FOR SALE:—25 Choice Spring Boars and one yearling boar, sired by Memo Butler, 30885.

The Japanese battle ship Mikasa, the pride of the Jap navy, was destroyed by fire Tuesday and nearly six hundred lives are supposed to have been lost.

The democrats and populists of Hamilton county met at Aurora last Saturday and put up a county ticket which was practically all democratic. Thus one by one the populists are being swallowed by the democrats.

An Indiana editor printed the following: "The fellow who is courting a certain married woman had better leave town, as the husband is onto him." The paper had not been out very long before every man in town had left except three old cripples and a man who had not read the paper.

The state fair of last week, with the Republican state convention following so closely on its heels, and both claiming the attention of the editor, causes us to let the political situation take care of itself this week, so far as we are concerned. However, the political pot is rapidly reaching the boiling point and we shall take pleasure after this week in keeping our readers posted as the battle progresses.

In spite of the most unfavorable weather during State Fair week, the attendance was nearly up to that of last year, and the receipts, taking in the concessions, which was nearly a thousand dollars more than the preceding year, will swell the total so that in all the receipts will not fall much below those of last year. The attendance on Thursday, the big day of this year, was some two thousand in excess of the best day of last year, Tuesday. The greatest attraction the Fair has ever had was the pacing mare, "Cute," that made a mile on the track without driver or sulky in 2:15. She was simply a wonder. All in all, the Fair this year was a proud success and President Mellor wears one of his most expansive smiles over it all.

A most exciting runaway occurred on our streets last Saturday evening about 8 o'clock. It seems that Steve Franchowski, a Poland living a few miles east of town, had started home with a four horse team and load of lumber, when the wagon broke in two, leaving the man and lumber on the street while the horses with the front wheels made a run up main street. At the southwest corner of the square, the animals ran plump into Jim Conger's dray team which was waiting for passengers for the park, the six horses piling into one mixed up mass of kicking, scrambling equines. Bystanders finally succeeded in separating the horses, when it was found no harm had been done save to one of the Poland's horses, which had its right side punctured by the wagon tongue and was thought to be hurt fatally. Dr. Long had the injured animal taken to Miner's livery stable, despite the protests of the boozey owner, who insisted on taking the horse home, and J. S. Casada bandaged the horse and made it as comfortable as possible, though little hope was held that the animal would live, which it did, however, and was taken home by the owner on Monday. Although the excitement ran pretty high for a time, and the Poland was arrested for being too breezy, he was let go by the marshal on the protestations of his friends, who promised to answer for his behavior, and the dove of peace again hovered over the village.

### Ashton News.

Mrs. Theo. Ojendyk is on the sick list this week.  
Our genial bunker, I. M. Polski, left for Duluth, Minn., Monday, where he will visit relatives for about six weeks.  
Another big car load of machinery arrived for Thos. Jamrog, this week. Mr. Jamrog says he cannot get goods fast enough to supply the demand.  
Emil Ojendyk spent Sunday with his parents. He is attending the St. Paul business college.  
John Waschelewski, formerly of Ashton, died at Omaha, Tuesday, Sept. 12th, of typhoid fever.  
The Kalkowski-Pawowski wedding took place at St. Francis Catholic church Monday at 10 o'clock a. m. After the ceremony the guests assembled at the home of the bride's parents, where a fine dinner was served. The bride and groom are well and favorably known in this community and we join with their many friends in wishing them health, happiness and prosperity.

What is the matter with our road over here? It is disgusting to see in miserable condition of our roads and something should be done at once or the county may have a nice lawsuit on its hands should anyone get hurt.  
Theo. Ojendyk went to Lincoln last Wednesday to attend the Republican state convention.  
The Ashton Pharmacy received a large supply of school supplies and druggist's sundries, which makes a nice display in their windows.  
Mr. Bloomer, Sr., is on the sick list this week.  
Ashton needs a good harness maker. One who is a musician, preferred.  
Cal Schaupp is erecting a large ice house, which he will fill with ice to supply the town trade next summer.

**LOUP CITY, NEBRASKA.**

We heartily invite our friends to call any day during the above mentioned week and we will demonstrate the superior qualities of the  
**New Majestic Malleable and Charcoal Iron Ranges**  
The MAJESTIC MALLEABLE and steel range as formerly turned out by the Mojestic people has been considered throughout the entire country par-excellence, and far ahead of any other range made. But with the NEW CHARCOAL IRON BODY in place of Steel, making it double its value, and the fact that it is the only range in existence made of Malleable and Charcoal Iron, you can readily see that if quality is considered, the Majestic leads by a big margin. WE WANT YOU TO CALL at our store during this week, and let us explain this new feature—CHARCOAL IRON BODY; let us explain why it is the best material for range bodies, and incidentally, why it is not used on other ranges. We want you to call if you intend to buy or not, as the information grined will serve you in the future.

**HANDSOME SOUVENIR--FREE.**  
As long as they last, we propose to give each prospective purchaser a neat souvenir, something that has not been offered before. If you buy call early and get one of these souvenirs.
