Anyway, W. H. is the only one of his kind, and a mighty good kind at that, and we wish him the best of all that's going. Communications from Clear Creek and Schauss Siding were crowded out last week, as was lots of other good reading matter, to give room and occupation to the plasterers, painters and paper hangers to fix up this office. Hereafter, we trust the office will be ready for all the job work and newspaper business that may come to us. We received a pleasant call on Monday from our good tried and true republican friend, A. F. Kuhn, of Clay township. He feels pretty good, thank you, over the results in Clay township this year, giving some 27 majority for the republican ticket, when he remembers that only five or six years ago they polled some three Republican votes in that township and were derided and scoffed at for so doing. He and his family were guests of Walter Smith and family here and were commingled with pleasure with business.
