As the Selling Agent of the Mills the abolishing the land office at McCook Paper Trust Controls the Market Ab- after January 31. The claim is made solutely and Has Advanced Prices that the need for this office is as Fully Fifty Per Cent.

ST. PAUL, Minn.-Attorney General oody, for the United States, through trict Attorney Haupt and Frank B. logg and James M. Beck, special sistant attorney general of the United States, filed a petition in the United States district court in which he makes the General Paper company, as principal defendant, and the Itasca Paper company of Grand Rapids, Minn.; Hennepin Paper company of Little Falls, Minn.; Wolf River Paper and Fiber company of New Richmond, Wis.; Atlas Paper company of Appleof Neenah, Wis.; Riverside Fiber and Paper company of Appleton, Wis.; Wausau Paper Mills company of Brokaw, Wis.; Centralia Pulp and Water Power company of Centralia, Wis.; Combined Locks Paper company of Combined Locks, Wis.; Dells Pulp company of Eau Claire, Wis.; Grand Rapids Paper and Pulp company of Grand Rapids, Wis.; Menasha Paper / company of Menasha, Wis.; Nekoosa Paper company of Nekoosa, Wis.; the Falls Manufacturing company of Oconto Falls, Wis.; Flambeau Paper company of Park Falls, Wis .: John Edwards Manufacturing company of Port Edwards, Wis.; C. W. Howard company of Menasha, Wis.; Wisconsin River and Paper company of Plover, Wis.; Tomabawk Pulp and Paper company of Pack Falls, Wis.; Northwestern Paper company of Cloquet, Minn.; Consolidated Water Power and Paper company of Grand Rapids, Wis.; Manufacturers' Paper company and the Petoskey Fiber Paper company of Petoskey, Mich., and the Rhinelander Paper company of sales agent, in violation of the proof congress, approved July 2, entitled "An act to protect trade and commerce against unlawful restraints and monopolies."

The netition alleges that the defendants entered into an agreement to combine and control the sale of the product of the different coe panies through the General Paper company in that the General Paper company regulated prices, sales and shipment and territory for the sale of the same and after deducting operating expenses of the General Paper company, divided the surplus among the members of the corporation.

The petition alleges that in consequence of the combination all competition in the manufacture, sale and distribution of paper had been restricted and price of all paper products greatly increased, particularly of news print paper which has been increased about 50 per cent. It further states that no dealers or newspapers or other consumers in the territory west of the Mississippi with the exception of certain newspaper publishers in St. Louis and Chicago, can purchase any paper except directly through the General Paper company, and then only upon terms dictated by the latter.

- The court is asked to declare the alleged combination unlawful and that the defendants be perpetually enjoined from doing any act in pursuance of the same.
