Read the supplement accompanying this week's paper. It presents an array of facts for voters that should be read by all.

We understand that in the east part of the county, wherein is the stronghold of populism, Gibsons are discrediting C. F. Bushausen, the populist nominee for clerk, as in the west part of the county they are circulating in the republican strongholds inveighing against John Mathewson, our candidate for the same office. There is no reason why populists should go back on Bushausen, who is a bright, capable young man, any more than reason why republicans should discredit John Mathewson.

Why should this personal fight between Gibson on the one side and Mellor and Pedler on the other be dragged into this campaign? The candidates on republican ticket are neither Gibson nor Mellor candidates. They are good, honest, capable men, chosen by the party to fill the various county offices. Mr. Gibson has a personal right to run for county clerk, or for president if he sees fit, but after he has been twice honored by the republican party, we insist it is not fair to the party that has thus honored him, to try to boost himself again into office by tearing down the structure that gave him official honors. Instead of being grateful to the Republican party and gracefully accepting its ultimatum, he is going about the county trying to build himself up by causing dissension in the ranks of the party which placed him on his present pedestal, and ride back into office over the shoulders of the regular republican nominee. The republican party does not care for an exhibition of old scores and to that end have nominated men for the various county offices who are entirely free from care for or sympathy with the tiresome tirade and abuse as mentioned above. There can be no just reason assigned for any republican withholding his support from Honest John Mathewson, nor any reason why Mr. Gibson should receive a third term with the consequent defeat of the regular republican nominee.

## To The Voters.

In the speech made by Geo. H. Gibson at the Baillie school house, on the evening of Sept. 28th, 1905, Mr. Gibson made the assertion that I secured the reduction of the assessed valuation of the C. H. Sheldon land on Clear Creek, in Elm township, before the 1904 County Board of Equalization.

This assertion is a mistake as shown by the following affidavit:

State of Nebraska } ss.  
Sherman County, }  
E. H. Chambers, of legal age, being first duly sworn deposes and says, that he is a citizen of Columbus, Nebraska and is the agent and has charge of all the lands in Sherman county, belonging to C. H. Sheldon; that as such agent appeared before the 1904 County Board of Equalization in Sherman county with a written request, written and signed by the affiant, asking that the valuation of the S. W. 1/4, Sec. 28-15-11, as found by the assessor of Elm township, in said county at \$400.00 be reduced to \$300.00 the same as surrounding lands, and said Board, after a hearing informed affiant that they would make the reduction. Before leaving Loup City affiant requested John W. Long to see that such action was not forgotten. Subsequently affiant came to Loup City and learned that no change had been made in the tax list, and upon asking G. H. Gibson, the County Clerk, why it had not been done as ordered, he informed affiant that "it must have been an oversight," and that he would see the chairman of the County Board and have it rectified.

Affiant further avers that W. R. Mellor had nothing to do with the reduction of said assessment; that Mellor knew nothing about affiant's making such request until affiant appeared before said Board and read his request. That to the best of affiant's knowledge and belief, said W. R. Mellor was present before the board attending to other business, but in no way represented our interests in said reduction of said land.

Affiant further avers that W. R. Mellor had nothing to do with the sale of said quarter, but that said land was sold to Pressly R. Bell, by R. D. Wilson of St. Edward, Nebraska, and further affiant saith not. E. H. CHAMBERS.

Subscribed in my presence and sworn to before me by E. H. Chambers this 29th day of September, 1905. W. F. MASON.

(SEAL) Notary Public.

My commission expires Feb. 25th, 1907.

I shall be pleased to have any person who so desires, to fully investigate any act of mine, in relation to having any tract of land lowered for assessment. Please examine as to value of same kind of lands in the vicinity, and you will see that my lands are now valued as high and higher for assessment as any like land surrounding. Do not be duped, but look this matter up from the records. Yours for fairness,  
W. R. MELLOR.

As the political tide ebbs and flows you will not need ask where THE NORTHWESTERN stands, but it is squarely with the republican party and its nominees, who are neither bolters nor independent? but chosen by the party of progress to uphold the best interests of the county.
