## Institute Notes.

Supt. Lett, of Juniata, was an institute visitor. Frigate Superintendent, E. C. Bishop, visited the institute for a short time Thursday, and made an inspiring talk to the teachers.  
A large number of the ladies of Loup City visited the work of the model school and all expressed themselves as highly pleased with the primary work of Mrs. Geislar.  
President Smith of the St. Paul Business and Normal College, addressed the teachers at the opening exercises Friday morning. His talk was practical, to the point and filled with helpful suggestions.  
The teachers of the county are generally well pleased with the work of the model school under Mrs. Geislar. The work in beginning reading and numbers was carefully illustrated step by step, and the older teachers as well as beginners profited by it.  
Supt. R. M. Thomson of Ravenna, made many friends among the teachers here last week. His affability of manner combined with clear cut mastery of his subjects compelled keen interest and attention. Mr. Thomson leaves public school work and enters law, and he certainly can engage in his new work with the pleasantest memories of his last week's work as a "Professor."

## RESOLUTIONS.

We, the teachers of Sherman county, in institute assembled, do adopt the following resolutions:  
Resolved: That we extend our heartfelt congratulations to our Superintendent for his successful efforts to give us a helpful and enjoyable institute, and that we thank him for his untiring zeal and abiding interest in the school work and commend him for his successful efforts in raising the standards of the educational work of Sherman county.  
That we sincerely thank Prof. Seanson for his helpful suggestions and the inspiration which we have received from his lectures. We feel that he has raised the standard of our profession and inspired us to greater efforts in our work, and that the public also appreciate his work by the expressions of approval after hearing his lecture, "Almost a Man."  
That we express our appreciation for the able work of Prof. Thomson and for his kindness in taking up the instruction of music. The teachers appreciate his honesty and sincerity of purpose and his excellent work at this institute.  
That we extend our thanks to Mrs. Geislar for her intensely interesting Model work in the Primary department and congratulate Supt. Hendrickson for establishing the Model class and securing so able and efficient an instructor.  
That we thank Dr. Long for his able address on School Hygiene; and express our appreciation of Rev. Wolf's interesting and inspiring review of Dr. Conwell's famous lecture, "Acres of Diamonds," and for his words of encouragement in our work, and that we express our thanks to Mrs. Starr and Miss Zimmerman for the beautiful instrumental music and the lovely solo with which we were entertained previous to the lecture.  
That we thank the Board of Education for the use of the school building.  
That a copy of these resolutions be presented to each of the Loup City newspapers for publication.

## A Good Show Coming.

Our citizens are to have an opportunity of seeing a first class show. Cook & Barrett will pitch their tents in Loup City on Tuesday, August 22 and give two performances, one at 2 in the afternoon and 8 in the evening. They will arrive on their own special train and give a grand street parade in the forenoon and a free exhibition on the show grounds immediately after the parade. The press speaks very highly of this show where they have exhibited. The Midland (Mich) Republican says: "The circus, Cook & Barrett's, brought a good crowd to town Monday. The street parade was very good and the show the best in its line that has appeared here in several years."

## Ashton News.

Harvesting is about done.  
R. A. Wilson has bought a new threshing machine.  
L. N. Currier has rented the Wickman farm for next year.  
Miss Way went to Omaha the first of the week, where she will nurse.  
Wedding bells will be ringing here before many weeks. Keep a look out. Miss Thompson of Loup City, will teach the intermediate and Miss Josie Polski of Ashton, the primary grade.  
Mr. L. N. Currier is principal of the Ashton schools for the coming year. He comes highly recommended from several schools in South Dakota.  
Misses Carrie Covey and Addie Shantstrom of St. Paul, visited Mrs. T. D. Wilson, over Sunday of last week. They visited the park while here and were delighted with it.  
Messrs. T. D. Wilson and H. Smelser returned from the Portland Exposition Friday evening, after a five weeks' trip. They returned by way of California, visiting one of Mrs. Wilson's sisters at Ocean Park; also stopping at Los Angeles, Sacramento, San Francisco, Salt Lake, Denver and many other places in the west, but came to the conclusion that Nebraska is the best place on earth after all.

Jenner's Park is the finest place in this section of the country for picnic parties and entertainments of a like character. Mr. Jenner will make satisfactory arrangements with those desiring the use of the park for such purposes
