient work during the past five years; also to Miss Haines for the splendid instruction she has given us, in which we feel we have been benefited more than we can express. May she be greatly blessed in her work.

4. That we also thank the editors of the county papers for so kindly printing our programs. 5. That we extend our heartfelt thanks to the people of Litchfield, who have so royally entertained us, and especially to the pastors and trustees of the Presbyterian church and we pray that God's richest blessings may rest upon them. Respectfully submitted.

MISS EFFIE MOON, Chairman. Mrs. E. ANGLIER, Secretary.
